REFLECTION

Getting to know the children and their families through the Formation Program is a special joy for our Child Minister, Stacey Irvine. Since the home is the first encounter children have with God and His Church, Stacey offers ways that families can work together to grow in their prayer, spiritual, and sacramental life at home.

Each year during Lent, we are asked to pray, fast, and give alms. Some may think that these are adult things and that kids really won't "get it," particularly almsgiving. While a big concept, it is really quite simple: give to those in need. One way that child ministry classes demonstrate this concept is through their generosity and creativity. In the past, they have offered a priceless bake sale. This year due to COVID, we had to rethink how to raise funds to support our Lenten Outreach. Never fear! We are excited to tell you that the Schoenstatt Sisters and their community have graciously accepted our invitation to be the bakers of goodies for a drive-thru bake sale . The tradition continues! Students donated baking supplies: flour, sugar, brown sugar, chocolate chips, oatmeal, and yeast to support the bake sale. Delivering a trunk full of these items last week to the retreat center was a delight to experience. When the sisters saw the heaping cart of ingredients, their eyes grew huge and they asked in whispered surprise where it had all come from. I told them about our children who wanted to help and decided to generously donate the items. They were speechless with gratitude. They offered me the chance to taste test a chocolate chip cookie that had been baked, and,...I wasn't going to say no! I can verify that they were delicious! I cannot wait for you to have some too!

So, pile in the car and drive-up to the Schoenstatt Retreat Center on March 13 between 9:00 AM and 4:00 PM. The sisters are going to be making breads, cinnamon rolls, and cookies. There are no set prices, but we encourage you to offer a cash donation or a check payable to St. Dominic. Your generosity is most appreciated! Please also pray for a successful bake sale.

PRAYER CHALLENGE

The Daily Examen - Week 4

Andrew Schueller, MATL

The Jesuits have played a major role in my post-high school education. One of the gifts of my time at both Marquette and Gonzaga was learning Ignatian Spirituality. The ability to find God in all things: in nature, in art and music, in other people, has helped to solidify my belief in God and discover how He is at work in my life.

At the heart of Ignatian Spirituality is the daily Examen. The Examen allows us to reflect on the past day in an effort to find God's presence in our life, seek opportunities to grow through our mistakes, and listen for His guidance for the potential challenges and opportunities of tomorrow. The Examen can be so powerful that Jesuits actually pray it twice a day (at mid-day and night). That way, if they have a rough morning, they can correct and have a better afternoon.

How Do You Do the Examen?

St. Ignatius of Loyola provides a simple five-step routine for our daily examen. When praying the Examen, you should have a conversation with God and pay special attention to your emotions. One of St. Ignatius's great insights was how our experienced emotions can help us to detect the presence of the Spirit of God. As I reflect on the day, I pay close attention to the feelings I experienced in relation to events during the day (both good and bad).

Presence of God

I begin by finding a place with limited distractions. I ask for the guidance of the Holy Spirit as I prepare to look back on my day – to help show the blessings of the day and to reveal the moments were I have fallen short of who God has created me to be. Some days can feel like a blur of activity. On these occasions I ask God to provide clarity and understanding.

Recall and celebrate the blessings

Gratitude is the foundation of our relationship with God. Start by walking through your day noting your joys and delights. Look at the work you did, the people you interacted with: what did you receive from these people? What did you give them? Pay attention to small things—the sights you saw and other seemingly small pleasures. God is in the details. Remember to pay attention to your emotions. Take a moment to pray in thanksgiving for all of these blessings, especially by name!

Review and recognize failures

Next, I look at the moments in my day when I did not act so well. I start by asking God to fill me with his Spirit to humbly lead me through this difficult soul-searching. I look back at my day and ask the Lord to point out to me the moments when I have failed in big ways or small. The trick is to reflect on these mistakes in a light of improvement, not self-pity. I want to be the best version of myself, as a spouse, a parent, a friend, or a co-worker. This allows me to identify and pray for opportunities for self-growth and improvement.

Ask for forgiveness and healing

If I have sinned, I ask God to forgive me and empower me to do better (often scheduling when I will go to confession next). If I have simply made a mistake, I ask for healing of any harm that I might have caused. I ask for wisdom to discern how I might better handle such tricky moments in the future. Sometimes this can feel overwhelming, especially if I have had a difficult day. On these days, I often need to just focus on one or two important events or feelings from the day and focus my prayer on those moments.

Pray about the next day

Finally, I ask God to show me how tomorrow might go. I imagine the things I will be doing, the people I will see, and the decisions I will need to make. I ask for help and guidance with any moments I foresee that might be difficult. I especially ask for help in moments that tripped me up today – that I might be better tomorrow. If there are others I want to lift up in prayer, I do this to round out my conversation with Christ.

Remember to pray the Examen in a spirit of gratitude. Your life has meaning: you have incredible God-given gifts and talents and God has an amazing plan that entails using those gifts and talents.

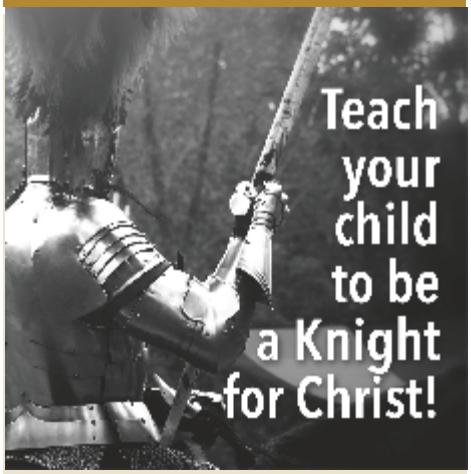
NOW ENROLLING



We Are the Knights!

