LIVE THE LITURGY

Inspiration for the week

The immensity, scope, intimacy, and pervasiveness of God's presence is too intense for the human mind. We often limit God by our expectations of Him and have a hard time just letting God be God. Some people all too easily lose faith because God does not meet their expectations. Worse still, the idea of faith is rejected altogether by others because of polarities and experiences they have that don't square with who they need God to be. The Holy Trinity is one of those teachings that is best encountered rather than dissected. It is only through being present with the Trinity that we can experience both the immensity and otherness of God's presence as well as the intimacy of the God who wants us to call Him "dad." We feel the loving guidance of a God who wants to take us from fear and give us confidence. Our God of yesterday, today, and tomorrow is a God of all ages whose three-fold Presence invades all senses, seasons, and times. God, who is Father, Son, and Holy Spirit, is much more than any of our expectations if we simply let God be who God is.

QOP
CATHOLIC SCHOOL

"A child's education is vital to his or her success in life, as is their religion and faith.

"Queen of Peace school enriches their students' lives by providing a strong faith base, plus an outstanding top-notch education. Queen of Peace has helped my children plant those roots in religion (which I am extremely thankful for) and has provided them with the academic tools they need to have an exceptional educational outcome.

"The staff...oh the staff...is there any better honestly??? The staff is so caring, smart, loving, and extremely giving. They have so much devotion to these children and the school. I am so grateful for this school, the staff, Father Fish, and the close-knit community that makes up this wonderful Mighty Stars team!!"

Faith FORMATION

Making disciples at Queen of Peace

At Queen of Peace we are working to build a culture of discipleship. We want it to be normal for every member of our parish community to be connected to some form of discipleship group. Supporting and equipping the faithful of our parish to form small groups where relationships are strengthened is at the heart of our Discipleship Formation. Over the past year we have been developing resources and training leaders to fulfill our mission of making disciples.

Only the beginning

As more members of our parish begin to take part in our mission, we will begin to see more people being lovingly drawn deeper into their Catholic faith. We will become a parish where people feel more welcome and connected when they walk through our doors and we will have people in every state of life who are actively reaching out to our wider community and sharing their faith confidently within their circle of influence.

Current Discipleship Groups that you can join for Lent

Men's Group—Wednesdays at 8:00 pm at KC Hall
Women's Group—As scheduled

If you are interested in starting a discipleship group or would like more information about these or other groups, please fill out one of our small groups surveys, which can be found in the parish gathering space and drop it in the offering basket or contact Rebekah Swanson.

"The Spirit itself bears witness with our spirit that we are children of God, and if children then heirs, heirs of God and joint heirs with Christ....."
Romans 8:16-17

If we are heirs to the kingdom of God, shouldn't we work to build up His kingdom? Shouldn't we be good stewards of our inheritance, using our time in prayer, our talent in charitable works and our treasure to care for the Church that God has left to us? Out Church is a treasured heirloom from God. Dow we treat it that way?
