Solemnity of Our Lord Jesus Christ, King of the Universe

OUR LORD JESUS CHRIST, KING OF THE UNIVERSE

"Amen, I say to you, whatever you did for one of the least brothers of mine, you did for me." - Mt 25:38-40

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

At the end of time, the ones who neglected God will claim ignorance.
"We never saw you!" they'll insist.
But God is everywhere, making Himself known in every time and place.
We can see Him, respond to Him — or we can look the other way.
Which will we choose?

Dear Parishioners of Divine Mercy and Nativity of the Lord,

As we approach the end of our liturgical year and celebrate the *Solemnity of Our Lord Jesus Christ, King of the Universe*, we are reminded that Christ must remain at the center of all we do. The following week, we begin the season of Advent and a new liturgical year—a season of hope, anticipation, and new beginnings. It seems fitting that we find ourselves preparing for a new chapter in the life of our two parish communities.

Beginning January 1, 2027, Divine Mercy and Nativity of the Lord will enter into a new collaboration, sharing a pastor and staff between our two parishes. It is important to remember that this is *NOT* a merger. We will remain two distinct parish communities, each with its own identity, traditions, history, and sense of community. While we will share pastoral leadership and staff resources, both parishes will continue to be places where people encounter Christ, grow in faith, and find a spiritual home.

This collaboration is an opportunity to share our gifts, learn from one another, support one another, and celebrate each other's joys and accomplishments. Each parish brings unique strengths, experiences, and traditions to this relationship, and we have much to offer one another.

As Catholics, we belong to the universal Church. Though we are two parishes, we are one in Christ, united in the mission of the Church: to give hope, serve others, and spread the Good News of the Gospel. This mission does not belong to the pastor or parish staff alone. It comes from each of us as members of the Body of Christ. We all have a role to play, and each of us brings unique gifts and talents that help build up God's Kingdom.

This arrangement will require flexibility, patience, understanding, and grace from everyone involved. There will undoubtedly be adjustments and challenges along the way, and we must be willing to extend those same courtesies to one another as we navigate this new relationship.

As we enter the busy seasons of Advent and Christmas, let us also prepare our hearts for this new beginning through prayer. This is an opportunity for both communities to grow and thrive by discovering all that we can accomplish together. Neither community should expect everything to remain exactly as it has always been. Growth requires flexibility, cooperation, and a willingness to move forward together.

The staff, leadership, and I look forward with open hearts to serving the people of both Divine Mercy and Nativity of the Lord. We ask for your prayers, your patience, and your willingness to embrace this new chapter with faith and enthusiasm. Let us pray for one another, encourage one another, and remain open to the guidance of the Holy Spirit.

As we celebrate Christ our King and prepare to welcome Him anew this Advent, let us trust and remember above all that the Lord is guiding us. As Matthew 6:33 reminds us: *"Seek first the kingdom of God and his righteousness, and all these things will be given you besides."*

May we keep Christ at the center of this journey, trusting that He will guide us, strengthen us, and lead us toward a future filled with hope and possibility. May God bless us all as we take this next step together. As the prayers go up, blessings come down. *Maranatha!*

In the Eucharistic Lord,

Fr. Joe, MCBS

Stewardship Generosity

"...whatever you did for one of the least of my brothers, you did for me." – MATTHEW 25:40

TIME • TALENT • TREASURE
Stewardship
A WAY OF LIVING

Most of us are generous when it's convenient for us. We are generous when we have the time or the money. But, real stewardship generosity is the opposite of that. It means giving of one's time, money, compassion, forgiveness or mercy when it's not convenient to us, when it's not on our schedule, but on the other person's timeline.

How will you practice generosity?

As you go about preparing for the holidays, don't forget the reason for the season! Join us in giving thanks and praise to God for all His blessings in our lives!

Open Door Cafe, located downtown at The Cathedral of St. John the Evangelist, is the only free hot lunch in Milwaukee, serving the homeless and working poor in downtown hot and cold lunches Sunday through Friday and cold lunches on Saturday. They serve 39,000 lunches yearly. They provide a warm place of respite in the winter months and a cool place to rest in the summer's heat. They also distribute hygiene kits and have a free clothing room. These homeless poor are our brothers and sisters in Christ.

Thank you for your generosity.
