Dear Parish Families,

I want to thank all those involved with St. Peter's Labor Picnic. A great time was had by all. I appreciate all those who worked this event, sharing their time and talent, and all those who came out to enjoy a wonderful chicken dinner, and the warmth and hospitality of this beautiful place here in Franklin County.

Included in this bulletin is the annual financial report for St. Michael Parish. The one for St. Peter will be included in the next issue of the Quarterly Newsletter. Each parish in the archdiocese operates on a fiscal year that runs from July 1 - June 30. This report is one of the ways that I provide all of you with a snapshot of the financial state of our parishes. Both of our parishes remain on solid financial foundations which is the direct result of your generosity and commitment to our faith communities.

The work on the church at St. Peter's is receiving its final touches with all existing projects scheduled to be completed before the arrival of autumn. At St. Michael's the handicap entrance is now completed and the baptismal font has returned. The only outstanding projects are the restoration of the two paintings of St. Michael and the restoration of the paintings of the two angels, St. Aloysius, and St. Catherine of Alexandria. All of these paintings used to be in the old high altar or side altars of the church. They are scheduled to be completed by the end of this year.

Faith Formation classes at St. Peter resumed a few weeks ago and they start today at St. Michael. It is not too late for parents to sign their children up to receive religious instruction. God bless you.

Fr. Vince

Prayer of the week: Dear God, as summer is coming to a close I want to thank you for the pleasures of the past few months, the bright sunny days and perfect moonlit evenings, the smells of mowed grass and air thick with rain. Thank you for days at the lake and evenings chasing fireflies, for vacations and festivals, picnics and cookouts, baseball and concerts, popsicles, and spending time at the pool. Thank you for the fireworks of thunderstorms, for watermelon sweetness, for summer's pace and summer's grace, for all your beauty and power, faithfulness and the wonders of life displayed in summer. Amen.

LIVE THE LITURGY

Inspiration for the week

Rest in the presence of God simply because God is God and you are you. This is all that is necessary. Out of this relationship will come inspiration, understanding, courage, constancy, truth, and virtues of all kind. We will find ourselves knowing the true meaning of things and developing a depth of insight that is not found following purely human venues. It is God who inspires and opens human hearts to see truth and beauty. In God, we understand all of our relationships with a richer appreciation and come to know who Jesus, who speaks of God's kingdom, really is. The trust that is fostered from resting with the Divine One allows us to see that God's ways are not our ways. There is something bigger going on in this picture of life. It is something mystical and magical that seeks to surprise us at every turn. It is not for us to cling to this world and its limitations. Our adventure is to dream bigger and brighter, realizing that it is even in suffering that the radiant light of the dawn will come. God's ways allow for our paths to be rocky, challenging, difficult, and even crippling at times. Purely human eyes cannot understand the 'why' of such experiences. The eyes and mind of God, however, reveal and detail a journey that ends in glorious resurrection joy. When we lose our axis and become too human in our thinking, Jesus rebukes us and gently reminds us how to see.

Blessed are the clean of heart, for they will see God.
