OUR MISSION

Mary, Mother of the Church parishioners are called to be the People of God, formed by the Holy Word and nourished by the Holy Eucharist. We joyfully share our faith and gifts of time, talent, and treasure. We are committed to serve all God's people in the building of the Kingdom.

Lenten Regulations Lent begins on Ash Wednesday, Feb. 17. Lenten regulations are:

1. Catholics who have celebrated their 14th birthday are to abstain from meat on Ash Wednesday, all Fridays in Lent, and Good Friday.

2. In addition to abstaining from meat, Catholics who have celebrated their 18th birthday, until they celebrate their 59th birthday, are to fast on Ash Wednesday and Good Friday. Those who are bound to this regulation may eat only one full meal. Two smaller meals are permitted if necessary to maintain strength according to one's needs, but eating solid foods between meals is not permitted.

Ash Wednesday Mass with Distribution of Ashes will be at Noon and 5:30 PM on Feb. 17. There will be no 7:30am Mass. The noon Mass will be livestreamed. KQEG will broadcast Mass at 4:00pm.

Holy Trinity Parish will offer Mass at 8am and 7pm.

Distribution of Ashes The Congregation for Divine Worship in Rome recently released the following instructions for the distribution of Ashes during the present pandemic conditions: "The Priest says the prayer for blessing the ashes. He sprinkles the ashes with holy water, without saying anything. Then he addresses all those present and only once says the formula as it appears in the Roman Missal, applying it to all in general: 'Repent, and believe in the Gospel', or 'Remember that you are dust, and to dust you shall return'. The Priest then cleanses his hands, puts on a face mask, and distributes the ashes to those who come to him or, if appropriate, he goes to those who are standing in their places. The Priest takes the ashes and sprinkles them on the head of each one without saying anything."

The US Bishops' Committee on Divine Worship continues: "These changes minimize the necessity of physical contact between minister and recipient and remove the need for the minister to speak while in close proximity to the recipient. The distribution of ashes via sprinkling is a common practice in some countries but is not well known here. Therefore, the Committee encourages ministers to provide some explanation to the faithful, to avoid unnecessary confusion."

As the Bishops' Committee on Divine Worship notes, while sprinkling ashes upon the top of the head is not customary in the United States, this legitimate manner of giving ashes is practiced in other countries around the world. The Ash Wednesday texts from the Missal themselves speak variously of ashes "put on our heads" "receive[d] upon our heads," and "place[d] on the head." The practice also recalls Old Testament accounts of "the Israelites gathered together while fasting and wearing sackcloth, their heads covered with dust" (Nehemiah 9:1)

2021 MMOC Spiritual Renewal Days: "Going Deeper into our Identity: Making Progress in the Spiritual Life." This three-part series on March 1-3 (Mon-Wed) at 6:30 PM will be led by Terry Bell who is a member of the parish in the midst of his fourth year of formation to become a Permanent Deacon for the Diocese of La Crosse. He and his wife, Johanna, have been married for 14 years. They have four daughters: Felicity (13), Lydia (10), Faustina (7), and Sophia (1). Terry was not raised in any particular faith but had his conversion when he encountered God as a young adult. Soon after, he entered the military and was a member of several evangelical Christian communities before our Lord led him into the Catholic Church at age 23. Terry began to hear the call to a different mission after completing his second active-duty enlistment. Upon leaving the military, he studied theology and catechetics at Franciscan University of Steubenville, earned his degree, and became a FOCUS missionary. Currently, he is helping young adults at the University of Wisconsin - La Crosse to have their own encounter with God.

"Going Deeper into our Identity: Making Progress in the Spiritual Life" will show how the supernatural progression in the spiritual life is analogous to the natural progression of family life. In this way, the goal is to enrich both one's relationship with God as well as one's relationship with family members (and others). On Monday, we will be discussing what it means to be a son or daughter of our Heavenly Father and how to live this reality as our deepest identity. On Tuesday, we will be looking at how this identity is meant to blossom through intimacy in a spousal relationship with God. There will be an emphasis on the nature of human intimacy and how to achieve it. On Wednesday, the series will culminate in a discussion on spiritual parenthood and bearing fruit through missionary service to others. And, in honor of the Year of St. Joseph, we will be highlighting how St. Joseph modeled each of these stages.

