Did you know...

The feast day of John Paul II has been decided! Traditionally, the feast of a saint is held on "dies natalis," which is the day of one's death or their "arrival in heaven." John Paul II died on April 2 but that day usually falls during Holy Week. To guarantee the day will be solemnly celebrated every year, the Vatican has decided his day of liturgical memory will be on October 22, the Anniversary day of the Mass for the inauguration of his pontificate.

Mass, Children and Covid
Children and the Delta Variant

Diocese of Tucson

Due to concerns about how the Delta variant might be affecting unvaccinated children, Bishop has suspended the Sunday Mass obligation for families with small children. The Clergy and the Faithful are urged to wear masks to Sunday Mass to protect our families.

Bishop Weisenburger sends a message to volunteers about vaccines

Diocese of Tucson

Bishop Edward Weisenburger sends out a statement to all volunteers throughout the Diocese of Tucson:
https://news.diocesetucson.org/

"I strongly encourage all parish volunteers to be vaccinated and to wear masks while serving at Mass. If for personal conscience reasons you choose not to be vaccinated then I urge you to withdraw from volunteering until our communities pass through this latest surge. Care for Christ found in our neighbor, especially the vulnerable among us, is the critical motivation to take these important steps. May God bless you and keep you safe."

Parish & Community Announcements

Beginning Saturday, July 31, confessions will be heard from 3:30 to 4:30 p.m. in the church cry room, followed by the weekend anticipated Vigil Mass at 5 p.m.

It has been brought to our attention by many concerned members of our community and in light of the New Delta Covid virus variant, we are temporarily implementing certain restrictions with regard to the distribution of Holy Communion. Out of an abundance of caution, we are restricted from distributing the Holy Eucharist on the tongue. Please accept the Eucharist reverently in your hand and then proceed to consume it.

During the distribution of Communion all Eucharistic Ministers and Clergy will sanitize their hands immediately after they receive their own Communion, they will all wear masks and utilize Plexiglass barriers at all stations. This applies to all Masses.

The 5 p.m. Saturday Mass will continue to have all protocols in place, this includes social distancing, and wearing of a mask is highly recommended. Our continued concern for your health and safety is our priority.

We have implemented these measures to try to keep our parishioners as safe as possible. We hope that you will understand and abide by these temporary changes.

IMPORTANT COMPLIANCE INFORMATION

The Diocese of Tucson is rolling out a new 3-in-1 Safe Environment Program in our Diocese through Catholic Mutual Group (CMG).

The CMG 3-in-1 Safe Environment Program allows all Priests, Religious, Deacons, Seminarians, Employees, Educators, Board/Council/Committee Members and Volunteers to use a standard platform across the Diocese to complete the required training, forms, and background check all in one system. This will also allow the Diocese to standardize the clearance memo for all participants, to include clearance for training, forms and the background check using one document that expires every three (3) years. We no longer have to track three (3) separate dates (training date, affirmation date and background check date) as we currently do. We also do not need to continue to load the training, affirmation form and clearance memo into multiple systems and spreadsheets to track the expiration dates across multiple platforms. It all remains as a single file in CMG that is available for you (the participant), the compliance officer and HR Office to share.

As we transition to CMG, we ask that all active Employees, Educators, Volunteers and Board/Council/Committee Members, who are currently cleared and in good standing with the current safe environment program, register and complete the CMG training, required forms and background check (as applicable) no later than November 1, 2021. If your Clearance has expired, or have never applied to volunteer at St. Odilia, and not in compliance, you will need to apply as a "new applicant" through the Diocese website www.diocesetucson.org and will need to get fingerprinted.

Volunteers who are in compliance, and cleared to volunteer, will receive an email with an Invite to Register in CMG either as High Risk or Low Risk Volunteer, or Board/Council/Committee Members Role. Please make sure to check your email regularly because I will begin to send out the Invites and more information. If you have any questions or need to update an email, please contact Martha at saintodiliacompliance@gmail.com

Computers are available to complete your CMG Registration. You are welcome to use one in the Parish Office from 10am-1pm on Thursdays, and in the Education Center on Fridays from 11am to 3pm.

Prayer to Our Lady of Guadalupe

Holy Virgin of Guadalupe, Queen of the Angels and Mother of the Americas. We fly to you today as your beloved children. We ask you to intercede for us with your Son, as you did at the wedding in Cana.

Pray for us, loving Mother, and gain for our nation and world and for all our families and loved ones, the protection of your holy angels, that we may be spared the worse of this illness.

For those already afflicted, we ask you to obtain the grace of healing and deliverance. Hear the cries of those who are vulnerable and fearful, wipe away their tears and help them to trust.

In this time of trial and testing, teach all of us in the Church to love one another and to be patient and kind. Help us to bring the peace of Jesus to our land and to our hearts.

We come to you with confidence, knowing that you truly are our compassionate mother, health of the sick and cause of our joy.

Shelter us under the mantle of your protection, keep us in the embrace of your arms, help us always to know the love of your Son, Jesus.

Amen.
