Pastoral News

Dear Parishioners,

It is shocking to me that the calendar has already flipped to May! For those of us whose calendar year runs on a school year schedule rather than the January-December calendar, it means we are moving toward closing out a historic year. What an accomplishment for the students, staff, and parents! The final month of the school year will bring tests and projects, along with class picnics and parties. As a school community, we will celebrate and launch a beloved group of 47 graduates out into the world for their next chapter of high school, knowing they are well-equipped to spread their wings and fly.

We would love for you to join us via livestream for some of our upcoming school Masses and celebrations. We continue to have Mass at St. Francis Xavier weekly at 8:35am, which is live streamed on the Saints of De Pere YouTube channel. The link is often shared on our school Facebook page as well. This week's Mass is our May Crowning Mass! Our 2nd graders are looking forward to dressing in their First Communion attire for this special celebration of Mary. This also marks the first school Mass in which this group of students will receive the Eucharist at school. For many, this will be their "2nd Communion" or perhaps their "3rd Communion." It always brings joy to 2nd graders to count their opportunities to receive the Eucharist and to wonder what the count is for the older students in our school or the adults in their lives. It might be fun to make an educated guess or estimate at home in your conversations!

Also consider marking your calendars to celebrate our 8th Grade Graduation via livestream on **Thursday, June 1**. We are looking forward to a Mass and ceremony in their honor, with immediate family present at St. Mary. We would love for many to join us virtually as we know it takes a village to raise our children, and our parish members are an important piece of that village.

Finally, keep an eye out for more information in the near future regarding Open Houses at St. Francis Xavier and Notre Dame of De Pere on **Tuesday, June 6**, from 12:00-2:00pm. We are looking forward to opening the doors and welcoming all to enjoy the beautiful spaces and community.

With heart and soul,
~ Molly Mares, Principal, Notre Dame of De Pere School

Monthly Adoration: Time with Jesus

You are invited to spend time with Jesus in the Blessed Sacrament. If you are willing to open yourself to our Lord, He will touch your heart. Could you give Jesus an hour of your time?

Please consider joining us on **Tuesday, May 11,** anytime from 8:00am-8:00pm**,** for adoration at St. Francis Xavier Parish. Come for a few minutes or make an hour-long commitment to be an honor guard for Jesus. Honor guards serve as a quiet, prayerful presence for the Blessed Sacrament.

Honor Guards Needed

Honor Guards for the Blessed Sacrament during monthly Adoration are needed on a regular basis. Please consider making a monthly commitment to honoring and spending time with Jesus. Contact Nancy Gezella to sign up for an hour commitment at 920-639-0724.

Are you a good problem-solver? Can you wrestle a multi-function printer? Have you ever caught a peacock?

Now that we have your attention, St. Mary in Ledgeview is looking for a friendly, efficient, and dedicated person to add to our **administrative support** team. This person needs to have a love of people and a love for Jesus. As a 1400-family church, we are looking to welcome a team-player interested in pursuing the parish vision while also able to work independently to support members and pastoral staff. Receptionist and secretarial duties require excellent organization and proficiency with office software suites, cloud-based tools, workflow and calendaring. Attention to detail is a must, but peacock experience is not required.

The position serves two churches and while some duties are shared, this position would be located at our St. Mary site. Office hours are Monday-Thursday 8:00-3:30 and flexibility for an occasional night or weekend each month to support our members in their prime hours. Position reports to the Director of Communications and Technology. Hourly position, benefits eligible.
