Welcome to the Parish of Saint Augustin

Our mission is to give glory to God and seek the salvation of souls by making Jesus Christ known and loved through worship, evangelization, community, fellowship, reconciliation and stewardship.

August 8, 2021

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable.

St. Clare
Feast Day: August 11

But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God's generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special.

The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on a much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

First Reading

The prophet Elijah was exhausted and literally prayed for death. The Lord answered his prayer by sending Elijah food and drink for strength. How do you encourage others in your life who are spiritually drained?

Second Reading

Paul held Christian communities to very high standards of conduct. How well do you think your faith community holds to these standards today?

Gospel Reading

We hear today John's account of Jesus' rejection by his own people. The Jews struggled to think of Jesus as "the living bread that came down from heaven." What are some of Jesus' words that challenge you or cause you to struggle?

St. Laurence, Deacon and Martyr Feast Day - August 10

St. Laurence was one of the seven deacons who served the Church in Rome in the second half of the third century. Three days after the martyrdom of Pope St. Sixtus whom he had served faithfully, Laurence was apprehended by the Roman prefect who demanded from him the treasures of the Church. Laurence instead sold everything and gave the widows, poor, and orphans of Rome the money. He gathered the poor and presented them saying, "These are the treasures of the Church." The perfect was so angry he had a great gridiron prepared and had Laurence's body placed on it. After the martyr had suffered the pain for a long time, legend concludes, he said, ""Let my body be turned; one side is broiled enough." Few martyrs have been venerated so intensely or universally as St. Laurence.
