Swim Across America - Swimming for a Cure Sat., Aug. 8, 2026 - 2 miles at Ohio Street Beach, Lake Michigan

2 Miles

Dear Parishioners,

I joined **Swim Across America** because I believe in their mission and want to help give more families hope. Like many of you, I know so many people who are suffering from cancer. Last year I swam for a fellow swimming buddy, Andy, who was diagnosed with Leukemia and was under treatment for months as a patient at Rush. Unfortunately, he died last year after a long journey.

This year I am swimming and praying for my relative, Kathleen, a young wife and mother of three, dealing with colon cancer. A friend of mine, John, a 45-year old father of three, has prostate cancer stage four and has been out of work for 9 months and forced to travel outside his home and family on the east coast to Chicago for specialized treatment at Rush Hospital, Chicago.

If you are able, please support me by making a donation to help me reach my fundraising goal. I hope to swim 2 miles, depending on the weather and lake conditions.

Founded in 1987, **Swim Across America** has hosted charity swims with one goal: to raise money for innovative cancer research that would lead to breakthrough treatments and therapies. Since then, **Swim Across America** has raised over $100M to fund the next generation of pioneers in oncology and cancer-support care.

FROM THE PASTOR'S DESK

The Most Holy Body and Blood of Christ (Corpus Christi) — June 7, 2026

Dear Parishioners,

In Pope Leo XIV last year's Corpus Christi Mass (The Most Holy Body and Blood of Christ, Solemnity which is celebrated this Sunday around the world), the Pope recalled how, in the Gospel, we hear about the crowds gathered around Jesus who taught them and healed their sick, showing the Lord's compassion for the suffering and reflective of "the loving closeness of God, who comes into our world to save us."

And, "where God reigns, we are set free from all evil," he explained. And, it is important to remember that during our times of need, whether hunger, illness or the earthly end of our lives, that "Jesus remains present in our midst."

> *"For where the Lord is present, we find all that we need to give strength and meaning to our lives."*

The Pope recalled how Jesus multiplied the loaves and the fish by sharing what was available, allowing everyone to satisfy their hunger with twelve baskets-full left over.

> *"That is how Jesus satisfies the hunger of the crowd: he does what God does, and he teaches us to do the same."*

In today's world, it is important to remember entire peoples who are suffering due to "the greed of others than from their own hunger," the Pope observed, where we see a stark contrast to the spirit of sharing in the poverty that can result from wealth amassed by a few, a counter sign of "arrogant indifference that produces pain and injustice."

In his remarks after praying the Angelus delivered in St. Peter's Square, he said in part:

> *"Today more than ever, humanity cries out and calls for peace. This is a cry that requires responsibility and reason, and it must not be drowned out by the din of weapons or the rhetoric that incites conflict. Every member of the international community has a moral responsibility to stop the tragedy of war before it becomes an irreparable chasm. There are no "distant" conflicts when human dignity is at stake.*
>
> *War does not solve problems; on the contrary, it amplifies them and inflicts deep wounds on the history of peoples, which take generations to heal. No armed victory can compensate for the pain of mothers, the fear of children, or stolen futures."*

He concluded his homily by addressing everyone in a more personal way:

> *"Dear friends, Christ is God's answer to our human hunger, because his Body is the bread of eternal life: Take this and eat of it, all of you! When we partake of Jesus, the living and true Bread, we live for him. By offering himself completely, the crucified and risen Lord delivers himself into our hands, and we realize that we were made to partake of his body."*
>
> *"Strengthened by the food that God gives us, let us bring Jesus to the hearts of all, because Jesus involves everyone in his work of salvation by calling each of us to sit at his table. Blessed are those who are called, for they become witnesses of this love!"*

I am praying for all of you in this very challenging time!

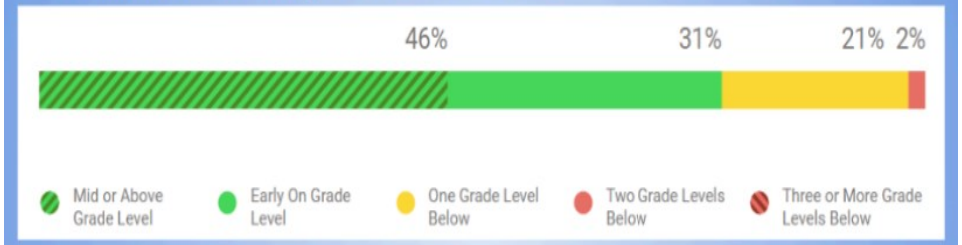
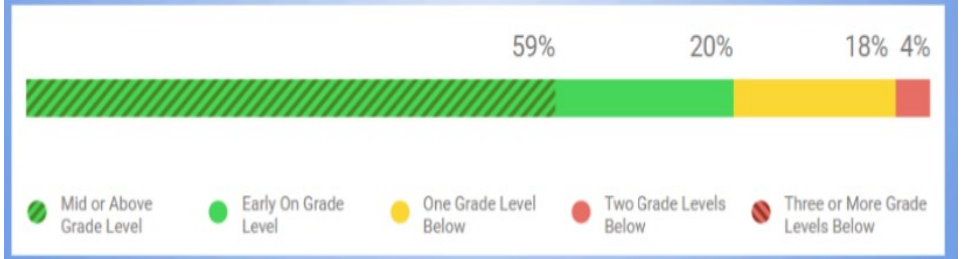
STATE OF THE SCHOOL

