Prayers for Our Priests

Gracious and loving God, we thank your for the gift of our priests. Through them, we experience your presence in the sacraments. Help our priests to be strong in their vocation. Set their souls on fire with love for your people.

Grant them the wisdom, understanding, and strength they need to follow in the footsteps of Jesus. Inspire them with the vision of your Kingdom.

Give them the words they need to spread the Gospel. Allow them to experience joy in their ministry.

Help them to become instruments of your divine grace.

We ask this through Jesus Christ, who lives and reigns as our Eternal Priest. Amen.

Calling All Singers

As we approach the end of the warm days of summer it is customary that church choirs reconvene and begin anew in September after a summer recess.

The choirs of our three churches are seeking and asking for new members as we resume after the pandemic. Please consider this ministry to sing in a choir or any of the music groups of our three churches and help lead the congregation in song. We welcome young and old.

All that is required is that you complete the Safe Environment Program on line which encompasses very little time. See catholicgalena.com

Remember to sing.....is to pray twice.

Please contact any of the Choir Directors of the three churches if willing to sing and join in this spiritual ministry.

August 22, 2021-21st Sunday in Ordinary Time

"Far be it from us to forsake the Lord for the service of other gods." We struggle with our gods. They appear in the forms of things like money, power, prestige, popularity, privilege, and self-fulfillment. We like these "gods" because they make us feel good and ask very little of us in return. When we worship them, we worship ourselves. How can you go wrong with that? We buy into the illusion that if something can give us a comfortable life, free of want and need, then it is worth setting other things aside to pursue it. In essence, we sell our souls. Our struggle with "who is God" and to whom do we belong is a real one and one that can easily find us empty and experiencing disillusionment.

The devil tempted Jesus in the desert and promised him more. We are promised "more." But in pursuing the more and the satisfying we lose track of the cost, and the cost is great. We sacrifice our very life in pursuit of something disguised as life. We sacrifice truth for something that only "feels" true. While the true and real God certainly promises us many things, many things are also required. It is not about the warm and secure feelings and self-absorption the world wants to provide, but of giving back. There can be no lukewarm stance with regard to faith. If we are in, then faith in Jesus Christ asks us to do some difficult things: work in service of God's kingdom (not our own), love our enemies, offer no resistance to injury, that we must die to ourselves in order to find ourselves, and trust that Jesus truly gives us his flesh and blood to eat and drink. These are hard things to accept and even harder to put into practice. It is no wonder that many, who may be attracted to Jesus at first, walk away in pursuit of the more self-satisfying gods.

But truth is truth. If we cannot accept it from the lips of Jesus Christ, then where else will we find it? To whom can we go? There is only one source of truth and life, Jesus Christ. Jesus has the words of eternal life and if we do not go to him, then where else will we find this gift? But we must be faithful and buy into the whole package deal that requires sacrifice and fidelity. When we do, we find ourselves, through the Body and Blood of Christ, connected to the Source of all life and then intimately bound with our brothers and sisters. We all have to decide whether we want to stay or go and if we can accept what Jesus has to say. It's a choice we all have to make. ©LPi

RESPECT Life

Intercessions for Life
August 22nd-21st Sunday In Ordinary
For all Catholics: That we may steadfastly proclaim and uphold the dignity of all human life, in all stages and circumstances;

We Pray to the Lord

Sharing the Gospel with Children:

After Jesus compared himself to manna, and said that he was sent from heaven, many of his followers turned away from him. They just could not accept what Jesus was saying. It was too hard for them to understand. We have something they did not have. We have the Holy Spirit to help us. Sometimes what we learn might be hard for us to understand, too, but we never need to walk away. We can have faith in Jesus. We can ask him to help us.

Prayer
Dear God, give me the faith to trust Jesus always. Amen.

Something to Draw
Draw a picture of yourself next to Jesus.

Mission for the Week
Have you ever learned something about God that was hard to understand? Talk about it with your family, and together pray for each other. Ask the Holy Spirit to help you learn what God wants you to.

Greetings!

Hope you are all doing well and enjoying the final few weeks we have left of this beautiful summer weather. If you know of any friends, family, or neighbors who have not yet registered please direct them to our parish website to accomplish this important task.

As previously mentioned, the year's first class and book pick-up will take place at our Parish Picnic on Sunday September 12th to be held at Rec Park in Galena. Attendance is expected! Guaranteed to be a fun time for all.

Please if you have not already done so go to the Parish website and register your family! This way we know how much food we need to order!

Picnic Schedule
10:30- Mass in the Park
11:30- Students meet their teachers and book pick-up
12:00- Games and Group Activities

I am looking forward to meeting you all!