Our Spiritual Renewal Days will be live streamed.

Lent Collection St. Clare Health Mission has been chosen for our 2021 Lent Collection. The mission started 28 years ago to serve the new population of Hmong that arrived in La Crosse. Today it continues its mission by serving the uninsured, underinsured, at-risk, and vulnerable in our community and in the surrounding area. Over the years St. Clare Health Mission has registered and helped over 18,000 clients obtain the health care they need. New initiatives are underway! In conjunction with the Scenic Bluff Clinic of Cashton, mental health and dental services are being set up. In collaboration with La Crosse health care providers, a street medicine team has been providing help to the homeless on a weekly basis. The Health Mission's next goal is partnering with Rotary International and local Rotary

clubs to purchase a Mobile Medical Clinic. This unit will reach persons who are unable to travel to La Crosse. Let's lend our financial support to maintain their good work and to fulfill their new dreams as they reach those among us who are on the margins.

Little Black Books Free Lenten booklets are available this weekend on a first come, first serve basis. These books offer daily, 6-minute reflections on the Sunday Gospels of Lent (Cycle B).

Religious Education

Mite Box Collection This year, Lent takes place from Wednesday, Feb. 17 to Thursday, April 1 while Easter takes place on Sunday, April 4. The Mite Box program and collection for the Missionary Childhood Association is always an important part of the Lenten season. During this pandemic year, Mite Boxes will be made available for the children at the main entrance of Church during weekday and weekend Mass times, as well as in the Parish Office during Office Hours (Tues.–Fri. at 8am–3pm). Please be generous! The Missionary Childhood Association helps finance about 3,000 projects per year worldwide. Children in homes for the disabled, orphanages, refuges, and those living on the streets are assisted by the generosity of children who wish to make the love of Jesus known everywhere. Schools affected by COVID-related mandates world-wide will also need extra funds to continue the education of their students, especially in countries with pervasive poverty. Please return your Mite Boxes during the Easter Season to the Parish Office or in the collection basket when attending Mass.

Confirmation Meeting Our last Confirmation meeting is Sunday, Feb. 28 from 6-7 p.m. Father Konopa will begin the meeting in the church for the first 30 minutes. Parents and/or Sponsors are welcome for this portion in-person or via live-stream. During the remaining 30 minutes, the Confirmation Candidates will be working in small groups in the Parish Hall or opting to participate virtually via a zoom meeting. Please keep our Confirmandi in your prayers!

Building Our Future Together

On January 21 and February 4, we held joint meetings via zoom with the Building Our Future Together Commission, the parish Finance Council, and the parish Pastoral Council to review the updated status and priorities of potential 2021 projects. We also met with the Building Our Future Together Commission in Church on February 9 to review the advisory groups polling results and to discuss the preparations for the 2021 projects. Alec Schwartz, our Project Manager with Fowler & Hammer, joined us at the February 9 meeting to help with questions and discuss some of the project coordination that will be necessary for the 2021 work.

Financially, we project that we will have about $1,015,000 available in 2021 for renovations. The advisory groups recommended we proceed with projects which are estimated at $905,000 during 2021. Summarily, the bundle groups chosen are:

-Complete "Sealing the Building Shell":	$359,444
-Rectory Interior Renovations:	165,385
-Tractor & Broom:	54,800
-Church Interior Renovations:	325,117

In future bulletin articles, we will breakdown each of these project "bundles," identify the component parts, update the cost estimates, and fit them into a proposed timeline. Broadly, we are anticipating a renovation and construction timeframe that may commence around early May and continue until fall, September or October.

The advisory groups voiced two considerations in limiting the 2021 projects. We have successfully been able to "pay as we go" for all the Building Our Future projects and have not borrowed any funds. It was thought best to continue that practice. Second, the Church Interior Renovations and the Rectory Interior Renovations are large in the sense there are several components and there will be some disruption in normal activity. We decided it best not to take on too much in one project cycle.

We are most grateful for your goodness and are thankful for the many gifts and sacrifices you have made to make these repairs and improvements to our parish fabric. THANK YOU!

Please remember to keep our parish and each other in your prayers as we continue to Build Our Future Together.
