Thank You

Thank you, St. Thomas parishioners, for your generous donations to the Seminarian Gift Card Fund! The men were overjoyed to receive the multitude of gift cards and the Deacons were especially grateful for the extra cards to be used for their ordination expenses. It brings comfort to these men to know of the support they have from our parish. Please continue to keep them in your prayers as they continue to do God's will!

Prayer before the Blessed Sacrament is nothing less than a close, private conversation with a living person who is the risen Jesus Christ in the Eucharist. It is about as close as we can come in this life to talking with God face to face. You are very important to the Lord, come spend some time with Him.

Sacraments and Devotions

Anointing of the Sick

In the Church's Sacrament of Anointing of the Sick, through the ministry of the priest, it is Jesus who touches the sick to heal them from sin – and sometimes even from physical ailment. His cures were signs of the arrival of the Kingdom of God. The core message of His healing tells us of His plan to conquer sin and death by His dying and rising. The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. Rather, a careful judgment about the serious nature of the illness is sufficient. (www.usccb.org) *The Anointing of the Sick is offered to parishioners who are suffering serious illness on the last Saturday of each month following the 8:00 am Mass, with the next opportunity being next Saturday, February 27.*

Divine Mercy Chaplet

In 1935, St. Faustina received a vision of an angel sent by God to chastise a certain city. She began to pray for mercy, but her prayers were powerless. Suddenly she saw the Holy Trinity and felt the power of Jesus' grace within her. At the same time she found herself pleading with God for mercy with words she heard interiorly. As she continued saying this inspired prayer, the angel became helpless and could not carry out the deserved punishment. The next day, as she was entering the chapel, she again heard this interior voice, instructing her how to recite the prayer that our Lord later called "the Chaplet." This time, after "have mercy on us" were added the words "and on the whole world". From then on, she recited this form of prayer almost constantly, offering it especially for the dying. In subsequent revelations, the Lord made it clear that the Chaplet was not just for St. Faustina, but for the whole world. He also attached extraordinary promises to its recitation. (www.TheDivingMercy.org). *Please join us to pray the Divine Mercy Chaplet in the Adoration Chapel every Friday and Sunday at 3:00 pm!*

Visit the parish website for details about sacraments and all regular devotions at STA.

Stewardship Bit

Gen 9:8-15 / 1 Pet 3:18-22 / Mk 1:12-15

This week we entered the season of Lent. Some people view this as a time of depravation and temptation, which is somewhat negative. Let us, instead, view this season as a time for *fiat* and sanctification. This is a time to turn away from our own sinful ways and turn toward God! In the reading from Genesis, we see Noah, who has just come out of the ark. Noah put aside his situation, built a boat, climbed aboard with his family and a bunch of animals, and he drifted for forty days. He waited for God's signal that all was well. There is nothing logical about this! Noah acted in faith; he surrendered his will to God's. Psalm 25:9 tells us that "[God] shows sinners the way. He guides the humble to justice…" God wants to help us grow, but we have to let Him do so, even if it defies logic. This is *fiat*! So take a moment today, if you have not already done so, to ask God to help you grow as a disciple and as a steward. Ask Him to reveal His plan for your life. Ask Him to help you be humble enough to listen. Ask Him to help you surrender your own will to His.

Monthly Health Tip

February is American Heart Month

Did you know that people who have close relationships at home, work or in their community tend to be healthier and live longer? One reason, according to the National Heart, Lung, and Blood Institute (NHLBI), is that we're more successful at meeting our health goals when we join forces with others.

Why Connecting is Good for Your Heart

Feeling connected with others and having positive, close relationships benefit our overall health, including our blood pressure and weight. Having people in our lives who motivate and care for us helps, as do feelings of closeness and companionship.

Follow these heart healthy lifestyle tips with your friends, family, coworkers, and others in your community and you'll all be heart healthier for it:

Be more physically active.	Maintain a healthy weight.	Eat a nutritious diet.	Quit smoking.
Reduce your stress.	Get enough quality sleep.	Track your heart health stats.	

You don't have to make big changes all at once. Small steps will get you where you want to go.

***Prayer**: Thank you for the gift of community. Help me to encourage and support others. Inspire us all to care for one another and our own health.*
