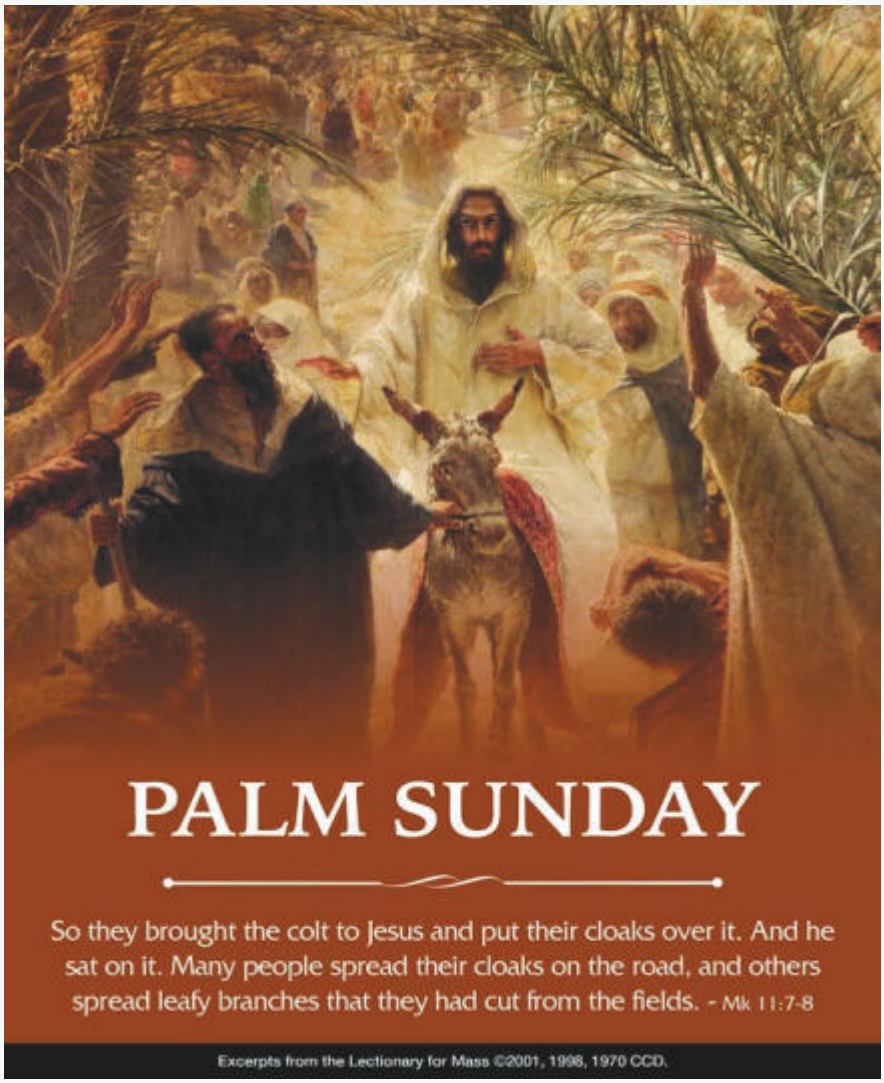
POPE'S INTENTION FOR MARCH
Sacrament of Reconciliation
Let us pray that we may experience the sacrament of reconciliation with renewed depth, to taste the infinite mercy of God.



What is our purpose?
Our MISSION: provide people of God pastoral care & spiritual nourishment to proclaim the GOOD NEWS OF CHRIST in their lives.

GOSPEL MEDITATION

Many struggle with Jesus. Some who consider themselves faithful hail him in their churches but still struggle to figure out what to do with him on our streets. The message is somehow more palatable when it echoes pious renderings and sentiments and involves singing hosannas during worship. It becomes a bit trickier when it gets to the part about changing the way we conduct the business of our lives, becoming more sensitive to the disadvantaged, poor, and marginalized, and living as servants of our Loving Creator. Ultimately, it is a struggle between wanting to be God ourselves and letting God be God as God is. That's why it's so easy to become hypocritical. We, like those who hailed Christ as he arrived in Jerusalem and sent Christ to the cross to die, also talk out of both sides of our mouths. We entertain what suits us at the time and walk away from the rest.

Many neglect God's beautiful creation because they prefer what humans have made instead. Progress isn't seen in preserving and enhancing what God has made but replacing it with something we believe is better and more useful. The earth, flowers, and animals are all expendable if they stand in the way of the "more" we want to achieve. We seek to remove as many obstacles and hurdles as possible in search of the easiest, quickest, and most efficient path we can find. We have created drugs and laws that preserve our free choice, even though it may mean setting aside God's vision and example. Why suffer when we can easily be put to rest? Why endure insult or injury when we can retaliate, eliminate or subdue? Why accept life when it is acceptable to choose otherwise? We want to be God and resist accepting the fact that our real Creator has already given us the blueprints for the life we need to live in the Beatitudes and in the example of his Passion. We don't like being stewards and managers and really want the power to do as we wish and desire. We want to create our own way.

Where has the true, effective Christian voice been through all of the wars and violence, prejudice and unjust conquests, abuse of human beings and attempted extinctions of nationalities, the establishments of procedures and protocols that serve only a few and not the many and all of the injustices and exploitations that are a part of our human history? A few courageous prophets have stood up and out throughout all of the comings and goings of our human journey with many receiving the same fate as the Crucified One we hail this week. Some still walk among us as shining stars showing us how it really can be. How would Jesus' journey have ended if he lived life as we do? Unless we encounter the good with the bad, the just with the unjust, the grace with the sin, the glory with the cross, the death with the life we most certainly risk rendering God obsolete. After all, haven't we already convinced ourselves that we can do better?

2021 VOCATIONS ROSARY CHALLENGE

The Diocese of Superior Vocations team is challenging the faithful of the Diocese to pray the rosary for vocations in 2021! Laity, clergy, and religious are encouraged to take up the rosary to pray for an increase in vocations to the priesthood, religious life, and diaconate. The specific goal for this year will be to pray 1,200 rosaries (100 per month). Progress toward this goal will be tracked by comments made on the Called North Facebook page. If you are praying a rosary as a group, one rosary prayed by the number of group members will equal the number of rosaries (Ex: 10 people praying 1 rosary together = 10 rosaries). Throughout the year, updates will be posted on the Called North Facebook page. Join us in praying the rosary and asking Our Lady to intercede for us with Her Son in 2021.
