Virtual Support Group

The ADRC of the Lakeshore offers a Virtual Support Group for those caregivers providing care and support for a loved one 60+ years of age. Caring for a vulnerable person is difficult in the best of times. During these uncertain times, Caregiver's can struggle even more with loneliness and isolation. The Virtual Support Group can offer a chance for everyone to connect with, and learn from, others navigating some of the same struggles and emotions while on this caregiving journey.
Here at the ADRC we understand not everyone has the ability to join a Virtual Support Group in the same manner. You have the ability to join by computer or laptop, smartphone, cell phone, tablet or simply join us by using your landline phone at home. Video participation is available for those interested but this option is not required.
The ADRC of the Lakeshore uses the web/app based service called BLUEJEANS. The support group meets the 2nd Wednesday of each month from 1:15pm – 2:45pm. To receive call-in/log-in information, and how to use BLUEJEANS, please contact our office at 1-877-416-7083 and ask to speak with Ariel Yang.

While they were eating, he took bread, said the blessing, broke it, gave it to them, and said, "Take it; this is my body." Then he took a cup, gave thanks, and gave it to them, and they all drank from it. He said to them, "This is my blood of the covenant, which will be shed for many." - Mk 14:22-24
