Pastor's Letter 2

Dear parishioners of Holy Archangels Parish,

In the bustling streets of Jericho, amidst the noise of the crowd, a solitary voice rose above the rest: "Jesus, Son of David, have pity on me!" This voice belonged to Bartimaeus, a blind beggar whose unyielding faith would not be silenced. Bartimaeus, though physically blind, possessed a profound spiritual insight. Bartimaeus recognized Jesus as a healer and the Messiah, the Son of David. His persistent cries for mercy reveal a heart desperate for change, a longing for restoration that was beyond mere physical sight. His story is a testament to the transformative power of faith, a beacon of hope for all of us seeking spiritual insight and healing through faith.

Despite his emotional pleas, the crowd tried to silence him, urging him to be quiet. This moment serves as a poignant reminder of the obstacles we face in our own lives when we seek Jesus. Like Bartimaeus, we may encounter discouragement from those around us. Yet, Bartimaeus persisted, shouting even louder, demonstrating unwavering faith in the face of adversity. His unwavering persistence encourages us all, reminding us that our faith journey may be challenging, but it is worth the effort. When Jesus called Bartimaeus to Him, the blind man threw aside his cloak and sprang up, illustrating his readiness to embrace the change that Jesus offered. In his request, "Lord, I want to see," we find a powerful affirmation of faith. Bartimaeus did not merely seek physical sight but a deeper understanding and connection with God. Jesus responded to Bartimaeus with compassion, saying, "Go, your faith has healed you." In that moment, Bartimaeus received not only his sight but also the fulfillment of his faith. This healing highlights the transformative power of our faith journey.
As we reflect on Bartimaeus's story, we are invited to examine our lives. What do we seek from Jesus? Are we bold enough to ask, "Lord, I want to see"? Whether clarity in a difficult situation, healing from pain, or deeper spiritual insight, Jesus invites us to bring our needs to Him. Bartimaeus's story is a powerful reminder that true sight is more than physical vision; it is a spiritual awakening to the presence of God in our lives.

New Leadership and Growth in Our Parish School
We warmly welcomed our new principal in July, and I want to thank everyone for supporting our Parish school. Our new principal and staff inspire students and are attracting more students to Catholic education. Thanks to his leadership, we have seen increased enrollment in our Parish School, a testament to the vibrant education we provide.

To deepen community ties and enhance students' spiritual and educational experiences, the school board has launched many initiatives. This initiative is centered around fundraising efforts, engaging activities, and spiritual programs designed to foster a sense of belonging and participation in the Parish. Fundraising plays a pivotal role in supporting our Parish school. With the increased enrollment in the school, we are delighted to announce that the school deficit has decreased substantially. Please participate in our school as best you can with your financial support.

Children's Ministry Mass
The School spirituality team, in conjunction with Religious Education, is planning various initiatives to involve young families in the life of the parish. A vital component of the initiative is the establishment of a dedicated Children's Ministry Mass. This monthly Mass, rotated between St. Matthew and St. Hubert, is designed to engage younger parishioners. The Mass includes the music and readings provided by the children.

The Children's Ministry Mass we are starting is more than just a service; it is an opportunity for our young parishioners to engage actively in their faith. Their participation as choir members, greeters, ushers, and altar servers fosters a sense of belonging and helps them grow spiritually. As we nurture our children's gifts, we look forward to more opportunities for them to lead and serve in our parish community. Thank you for participating in this joyful celebration and supporting our Children's Ministry!

Strengthening Parish and the school Community
The school board's initiative is more than just a series of events; it represents a holistic approach to community building within the parish. The initiative aims to create an environment where families feel valued and connected to the broader parish family. As parents become more involved, they contribute to their children's growth and development and enrich their parish life. This collaborative spirit cultivates a thriving community where faith, education, and service harmoniously. The school board's initiative is a commendable step towards strengthening the bond between the school and the parish. By promoting fundraising, family activities, and spiritual involvement, it seeks to empower parents and children alike. In a world where community connections sometimes feel fragmented, this initiative is a hopeful reminder that we can build a vibrant, supportive, and faith-filled environment for our school and Parish.

New Music director for Holy Archangels Parish
We are thrilled to share some wonderful news with you! After an extensive search and careful consideration, we are pleased to announce the hiring of our new Music Director, Michel Domingue. He will be joining us on the first weekend of November and brings a wealth of experience and passion for music ministry.

We also want to take this opportunity to express our heartfelt gratitude to Chris Severin, who has served as our interim Music Director. Chris's dedication and leadership have been invaluable during this transitional period, and we are grateful for his commitment to our parish community. Chris will officially have a farewell reception immediately following the 10:00 AM Mass at St. Hubert Church on Nov 3rd. Please join me in welcoming Michel Domingue to our parish and in thanking Chris Severin for his service. We look forward to the beautiful music and new experiences that await us!

