Prayer and Welcome to Aaron Siehr!

Dear Parishioners,

We are excited to announce that Aaron Siehr, St. Francis de Sales seminarian, has been trusted to our care as a teaching parish. Aaron will be with our parishes for the next four years, when God willing, he will be ordained to the Priesthood of Jesus Christ. As you have welcomed Dcn. Kevin Harmon, please pray for and welcome Aaron Siehr. Aaron will joining us beginning in September.

Peace,
Msgr. Shecterle and Fr. Linn

My name is Aaron Siehr, and I'm blessed to have been assigned to St. Anthony and St. Mary Parishes as a new teaching-parish seminarian. I'm about to begin my first year of theology studies at St. Francis de Sales Seminary, and I'm looking forward to serving the next four years in Menomonee Falls. I grew up in Pewaukee, and my home parish is St. Dominic in Brookfield, where I also attended grade school. I went to Catholic Memorial High School in Waukesha, and graduated from the University of Wisconsin-Madison in May 2019 with a degree in Rehabilitation Psychology.

I'm blessed to have grown up in a very close and loving family. The support of my mom, dad, older sister, grandparents, and others has taught me how to love, as well as the importance of faith. Tragedy struck my family when my father was killed in a work accident when I was just seven years old. This was incredibly difficult for me and my family, yet the love and support of our family, friends, and church helped us grieve this loss with a sense of hope and faith in the resurrection.

In those early years after my dad's death, I'm confident God was revealing his fatherly heart to me. This often came through the generous love of great role models like my grandfather, coaches, priests, and other family members. These are the individuals who supported me and guided me to pursue excellence and service. In middle and high school, serving at Mass and other service activities often became occasions of thinking about giving my life in service to others. The possibility of priesthood entered my mind.

It was at the University of Wisconsin-Madison where the call to priesthood grew and became a real desire of my heart. The witness of the students and priests at St. Paul University Catholic Center as well as the men of Phi Kappa Theta Catholic Fraternity convinced me that a life in pursuit of holiness is possible and is one filled with great joy. Through a greater commitment to regular reception of the sacraments, a deeper understanding of how God reveals Himself in prayer, and an increased awareness of the holy joy of priests, God invited me to respond to His call to pursue His priesthood. Responding and being formed at St. Francis de Sales Seminary these past two years in pre-theology has been an incredible joy. God's love for me has been incredible, and I can't wait to give it back to Him through service of His Church.

I'm so eager to meet you all and serve under the guidance of Msgr. Shecterle and Fr. Linn. I can't wait to share my love of faith, sports, music, trivia, and all things Wisconsin with all of you. If you see me around, please feel free to stop me and introduce yourselves. Thank you for your prayers and support. I will be praying for you as well.

St. Anthony the Hermit and St. Mary, Mother of God pray for us.

Blessings,
Aaron Siehr
Seminarian-Archdiocese of Milwaukee

Calling for Prayers and Pray-ers for Priests

Our Lady calls us to pray for our seminarians, priests and pope. Since we are called to honor our dear Mother Mary on the first Saturdays of every month, it seems to make sense to combine the two intentions. We are looking for people willing to help lead a rosary, litany and special prayers for priests on the first Saturday of each month beginning September 4, 2021 following the 8 a.m. Mass at St. Mary Parish. There is a "Prayers for Priests" pamphlet to help lead the prayers. We are hoping to get several lead people so that the commitment would only be a few times per year per person. If interested, please call the parish office for more information.

We are so excited to announce that St. Mary Parish School has been awarded with Exemplary Recognition from the Archdiocese of Milwaukee for their progress toward the attainment of both current and lifelong goals in Mission and Catholic Identity. This is the fifth time that St. Mary Parish School has received exemplary recognition from the Archdiocese.

The Mission and Catholic Identity of St. Mary Parish School is evident through the integration of prayer in the community, curriculum and programming, the centrality of the Eucharist, the mentoring program for teaching the virtues, the deep embedding of faith, beliefs, and practices in student life and so much more!

The school environment consistently reflects a commitment to challenging minds, developing character and living Jesus. These three core values are the foundation that guides staff in all planning for the school community. Staff are highly trained and instrumental in planning for and progressing our mission focus. All staff participate in the Sustaining the Mission professional development program and in addition there is a team of specially trained teachers who focus on Catholic Identity.

The Archdiocese of Milwaukee has a commitment to excellence and continued school improvement that ensures the best learning possible. The Exemplary Recognition Award, based on the National Standards and Benchmarks for Effective Catholic Elementary and Secondary Schools, recognizes Archdiocesan schools that have demonstrated innovation and outstanding results in academic excellence, educating the whole student, and mission and Catholic identity. In 2021 the Archdiocese awarded six schools with exemplary recognition.

While this recognition was received in 2021, the process of attaining this began in 2018 when the school was accredited from the Archdiocese through an onsite visit and evaluation. In 2021 the Archdiocesan Exemplary Recognition Team consisting of the superintendent and college and high school theology professionals visited the school for an assessment and interviews with students, faculty and parents.

In an interview one student said that even if there were no crucifixes, pictures or statues you would still know that we are a Catholic school by the way we treat one another. That response is exactly what St. Mary Parish School strives to attain each school year - Living Jesus.

Thank you to each and every one of you for your help in furthering Mission and Catholic Identity. St. Mary Parish School would not be where it is today without the hard work and commitment of our students, families and supportive community members of St. Anthony Parish.