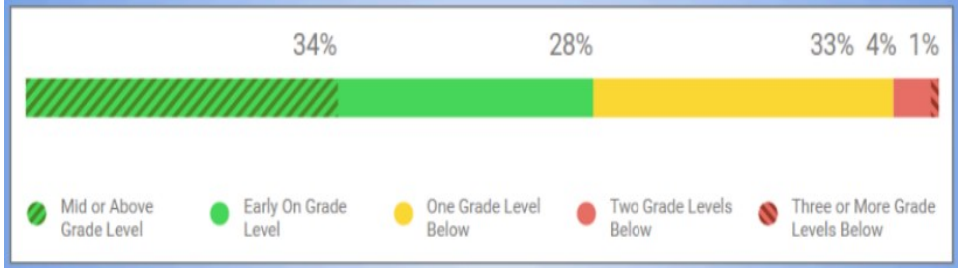
On June 3rd, the school hosted a "State of the School" address to update parents on accomplishments of the past year, and goals for the year ahead. Below are some of the highlights.

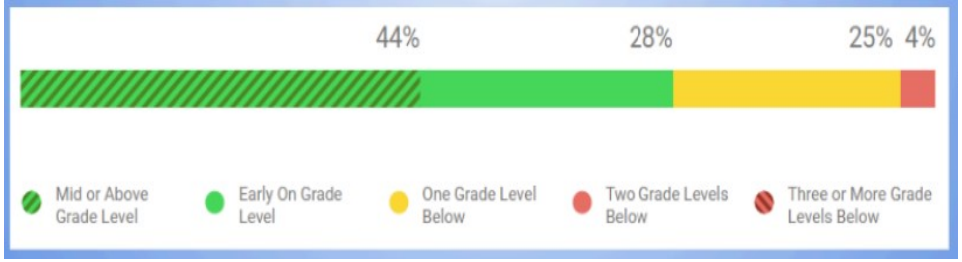
Growth in Reading 24-25 vs 25-26



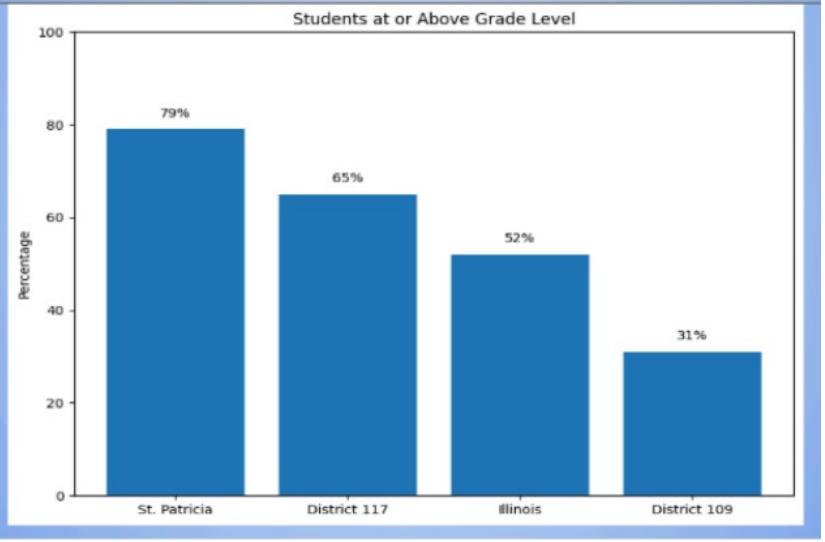


Growth in Math 24-24 vs 25-26

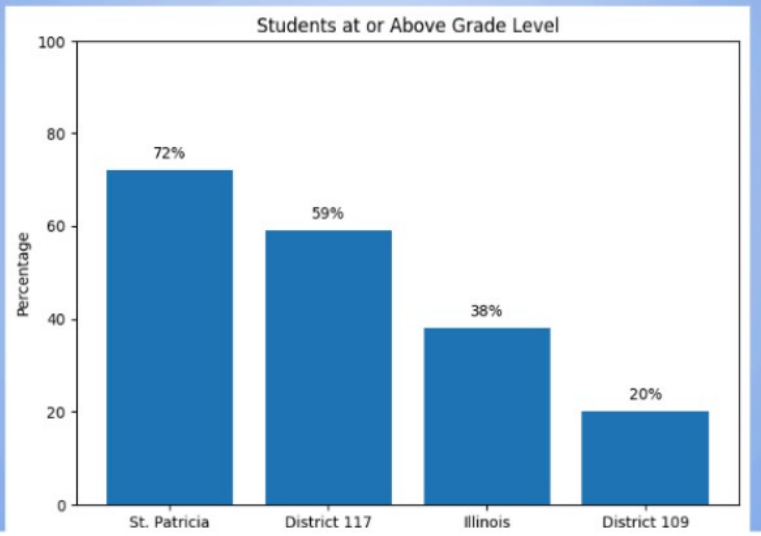




Comparing our Reading Scores



Comparing our Math Scores



RESULTS = Our Graduates ■ For the past 4 years, St. Patricia has had an 8th grader score in the top 95th percentile on their high school entrance exam, earning them a half scholarship or better for their entire high school career. ■ Both this year and last year, our 8th graders received a total of over $30,000 in merit-based scholarships. ■ Both years, only 6 students were attending tuition-based high schools — the remainder were attending public schools, and did not pursue scholarships.
