FROM THE DESK OF FATHER PAT...

Be Christ Inspired - Joyfully Live Our Call

Lent in a Pandemic:

The Archdiocese is promoting a Day of Reconciliation on Wednesday, March 24. I will be adding a time of individual Reconciliation on that evening at our St. Peter site beginning at 6:30 pm. Because of the Pandemic we will not offer a Communal Penance Service this Lent. Due to the restrictions of the pandemic, I cannot use the reconciliation room, so I will be set up in the gathering area of the St. Peter site. Individual confession is available on Saturday mornings at 10:30 am at the St. Peter site.

Looking ahead to Holy Week, we are planning on holding the Holy Thursday, Good Friday and Easter Vigil services at our St. Peter site so we can live stream these important services that lead to Easter, and we can set up 'overflow' seating in the cafeteria. We will also live-stream morning prayer on those days from our St. Peter site.

Holy Week Schedule:

Because of the on-going pandemic we are still limited to the number of people we can accommodate at each service so you will need to sign up for the Mass you will attend either on- line, or by calling the parish office. Registration for Palm Sunday, Holy Week, Easter Vigil and Easter Sunday will open on Monday, March 22. We ask you to continue to wear masks. These services will be a little different from past Holy Week services because of restrictions caused by the pandemic.

Holy Thursday: Mass at 7:00 pm at St. Peter site: Pre-registration required.

Good Friday: Service at 1:00 pm at St. Peter site: Pre-registration required.

Holy Saturday: Mass at 8:00 pm at St. Peter site: Pre-registration required.

Easter Sunday Masses:

8:30 am at Immaculate Conception site in Saukville

8:30 am at St. Peter site (overflow will be set up in the cafeteria)

10:30 am at St. Mary site

There will be no 5:00 pm evening Mass on Easter Sunday.

Fr. Pat

PRE-SALES FOR NICHES

Niche sales are continuing for the new columbarium/ossuarium building at St. Mary's Cemetery in Port Washington. The building is expected to be completed in late spring.

The columbarium will be located on the southwest part of the cemetery property. The building will have 112 niches, each of which can accommodate up to 2 urns (urn size restrictions apply). Prices range from $2500 to $3600 depending on the side (east or west) and the height of the row.

The ossuary, which is a shared resting place, will be located at the end of a walkway leading from the northwest side of the columbarium building. Cremains are placed in velvet or satin containers and deposited with other cremains in a common area below ground. Corresponding names, birth and death years will be placed on granite tablet-like stones. This option, including engraving, costs $600.

Gravesite purchases are also open by appointment. For more information or to set up a time to meet, contact Steve Ziebell, Cemetery Sexton, at sziebell641@gmail.com or call 262-707-1465.

Walking in the *Foot Prints* of Jesus

A Discipleship Journey

The OLD TESTAMENT **- Their Story is Our Story**

Dry Bones ~ Week 26

The Israelites spent 70 years in Exile, in a land not their own, governed by foreign sovereignties, struggling to re-discover and renew their identity as God's Chosen People. The prophet Jeremiah encouraged them to take wives, build houses, plant gardens and take advantage of their situation while in Exile but also to learn from the experience and maintain hope for the coming redemption. Keep hope alive without assimilating into the Babylonian culture – quite the challenge indeed. By all accounts, this small group of Israelites should have faded out of world history, but they didn't. Rather than give in to the polytheism of the culture, the Israelites re-affirmed their belief in God. Rather than diluting the people's faith, their time in Exile actually strengthened their faith and solidified their identity.

The prophetic writings of Ezekiel and Isaiah offered promises of restoration and renewal. Ezekiel's beautiful vision of dry bones on the desert floor and God's breathe breathing back to life assures them of God's ongoing presence:

> *I will open your graves and have you rise from them, and bring you back to the land of Israel…I will put my spirit in you that you may live, and I will settle you upon your land.*
>
> Ezekiel 37:12 - 14

In 538 BC, the Persian ruler Cyprus allowed the Israelites to return home and rebuilt Jerusalem. What would they return to? What would they need to do to re-establish themselves as a people? What did they learn about what was important and what wasn't? What would restoration look like? How can they stay true to God so as not to fall into the same temptations and suffer another devastating loss as a people? Imagine pondering these questions during their 100 mile pilgrimage back to Jerusalem.

The Israelites returned and settled once again upon their land, the land God promised them. They returned renewed, strengthened and restored as God's Chosen People. Next week we will begin to explore events around the restoration of Jerusalem and the Temple.

As we begin our own return from exile to "normalcy", what will our new normal look like? What have we learned? What will help us stay close to our Lord? What are the "dry bones" of our spirits that need God's breathe to bring back to life?

Be Christ Inspired - Joyfully Live Our Call

St. John XXIII Men's Society
Video Live Streaming Upgrade Project

Dear Members and Friends of St. John XXIII Parish,

The stated mission of St. John XXIII parish is to *"proclaim the Gospel of Jesus Christ through his saving death and resurrection by calling, forming, and sending disciples to go and make new disciples. As a people, we are called to encounter Jesus and grow as disciples through the sacramental life of the church."* The Men's Society recognizes the value and importance of sharing that mission via modern live stream technology during this pandemic and beyond.