ELECTION 2024

Weigh Your Conscience Before Casting Your Ballot

On November 5th, 2024, all Americans eligible to vote will have the opportunity to shape our form of government for the next 2 years and beyond. In the midst of the commotion surrounding elections, especially presidential races, it is worth taking time to reflect on how fortunate we are to live in a country where we are able to choose our leaders.

Before casting our ballot, we have the obligation to reflect on the issues affecting our state and our nation. To help guide us on the particular issues of concern to the Catholic Church, we offer the following as a reminder.

Millions of dollars are spent trying to influence how you will cast your ballot, so it is up to each of us to both form and inform our conscience by recalling the heart of the Gospel and the teachings of Jesus Christ.

What do we mean when we refer to "conscience?"

According to the Catechism of the Catholic Church, "Moral conscience, present at the heart of the person, enjoins him at the appropriate moment to do good and to avoid evil. It also judges particular choices, approving those that are good and denouncing those that are evil. It bears witness to the authority of truth in reference to the supreme Good which the human person is drawn, and it welcomes the commandments. When he listens to his conscience, the prudent man can hear God speaking." (1777)

The U.S. Conference of Catholic Bishops has re-issued its document, ***Forming Consciences for Faithful Citizenship***, which may be found at:
https://www.usccb.org/issues-and-action/faithful-citizenship/upload/forming-consciences-for-faithful-citizenship.pdf

This note will not tell you who to vote for, but it will help you to reflect on the issues and the person that can best promote the common good for each office. **We ask that you keep in mind the following questions that stem from the seven themes of Catholic Social Teaching.**

- ✓ Does the Candidate work to protect sacred human life from conception to natural death? Does the candidate oppose abortion, physician-assisted suicide, human cloning and racism? These are all evils that must be guarded against and avoided.
- ✓ Does the candidate care for God's creation? Does the candidate support policies that protect the planet and understand the importance of our stewardship of the Earth?
- ✓ Does the candidate recognize traditional marriage and family as the central social institutions that must be supported?
- ✓ Does the candidate recognize that every person has a fundamental right to life and to those things required for human decency, including food, water, shelter, employment and healthcare?
- ✓ Does the candidate embrace all those in greatest need who deserve our preferential concerns, such as children, the disabled, the elderly, refugees, the unemployed and the poor?
- ✓ Does the candidate recognize policies that promote basic rights for workers, such as fair wages, workplace safety, collective bargaining, and the right to private property and economic initiatives?
- ✓ Does the candidate recognize that whatever our national, racial, ethnic or ideological differences, we are all our brothers' and sisters' keepers? We must all work to create unity through dialogue and a civil discourse that is respectful to others.

Helping Hands Ministry

We'd like to believe that when needing support, we all have a family member or friend close by to help out. Unfortunately, this is not always the case. Or perhaps a great deal of support is needed requiring more support than family members are able to provide. The Helping Hands Ministry was formed to assist members in our parish, **free of charge**, in various ways:

- Rides to appointments, grocery store, mass
- Relieving a caregiver by sitting with homebound family member
- Handy work or yard work
- Housework/cleaning
- Meals for those recovering from illness
- Just ask!

To request assistance or to volunteer, please contact St Hubert's front desk: 847-885-7700 ext. 102 and your request will be shared with the Helping Hands Coordinator.

We want to thank all those who participated in our Parish logo contest. Thank you for sharing your time and talent, a true example of stewardship. All the submissions were very impressive!

That being said, we would like to express a special thank you to Eugene and Cathy Bellini for creating our official Parish logo.

The logo has a modest appearance, yet rich in detail, signifying the three Holy Archangels: St. Gabriel, St. Michael and St. Raphael.

Thank you, Eugene & Cathy!

Gospel Meditation

Encourage Deeper Understanding of Scripture

Near my house there is a school for the blind. Often, I see blind people learning how to navigate the world with only a walking stick, even on a busy street with roaring traffic. I'm amazed to see how adept and carefully they get around without sight. Nevertheless, often a sadness arises in me that he or she cannot see all the beautiful colors, images, and persons filling the world around them. Those days, I find myself deeply grateful for the basic privilege of sight.

That's part of why the mystery of Jesus as the sight-giver is so moving to me. This week, it's wonderful how Bartimaeus the blind man is no longer content with his limitation and bellows out his desire for Jesus' mercy. In beautiful simplicity, he cries out to the Lord, **"Master, let me receive my sight."** Jesus quietly heals his sight. And off he goes, fully taking in the world around him. Imagine the delightful new way in which he is able to respond to the world.

Like blind Bartimaeus and the courageous people in my neighborhood, we may be able to get around reasonably well in our daily lives. But we are blind to the gestures of heroic love of people close to us. We can't see the desperate need of the hungry, thirsty, imprisoned, exploited, endangered, and so on, in our midst. We can't see Jesus drawing near to us in so many ways, but he is. This Sunday let's cry out to him: Lord have mercy on me! I want to see! And little by little — or perhaps in a flash — we'll see once again, or perhaps for the first time.

— Father John Muir