When you baptize your child, you are embarking on a lifelong mission to form your child in the image and likeness of Christ. Enrolling them in a Catholic school demonstrates further commitment to the moral responsibility placed upon all the faithful to help each other get to heaven.

At St. Dominic Catholic School, we are the Knights! We strive to be courageous in our efforts and humble in our accomplishments. We honor history for it informs us but embrace the present to prepare for the future. We have a legacy to uphold and a path to forge.

St Dominic Catholic School is now enrolling K3 through Grade 8 for the 2021-2022 school year. We continue to provide face-to-face instruction in a tradition of humble excellence. Contact our principal, Mrs. Jill Fischer at 262.783.7565, Ext. 271 or jill.fischer@stdominic.net.

LENTEN SERIES FOR KIDS

The Interior Castle

As we spend time with Jesus in our interior castle this Lent, the St. Dominic Catholic School Campus Ministry team is encouraging students to get comfortable with being uncomfortable. Each week, we will focus on fasting from one area in our lives, which give us the opportunity to feast in another area. We pray that small, daily efforts compound over this Lenten season so that students are able to embrace the version of themselves as God is calling them to be.

Fast from Sadness to Feast on Gratitude...Fast from Anger to be Filled with Patience.

This week, focus on the good things that God has bestowed upon you. Instead of focusing on shortcomings or being frustrated with aspects of your world you cannot control, focus on being patient and in breathing to get through the rocky moments. Look for the beautiful things in your view and model for others a calming presence, as you choose to feast on patience while you fast from being impulsive, angry, or sad. This week, choose to find joy and peace and ask God to help you embrace a more honest, clear version of the true you.

BUILDING & GROUNDS UPDATE

Parish Arts & Activities Center (PAAC) Beam Replacement

The scaffolding is gone and the beams reinforced. The work was completed safely and quickly allowing us to regain full use of the PAAC during the week and as a church on weekends. Once again, the cause was simply 60 year-old laminated beams drying out. Steel supports have been installed under six of the seven beams. Two were completed in 2009 when the space was the gym. Four were completed in February. The final beam has shorter spans and does not need attention. The steel reinforcement consisted of 3 pieces of steel, each weighing 300-400 pounds, and 32 lag screws 20-28 inches long. Total cost for the repair was approximately $40,000.

A huge shout out to the folks who made the repair and reinforcement of the beams in the PAAC a reality. Thanks to:

- Craig Donze for his generous donation of his engineering knowledge and industry contacts
- Mark Schneider, One Source Construction, for his generous donation of his knowledge, expertise, and acting as the general contractor (and with his family, installing the tarp to protect the curtain and stage area)
- Bob and Lori Kalhagen of Ideal Crane for providing the lifts to us as an in-kind donation
- The folks from Zenith Tech who did the heavy lifting, literally, and installed the supports
- Our maintenance team of Steve and Tom
- The "chair" team for removing and setting the chairs (twice)
- The school community for dealing with the noise, smell, and general disruption
- Building and Grounds and Finance Council for finding the dollars to fix four and not just one
- Anyone I missed who played a role or wants to remain anonymous

ALL OF YOU, for your patience during the process, attending Mass safely while the scaffolding was in place, and your financial support

THANK YOU!

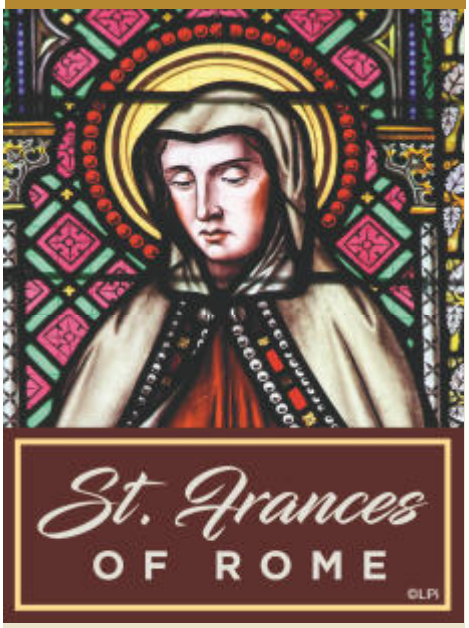
SAINT OF THE WEEK



St. Frances of Rome

Feast Day: March 9
Born: 1384—Died: 1440

At age 11, Frances knew she wanted to give her life to Christ. Her parents however, forced her to marry when she was only 13. Her husband was another noble, Lorenzo de' Ponziani. Her married life and the expectations of her role in the Ponziani family were extremely difficult for Frances. In the fierce civil strife caused by the Great Schism of the Western church, the Ponziani family lost their fortune. In time, Lorenzo came to appreciate Frances' devotion to Christ. With his approval, she founded the Oblates of Mary who work for the sick and the poor. When her husband died in 1436, she became its superior.

It is said that for twenty-three years her guardian angel was visible to her, aiding her in her service.