The analog video cameras and equipment currently used to live stream the Mass were obtained and installed by members of the Men's Society nearly 11 years ago. That equipment, although still operative at the time, was retired from service by its former owner due to the advances in video/audio technology and is now considered obsolete.

Today's digital video camera technology produces digital images that are far superior to the images we are currently live streaming each week. Modern digital image video cameras produce sharper, brighter images. These crisp, clear video images can serve to enhance delivery of the weekly message and Mass. On the other hand, the low-quality images we are currently streaming tend to distract from the message and may even cause some viewers to become frustrated and turn off the video stream.

The Men's Society recognizes that live streaming technology is an effective and practical way to spread the life-changing message of Jesus beyond the walls of the church. Live stream video provides an incredible service for those parish members who need to be away due to travel, illness or pandemic. It can also serve as an amazing evangelism tool, providing potential guests an opportunity to experience our church and parish before ever visiting in person.

The benefits of a modern, state-of-the-art, live streaming system include connecting or renewing ties with parishioners who:

- Self-quarantine due to pandemic or other health related concerns.
- Move away, but still wish to connect and maintain ties with their former parish/parish members.
- Become temporarily home-bound, are confined to hospital, nursing home, or other senior or assisted living facilities due to health or infirmities of age, etc.
- No longer have the ability or opportunity to attend church in person.
- Are not able to travel to attend weddings, funerals, baptisms, first communions, confirmations, etc.

For all these reasons the Men's Society has committed to this project, allocating over $3,000 towards its completion. These funds were originally directed to the Men's Society in memory of three long-time Men's Society members. The funds will be used to replace the existing cameras and equipment, with state-of-the-art cameras and controllers, so as to provide an easy to use, high-quality, flexible video system that can provide high quality live streaming of the Mass and other parish related functions and events. However, total cost of the project is anticipated to be $10,000.

Therefore, we are now asking for your help, challenging and inviting the members and friends of St. John XXIII to partner with the Men's Society in this worthy endeavor by making a generous financial contribution to help us reach our $10,000 goal. Any funds raised beyond the cost of the project will be used solely for the service and maintenance of the new live stream system.

Please consider contributing in memory of a loved one, on behalf of yourself or the parish, with checks made payable to: ***"St. John XXIII Live Stream Upgrade Fund"*** **or you can give by going to our website stjohn23rd.org and click on Donate Now!**

Thank You and God Bless!

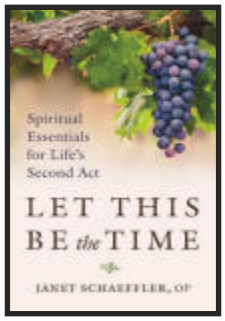
For thousands of years followers of Jesus have understood that we have to keep…exploring what it means to live in harmony with God and each other. The Christian faith tradition is filled with change and growth and transformation. Jesus took part in this process by calling people to rethink faith and the Bible and hope and love and everything else, and by inviting them into the endless process of working out how to live as God created us to live. - Rob Bell

Join us for a fresh take on Jesus and what it means to live the kind of life he teaches us to live.

Let This Be the Time: Spiritual Essentials for Life's Second Act by Janet Schaeffer



Meets Thursdays, 9:30 am-11:00 am (Beginning April 8)

Suggested Donation: $25 (Includes book)

The journey of aging is different for each of us, but no matter our path, the joys and challenges of getting older give us all a wonderful opportunity to keep growing emotionally and spiritually. In this wise and profound book, Janet Schaeffler draws on her own experiences of aging and the insights of many elders to help us all deal with twelve increasingly important needs: to live a life of meaning and purpose; to joyfully pursue love and relationships; to ask and explore questions; to learn and grow and laugh; to navigate change and transition; to cope with losses; to be grateful; to forgive and be forgiven; to give; for spiritual integration; to let go and simplify; and to prepare for dying and death. The journey of aging is a gift for each eldering person, says Schaeffler. Filled with gentle wisdom and practical suggestions, Let This Be the Time will help us make the most of this wonderful gift as we learn to live and love more fully in our eldering years.

Feed My Starving Children Update—Lenten House

Turning hunger into hope with your own two hands and working our way to our second million meals packed!

St. John XXIII has rescheduled the **Feed My Starving Children MobilePack** to November 12-13, 2021 at Portal in Grafton. We still plan to pack 108,864 meals (14 pallets!) and need to raise the $27,000 for these highly nutritious meals. If you wish to contribute to our Fall MobilePack event, there are four options:

- Place money in one of the Lenten Houses located at each Church entrance.
- Place money in an envelope marked FMSC and drop in the collection basket.
- Mail or drop off at the Parish Office.
- Donate online at fmsc.org (select donate to a MobilePack; select Wisconsin, then St. John XXIII).

Our account number is 2111-061SC. Please put this number on all checks. Checks can be made out to either FMSC or SJ23. More information on sign-up, packing times and general information will be given in Fall, closer to the date. As always, **many thanks for your continued support** of this very important global/international project.
