"I will be their God and they shall be my people." JEREMIAH 31:33

What does it mean to be God's people? It means we recognize that everything we have and everything we are belongs to God. We aren't "owners" of anything, we are merely "stewards" of the gifts God has given us. It means we are willing to use our gifts and our lives to care for our family, our neighbors, and for people we don't know, just as God cares for each of us.

Roof Update

Spring is quickly approaching, which means the final work on the new roof will be able to be completed! Upon completion, our final payment of approximately $81,000 will be due to Kulp's of Stratford. We currently have $10,000 remaining in the roof fund and continue to accept contributions into the fund. Any contributions we receive will reduce the amount the Parish needs to pull from reserve funds to make that final payment. If you would like to contribute toward that final payment, please include a note or memo stating "ROOF" when submitting your contribution, or email smastalish@stedwardisidore.org with any specific instructions. Thank you for your generous support of this project!

Thanks

A special 'thank you' goes out to Chris Glinski for repairing the decorative cross that adorns our big flower pot by the entrance of the church door. Chris quickly welded the broken cross back together so it would be available for Easter. Thanks again Chris!

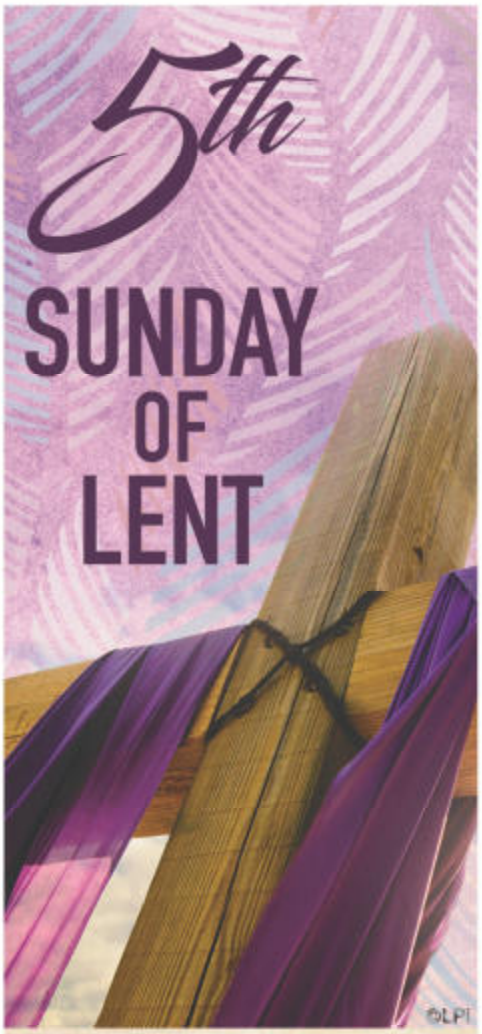
LIVE THE LITURGY

Inspiration for the week

How do we convince people that God's law is written upon their hearts? God is wedded to God's people. This is a simple and fundamental fact of life. Yet, many ignore this truth and carry on as if they, or humanity as a whole, are the center of the universe. As a grain of wheat has to fall to the ground and die in order to become what it really is, we too must die to our secular images and ideas of ourselves so that we can become who God really made us to be. If all of us kept our focus on God's deep bonded love with human beings, indeed with our very self, then there would be no need to teach others this fundamental life lesson. They would simply know this truth, as Jeremiah tells us. Somehow, perhaps through original and personal sin, we have lost sight of this reality. We have lost our way and our axis. It is time to find our way back, to learn the virtue of obedience, to pay attention to what God is saying and become aware of the Divine Love that is the reason for all creation. Then, even in our darkest hour when all may seem to be lost, we can say as did Jesus, the model of obedience, "Father, glorify your name," By this perseverance, people can come to know the Lord and what God has done.



"Bloom where you are planted."

– ST. FRANCIS DE SALES

Knowing CPR Can Help Save a Life!

CPR stands for cardiopulmonary resuscitation. CPR is a procedure that combines chest compressions and ventilation and is used during a cardiac or breathing emergency. Have you been thinking about getting some training in CPR? If so, now is a good time to put that plan into action.

WHY DO WE DO THAT?
Catholic Life Explained:

Question:
What is spiritual communion, and do you need to be in a state of grace to receive it?

Answer:
The practice of making a "spiritual communion" dates back several centuries and St. Thomas Aquinas described it as "an ardent desire to receive Jesus in the Holy Sacrament and a loving embrace as though we had already received Him." Traditionally, a prayer of spiritual communion has been used by those who are unable to receive sacramental communion because of health, inability to attend Mass, or who cannot receive communion because of grave sin. This practice has been encouraged by many saints and spiritual writers and most recently Pope Francis encouraged the practice when the realities of the COVID-19 pandemic prevented so many Catholics from taking part in the Mass or receiving sacramental communion.
Although the graces offered in spiritual communion are not the same as those offered in the sacramental communion of the Mass, this practice is still a powerful opportunity to express our desire for union with the Lord and to be united with Christ and the Church, even in an imperfect way.
