GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

DECEMBER 6, 2020
SECOND SUNDAY OF ADVENT

People knew over a year in advance that the Pope was coming for a visit to America and the preparations began. Security, space limitations and requirements, protocols, crowd management, itineraries, invitations, regulations, and so much more was necessary to pull this event off effectively. It's not every day that we get a visit from such a prominent dignitary. Thought, effort, meticulous attention to detail and vision all are necessary to make this thing work. After all, he can't just show up in the ordinary and normal daily routines of life and catch people unprepared! Tickets have to be purchased, buses rented, hotel rooms reserved, and travel arrangements made early because it will be impossible to see him if we wait too long!

We do this kind of preparing not only for prominent religious figures but for political dignitaries, notable sports figures, people of fame, and even actors. If an individual intrigues us, we are going to want to do all we have to do to get a "good seat" in the house. Does Jesus Christ captivate this much of our attention? We are asked to prepare the way of the Lord and to do so not with frantic frenzy but patient enthusiasm. We do not have to stand on a street corner making profound announcements about God's coming or become overly zealous in our embrace of the Good News. Our task is quieter, more interior, captivating, and consuming. We are asked to change. We have to conduct our lives with holy devotion.

Is the cost of that ticket too much for you? Don't you want the "best seat" in the house? You don't want to miss Our Lord's arrival when he comes, do you? After all, if he comes while you are going about your daily routines without you even knowing, he may catch you off guard. Or, he may come in disguise looking like a beggar, a prisoner, migrant, refugee, or someone who is lost. Would you be ready to recognize him then? Preparing for the coming of Christ requires a change of mind, heart, and behavior. It is not adequate to simply do the things we always do. We want our lives to speak of the exciting news of Christ's coming and the joy that the Gospel brings. It has to do with our demeanor, values, priorities, choices, and how we structure daily routines. Of course, it involves sacrifice. All anticipations do! Are you excited, captivated, enthusiastic, and sitting on the edge of your seat eager to celebrate his coming among us at Christmas, and waiting for him to come again? If not, why not? ©LPi

IMMACULATE CONCEPTION

"Immaculate Mary, your praises we sing!" December 8th is one of our feasts celebrating Mary - the Solemnity of the Immaculate Conception. From the beginnings of the Church, spiritual writers and theologians have acknowledged the innocence and holiness of Mary. St. Irenaeus called her the "new Eve." Both faced with the pure freedom to accept or reject God, Mary began with work of redemption with her yes to Christ! The Church began to celebrate the feast of Mary's conception in the early Middle Ages. In 1854, Pope Pius IX infallibly declared that Mary was free of original sin from the first moment of her conception. On this feast day, we celebrate the beauty and goodness of Our Lady!

Act of Spiritual Communion

My Jesus, I believe that You are in the Blessed Sacrament. I love You above all things, and I long for You in my soul. Since I cannot now receive You sacramentally, come at least spiritually into my heart. As though You have already come, I embrace You and unite myself entirely to You; never permit me to be separated from You. Amen.

Prayer During A Health Crisis

Compassionate and Loving Father, in the face of confusion and concern
impart to us the calm of your presence. In You allow us to find hope and healing.
Be with those who serve the sick and give them Your caring hands.
Be with those who lead and give them Your Spirit of wisdom.
Be with those who have fallen ill and give them Your comforting heart.
Wrap your arms around our world and hold us in your love.
Allow us at this time of trial to then serve as instruments of that love to all we meet.
We ask this in Your Name. Amen. ©LPi

Dear Family & Friends of St. Michael's Parish,

On behalf of the entire staff of St. Michael's Parish, we wish you a Merry and Peaceful Christmas. We pray that you and your family are blessed in abundant ways with health, happiness, and holiness as we enter into 2021, and especially during these times of the global pandemic.

Always remember, the most important focus of our hearts is your spiritual well-being. We wish to love you and care for you in a holy and life-giving manner. We understand that times are very challenging in this present moment. We have always been humbled and blessed by your altruistic generosity in caring for those in our St. Michael's Parish family and beyond. We lovingly understand if it is difficult to financially and practically support St. Michael's Parish Family at this time. The focus of your hearts should be your family. If you are able to give at this time, we would be sincerely humbled and grateful. Your loving support blesses us to deeply love and care for St. Michael's Parish Family in every way. You may drop off any Christmas offerings in the collection box during the times offered for the distribution of Holy Communion, drop them in the mail slot at our parish office, or mail them in. Now is also a great time to register for on-line giving through our website, www.stmichaelsel.org. You can find the weekly bulletin there as well to keep up to date.

One of the most beautiful presents our parish community could receive this Christmas season is your presence with us at Mass as we celebrate the Eucharist. However, because of the corona-virus, and our love for our parish family, we are putting your health and safety first. This year, the Christmas Mass will be filmed and offered virtually. I will include the Act of Spiritual Communion in my prayers at the altar, and ask all of you to join us from home. Beth and I will offer times on both Christmas Eve and Christmas Day for you to receive Holy Communion from your cars as you drive through the church parking lot if you wish to receive the Eucharist. We are made whole and complete with the gift of you, both physically and spiritually. We look forward to joining with you in prayer and friendship, and hope that you will tune in. May God bless you this Christmas season and always. We love you.

Your friends in Christ,

Fr. Wayne Biernat *Mrs. Beth Chase*
