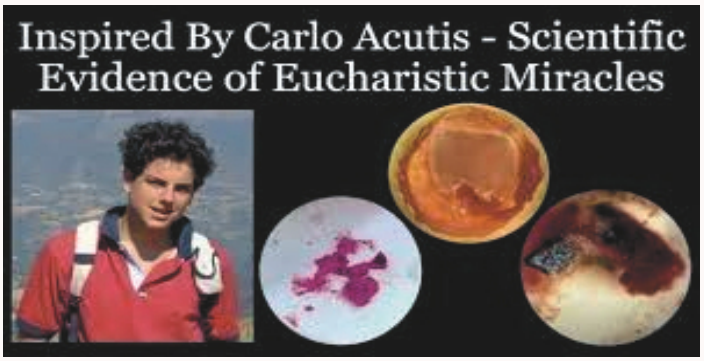
EUCHARISTIC MIRACLE EXHIBIT

Our parish is host to an exhibit of the MIRACLES OF THE EUCHARIST originally created for an online website by Blessed Carlo Acutis, the 15-year-old young Italian man on his way to being declared a canonized Saint of the Roman Catholic Church.



Eucharistic miracles are God's extraordinary interventions which are meant to confirm the faith in the presence of the Body and Blood of the Lord in the Eucharist. The Lord carries out these miracles to give us a sign— easy and visible to all— that in the Eucharist there is the *true* Body and *true* Blood of the Lord.

We may be tempted to think that Eucharistic miracles are unsubstantiated stories that only happened in the "old days" and couldn't happen today in our age of science. In the last few decades, however, we have seen a surge in Eucharistic miracles which cannot be explained by science. In most of these recent miracles, the Eucharistic host turns into human flesh and blood.

The constancy among the scientific results is amazing. The oldest-known verifiable case of the Eucharist transforming into physical flesh and blood is the **Miracle of Lanciano**, which took place in 8th century in Lanciano, Italy. The miraculous flesh and blood finally underwent scientific testing in the 1970s and again in 1981. The history and facts of this case are stunning:

Flesh in Lanciano

In 750AD, a Basilian Monk was doubting the True Presence while he was saying Mass. As he pronounced the words of consecration, the bread and the wine transformed into what appeared to be flesh and blood. In 1970, more than 1,200 years later, scientists began a thorough examination of the miraculous substances. In 1973, the World Health Organization (WHO) spent over a year's time running a series of 500 tests on the matter. The scientific tests revealed:

- The coagulated substance is human blood, AB blood type, with the same protein distribution as found in normal, *fresh*, blood. This blood-type is identical to that which Prof. Baima Bollone uncovered from the Holy Shroud of Turin. In the Blood they also found chlorides, phosphorus, magnesium, potassium, sodium and calcium. No degeneration of the blood had occurred.
- The tissue is human muscular striated tissue of the myocardium, left ventricle, arteries, veins, the branch of the vagus nerve and adipose tissue—all found in the human heart.
- Like the Blood, the Flesh is also *fresh*, *living* tissue as it "responded rapidly to all the clinical reactions distinctive of living beings."
- Remarkably, the blood divided into 5 unequal-sized globules, and yet each globule weighed exactly15.85g, and all 5 globules together also weighed the same 15.85g.
- The preservation of the Flesh and Blood, which were left in their natural state for *12 centuries* and exposed to the action of atmospheric and biological agents, remains an extraordinary phenomenon.

Scientific testing has been performed on more recent Eucharistic Miracles that occurred in Buenos Aires in 1992 and 1996; in Tixtla, Mexico in 2006; in Sokolka, Poland in 2008; and in Legnica, Poland in 2013— *all* have equally astonishing results.

Please stop by Seton Hall after Mass (or anytime during regular parish office hours) to see the exhibit!
Over 32 Eucharistic Miracles are showcased.
Show your children—especially those preparing for their First Holy Communion.
All will be amazed!

Thank you to Debbie Japsen and Denise Ramis for putting this special exhibit together for our parish!

For the first time ever, our parish hosted the online "virtual" retreat, AWAKEN the weekend of March 13/14. More than 26 parishioners attended the retreat from the comfort of their own homes.
This retreat was designed as an alternative to the Light of the World Retreat in this time that larger number in-person gatherings wouldn't be prudent.

