THE ASSUMPTION OF THE BLESSED VIRGIN MARY

AUGUST 15, 2021

Rev. Steve Matthews, Pastor

They are courageous, wise women who ground us, focus us, and inspire us. They are the good mothers who walk with us and light our way. They teach us life lessons and help us heal and navigate through challenges and difficulties. We need people to point the way. Sometimes, these wise ladies are not our biological mothers but women in our lives, who through their strong and faithful presence, anchor us and remind us that we are loved. We need these women. Human beings do their best when they have cheerleaders in their lives. They show us that even when facing despair there is always a brighter tomorrow.

Jesus needed his mother. She had to be that faithful anchor, that guiding presence, in his life. Jesus needed to be affirmed and encouraged just like any other human being and Mary had to be there, right by his side, doing precisely that. Even when her heart was pierced as he was nailed to a tree, she did not give up hope. Most certainly, she continued to wait, watch, hope, and love until he took his final breath. That's what mothers do. Even when their heart breaks, they persevere.

Today, our Blessed Mother is our cheerleader once again. Taken up to heaven in body and soul, she points to and directs us toward our final destiny. Life eternal waits! Any disappointment, fear, or anxiety can be set aside as she gently reassures us of God's love and promise. Always a mother filled with grace and hope, she calls us to reaffirm our faith in God and in the gifts we have each been given. We can persevere and do what we need to do to live life well, with faith, hope, and love as our guiding lights. Knowing who we are and who we will one day become helps us to better chart the course and direction of our earthly lives. Looking to the example of our Blessed Mother, we receive the assurance we need.

IMPORTANT UPDATE

Due to a recent uptick in the new Covid-19 delta variant and new guidance by the CDC, ***we are requiring anyone coming to our church properties to wear masks indoors. This includes coming to any of our parish offices and church buildings, as well as coming to Mass.*** *Please be prepared to sanitize your hands on arrival and wear a mask throughout Mass, except when receiving Holy Communion.*

Although NY State is mandating employees to get vaccinated or get frequently tested for Covid, we are not taking that position.

Lastly, you'll note that the CDC encourages everyone eligible to consider getting the Covid-19 vaccination. I want to remind everyone, however, that this is a personal decision and I hope and pray that each "side" of this issue will treat each other as Catholic Christians are to do – with respect, love, and charity!

- Thanks and God Bless, Fr. Steve

PLANTING SEEDS FOR FAITH ENRICHMENT

REFLECTION OF THE WEEK:

Saint Francis loved to say that **Mary "made the Lord of Majesty our brother."** ... She is not only the bridge joining us to God; she is more. **She is the road that God travelled in order to reach us, and the road that we must travel in order to reach him.** Through Mary, we encounter God the way he wants us to: in tender love, in intimacy, in the flesh. For Jesus is not an abstract idea; he is real and incarnate; he was "born of a woman", and quietly grew. Women know about this kind of quiet growth. We men tend to be abstract and want things right away. Women are concrete and know how to weave life's threads with quiet patience. How many women, how many mothers, thus give birth and rebirth to life, offering the world a future! - *Pope Francis, homily on the Solemnity of Mary, Mother of God, 1 January 2021*

NUESTRA COMUNIDAD HISPANA

Domingo, 15 de Agosto:
Asunción de la Bienaventurada Virgen María

María se encamino presurosa a un pueblo de las montañas (Lucas 1, 39)

Hoy celebramos la sorprendente verdad de que María, en cuerpo y alma, se unió a su hijo Jesus en el cielo. Por años, esta creencia ha sido una tradición preciada entre muchos de los fieles, pero no fue hasta 1950 que el Papa Pio XII declaro que su asunción es una enseñanza oficial de la Iglesia. Esa declaración fue el fruto de años de trabajo mientras el Espíritu Santo guiaba a los líderes y teólogos de la Iglesia a comprender mas profunda y claramente la misión de María en la Escritura.

Amen.
