WHERE DID THE FEAST OF **DIVINE MERCY COME FROM?**

If you were born well before the year 2000, you know the feast of Divine Mercy has not always been celebrated in the Church. In the early 1900s, a young Polish nun began receiving private revelations. Jesus appeared to her during her times of prayer, speaking a message of mercy and love for the world. She received a set of prayers — the Divine Mercy Chaplet — and the request to have a feast day established to remind the Church of the mercy of God. St. Faustina died in 1938, on the cusp of war and in the midst of one of the most violent centuries in the history of the world.

Her story and her diaries began circulating in Poland and beyond. It quickly became apparent that this was a holy young women, and the cause for her canonization opened. In the year 2000, she was canonized by the first-ever Polish pope, St. John Paul II. On her canonization day, he established the second Sunday of Easter as Divine Mercy Sunday, "a perennial invitation to the Christian world to face, with confidence in divine benevolence, the difficulties and trials that mankind with experience in the years to come."

There is a plenary indulgence available on Divine Mercy Sunday when the faithful fulfill these conditions:

- Go to confession within 10 days before or after Divine Mercy Sunday,
- Receive communion (within the 10 days before or after Divine Mercy Sunday),
- Pray for the intentions of Pope, and

On the Second Sunday of Easter or Divine Mercy Sunday, in any church or chapel, in a spirit that is completely detached from the affection for a sin, even a venial sin, take part in the prayers and devotions held in honor of Divine Mercy, or who, in the presence of the Blessed Sacrament exposed or reserved in the tabernacle, recite the Our Father and the Creed, adding a devout prayer to the merciful Lord Jesus, e.g. 'Merciful Jesus, I trust in you!' FORMED OFFERING ON DIVINE MERCY

FORMED is a Catholic 'On Demand' website with amazing content to learn and enjoy our beautiful faith. St. Elizabeth Seton Parish has purchased a parish-wide subscription, so this is free for our parishioners!

Divine Mercy 101 with Fr. Chris Alar, MIC: Divine Mercy is the urgent message of hope for our world. Learn the powerful devotion and graces associated with it in this dynamic presentation with Fr. Chris Alar, MIC, filmed live at the National Shrine of the Divine Mercy in Stockbridge, Massachusetts. Divine Mercy 101 provides a clear and concise overview of Divine Mercy and the role and mission of St. Maria Faustina Kowalska (1905-1938), the apostle of Divine Mercy whom St. John Paul II called "a gift of God to our time." Those who are new to Divine Mercy as well as those looking to achieve an advanced level of knowledge will find this presentation ideal. The instructional format makes it perfect for religious education classes, prayer groups, and individuals. Jesus told St. Faustina, "Mankind will not have peace until it turns with trust to My mercy."

EVERY CHILD A **WANTED CHILD**

Prior to the legalization of abortion, advocates for abortion held out the panacea of the elimination of "unwanted children" if only abortion was legal. In fact, it was Planned Parenthood, which led this charge, coining the familiar slogan, "Every child a wanted child". Even though some 60 million "unwanted" babies have died in the intervening period, the pro-choice lobby still uses this argument to justify abortion.

In the 1960's and 70's the pro-choice position was that legalizing abortion would drastically reduce child abuse. America legalized abortion, and child abuse has skyrocketed. Yet, despite this staggering increase in child abuse, the pro-choice lobby continues to tie itself in knots by now arguing that making abortion illegal would cause an increase in child abuse!! How many more millions of children do we have to kill before their scheme starts to work? We all agree that every child should be wanted. This is an idealistic goal, but sadly we do not live in an idyllic world.

Moreover, since when does anyone's right to live depend upon someone else wanting them? Women rightfully resent that the value of a woman is sometimes determined by whether a man wants her. How can anyone possibly insist that the value of an unborn baby is to be determined by whether a mother wants him or her at any given time? To use being wanted by someone as a measure of whether a human life can live is a truly frightening concept. Its converse logically awaits us: that the unwanted can be eliminated. Don't forget that Hitler's Germany was ideal for wanted Aryans.

To make sense, the slogan: "Every child a wanted child" has to be completed "and if not wanted, aborted." To complete the sentence removes the mask from this misleading slogan and reveals it for the evil that it is!

Campus Expansion Program

Forty is Fabulous!

Join us in celebrating 40 Years of Excellence in Catholic Education!

In 1981, St. Elizabeth Seton Catholic School was hand-built through the loving hands of parishioners who wanted their children to have a quality faith-based education. Named in honor of the first American born saint and in keeping with her virtues of faith, discipline and love, the school was founded as an extension of the teaching mission of St. Elizabeth Seton Church. From our humble beginnings, the philosophy and commitment to the tradition continues.

St. Elizabeth Seton School has a proud history as a family-oriented community where students in Grades PK3 through 8 build a strong academic and spiritual foundation in a supportive and caring environment. Our graduates are known to be upstanding, successful citizens who give back to their communities. Now in our 40th year, our enrollment is strong and growing, but we are running out of space! We need additional classroom and administrative space to properly meet the needs of our students and families. That is why we have established a ***Campus Expansion Program***. Our goal is to raise $600,000 by the end of 2021. We are already on our way with $200,000 in hand and a donor who will match up to $50K raised through the end of May!

Will you help us grow and continue the legacy begun 40 years ago with a one-time or monthly gift of $40, $400, $4,000, $40,000, or any amount? Giving is not just about making a donation, it is about making a difference. Thank you for your prayers, help and support in meeting our goals for much-needed campus improvements and expansion.