The retreat was very well received by everyone who participated—many commenting that they were very happy that they took the time this Lent to attend a retreat in order to draw closer to the Lord and reignite the fire of the Holy Spirit in their lives. Mark your calendar now– October 9/10 for our next AWAKEN Retreat!

Meditation Garden Spring Brick Drive

Our Meditation Garden is a beautiful and peaceful space just outside Seton Hall on the East side of the building. It is a lovely place to pray, meditate in silence, talk with a friend, or just sit and enjoy the beauty of God's creation.

Parishioners have the opportunity to purchase engraved bricks as permanent memorials of loved ones, parish families, or special events in the lives of our parishioners.

The bricks can be a remembrance of a variety of family or parish celebrations or events, such as the birth or adoption of a child, a marriage, Confirmation, First Holy Communion, graduation, wedding anniversary, memorial to a loved one, in thanksgiving to a patron saint, a veteran's service, or to show appreciation to a favorite Religious Education teacher or clergy member.

The sale of engraved bricks is the primary fundraiser for the maintenance of the garden. These permanent memorials are $100 each for a personalized 4"X 8" engraved paver brick. Purchased bricks will be placed into the hardscape throughout the year as minimum quantity orders are met.

Orders can be placed using the form below. Completed forms with payment can be mailed to the Church, or dropped off at the Parish Office or Parish Drop Box.. Monetary donations are graciously accepted and much appreciated as well. Memorial Plaques are also available for the donations of trees and large shrubs as needed. Please remember your donation is tax deductible!

BEREAVEMENT MINISTRY– GREIF SUPPORT

Are you experiencing the loss of a loved one and having a difficult time coping with everyday life? You are not alone. God loves you, and *we care*.

Many people feel lost and alone when experiencing the death of a child, spouse, parent or sibling. While those around us may try to be supportive, the friendship and support of those who have also experienced a similar great loss can really help us in the healing process.

This ministry centers on God's healing love, our caring, listening, and sharing. Join us for practical help, support, prayer, friendship, and *hope*.

The St. Elizabeth Ann Seton Bereavement Ministry is a spiritually based ministry of caring and compassionate people working together to bring hope back into the lives of those who have suffered a great loss.

The next meeting of our Bereavement Ministry is on
SATURDAY, APRIL 10TH AT 10AM
IN THE ST. MARY'S & ST. MICHAEL'S ROOMS

FORMED

OUR FORMED PICK OF THE WEEK

TRIDUUM: A SPIRITUAL PILGRIMAGE

Triduum: A Spiritual Pilgrimage is a beautiful, 30-minute contemplative documentary. This film cinematically walks through the locations of the Holy Week story, re-presenting the most important days of human history. Immersed in the real and sacred places of the Holy Land, the pilgrim faithful is brought tangibly nearer to the story, the landscape, and the reality of the Passion, Death, and Resurrection of Jesus Christ.

Triduum draws Catholics and those with open hearts and minds to experience a deeper understanding of these events and places and offers rich meditations for the pilgrimage of daily life. Now more than ever, as many of us are confined to our homes, journey along this spiritual pilgrimage and be drawn more deeply into the life and love of God.

Register for your FREE subscription to all FORMED has to offer on our parish website!

Triduum: A Spiritual Pilgrimage is the Augustine Institute's gift to the world for Holy Triduum - available on FORMED and free for everyone through Easter.

What to do with Unwanted Sacramentals, or Other Religious/Blessed Objects?

The proper disposal of broken, irreparable, unwanted sacramentals, or other blessed items, is to burn or bury them. Assuming they have been blessed, all rosaries, scapulars, votives, medals, holy books, pictures, Bibles, statues, palms etc. should *never* be thrown in the trash. Those that can be burned should be burned. Those that cannot be burned, should be buried.

For this reason, we will gladly accept any unwanted, old, or broken holy items at the parish office.

When it is permissible, we will set up "re-gift" tables in Seton Hall for parishioners to browse and take whatever items they would like for themselves. Any items that are not taken from the tables will be disposed of properly.

Please bring items you no longer use to the parish office anytime during business hours.

Watch the bulletin for future "re-gift" table dates.
