## Flock Notes

What Parishioners are saying:

- *The hardest thing I've ever given up for Lent is the sleep I desire, but don't need. Setting my alarm for 1.5 hours earlier than I need to get up was difficult, but very rewarding and the time spent in prayer has changed my life.*
- *Years ago I stopped dropping things during Lent (fasting, TV., etc.) and it wasn't until I started adding things (Scripture, additional masses, etc.) that Lent brought me closer to God and his ways. Now I understand what it means to "see the face of Jesus in other people" and how rich a person's life becomes when they go out to do works among the poorer of our society. Thanks!*

Being a part of Flock notes is as simple as making sure the parish office has your email address and /or your cell phone number. You can unsubscribe at any time.
