LIVE THE LITURGY

God never ceases to proclaim His Word. His life-giving presence continues to sustain all things and keep them in being regardless of whether there is the faith to receive or perceive Him. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be so hard of heart and obstinate that we fail to see what God is trying to do. While God remains ever present, faith is necessary for God's power to bear fruit. As we celebrate our country's independence, let us not forget the difference between liberties and freedom. While the liberties we have are most welcome treasures, only freedom from what blinds, deceives, and weighs us down can bring happiness. God is all about healing, transformation, and hope. In order for God to do what God does best, we have to invite Him in and see Him for who he is. Otherwise, God's will for humanity will be something at which we simply take offense, a common reaction when something challenges or unsettles us. ©LPi

Social Concerns News

For the past 20+ years, Christ the King Social Concerns served a monthly meal at Mt. Zion Church in East Moline; and in 2017, we began to also provide a meal for the St. Joseph's Evening Meal program in Rock Island. As a result of the Covid-19 pandemic, the East Moline site has closed. However, the St. Joe's meal site in Rock Island continued by providing carry-out meals. Even though we were unable to have quarterly signups, Phyllis Mosher called parishioners for donations. The menu is always the same Tator Tot Casserole (need 7 – recipe provided), baked beans, applesauce, buttered bread, milk, and dessert and people to help serve. For the Rock Island meal site, food needs to be brought to Christ the King (north parking lot) between 4:30 and 4:45 the first Wednesday of the month. Now that we are back in church, there will be a signup the weekend of July 10/11 after all Masses. We'll be asking for volunteers to sign up to provide food and help serve for the months of August through January.

Back To School Supplies

For the past several years, CTK parishioners have been incredible supporters of Social Concerns School Supplies project for students attending Seton Catholic and Our Lady of Grace.

Because of Covid-19, last year we weren't able to ask you to help with the shopping. Nonetheless, you were more than generous in supporting the project with your cash donations with which we were able to purchase items in bulk, many of them online. Based on last year's experience, we are asking those of you who are able and want to support this project to please either put your donation in an envelope marked "School Supplies" and drop it in the collection basket when you attend Mass or send it directly to Christ the King *(3209 60th Street, Moline)* with checks made payable to Social Concerns with a "School Supplies" notation on the memo line. We will then shop in bulk for supplies following input from the school regarding specific needs. For more information, please contact Mary Tiernan, 309-738-6438.

Summer is a great time to grow in faith!

Ascension Press has a program that you can subscribe to and get the Bible read by Father Mike Schmitz each day for a year; it is called **"The Bible in a Year".**

It is so much easier to listen to someone else read portions of the bible each day and explain it than it is for us to try to read it, figure out how to say those tough names, make sense of what you just read day after day and persevere for 365 days. You can start it at any time and go at your own pace.

It is available on many streaming apps, Hallow, Ascension press: (**ascensionpress.com**), Spotify, just to name a few. Many are enjoying it and discovering new things they didn't know or understand in the bible, and others are joining the RCIA program to learn more about the Catholic Faith.
