GOSPEL MEDITATION
December 5, 2021
2nd Sunday of Advent

St. Ambrose shares some wisdom on our need to prepare the way and open the door for Christ. "You see that when the Word of God knocks hardest on your door, it is when his hair is wet with the dew of the night. In fact, he chooses to visit those who are in tribulation and trial, lest one of them be overwhelmed by distress. So, his head is covered with dew, with drops, when his body is laboring hard. It is important to keep watch so that when the Bridegroom comes, he is not shut out. If you are asleep and your heart is not keeping watch, he will go away without knocking; but if your heart is alert for his coming, he knocks and asks for the door to be opened to him." When life gets overwhelming and difficult and we find ourselves feeling a bit downhearted and miserable, these words can bring great comfort.

We sometimes choose to remain stuck in our uncomfortable darkness and being stuck becomes our norm. In this time of self-focus our hearts are closed to the graces and life God desires to give us. Wrapped in the robe of mourning and misery, we fail to see the mercy, justice, and love the Bridegroom wants to bring. If we take seriously the need to prepare the way for Christ and open our hearts in preparation for his visit, we can hear God's gentle voice calling us deep within. It beckons us to seek out its source and discover the inner calm and peace that can prevail over the darkness of despair. Sometimes our darkness is so dark that it may seem unsurmountable. Trusting in the spiritual friends who journey with us, and God's promise may bring a glimmer of light even when it is most difficult to keep our hearts' doors open. Sometimes, the only light in the darkness is found in trusting the faith of others both past and present.

We have to trust that God has already begun the accomplishment of good work in us and that humanity is on an incredible journey to something wonderful and awesome. God is not done. When we open the doors of our hearts, straighten the paths of our lives, and prepare the way, Jesus can come with God's simple gifts of peace, grace, and joy. Life throws a great deal at us. It is easy to get tired and confused. We have to train our hearts to keep watch, discern what is of value, and forge ahead. Not allowing ourselves to become so weighed down by things and brought out of focus is a tremendous goal to achieve this Advent season. God is knocking. Answer the door. You will see and understand life in ways you never thought possible before.

Stewardship Bulletin Reflections - December 5, 2021
""And this is my prayer: that your love may increase ever more and more in knowledge and every kind of perception, to discern what is of value…" (Phil1:9-10)
During the Christmas shopping season it is easy to get caught up in the frenzy of buying gifts. But, is that "gift" truly an expression of your love for the other person. Or, are you just fulfilling your "obligation" to give them something? To grow in friendship with someone, you need to spend time with them, learn what is of value to them. Maybe this year, buy less "stuff" and spend more time with those you love.

CHRIST CHILD - GIVING TREE

Christ Child Giving Appeal: All UN-WRAPPED GIFTS WITH GIFT TAG ATTACHED are due this weekend to the donation boxes or under the tree. We will be collecting all gifts this week and distribute to TEEG, Daily Bread, and the Diaper Bank. Thank you for your continued support of this Christmas tradition in our churches.

ST. THERESE PARISH - FAITH FORMATION

Faith Formation Update: While we hoped to return to in-person learning in January, ongoing concerns about the spread of the virus and the limitations of our classroom space have made it impossible to do so. As a result, the decision has been made to keep religious education classes home-schooled for the remainder of the school year. Sacramental classes (1st Reconciliation and 1st Communion) will still be meeting in-person either in the church or the hall where there is plenty of room to spread out. Details will be emailed out to families who have registered. As of this date, all students should have completed Units 1 & 2.

Please contact Dan Shaughnessy if you have any questions (dshaughnessy23@gmail.com or 508-405-1615).

Prayer Shawl News:

We will be *giving away Prayer Shawls and Lap blankets* at all 4 churches. These are **FREE.** Please consider these prayerfully made gifts for males or females of all ages! Healthy, ill, happy, sad - All these items have been blessed with holy water, and will surely bring a smile!

Check the schedule to see when we will be visiting your church.

ADVENT

Question: With Christmas fast approaching, can you give me some practical tips to prepare myself and my family that will help us stay grounded in what this holiday is really about? With all the commercialism, it's easy to stray.

Answer: Happy times and events bring fond memories and a renewed sense of love and kinship with others. The anticipation is half the joy of the event itself. The coming of the Lord is that kind of event that people have been looking forward to for generations with fervent hope and desire. It gave them strength and courage as they waited for the coming of the Lord.

We know that Christmas is rushed. Sales begin in August and carols blare long before the season begins. Everyone laments the commercial aspects of the season, but as Advent begins, do something to help you be more mindful of the Lord's coming. Use an Advent wreath, or enthrone the Bible prominently, or read the readings from the Bible assigned to each day. Postpone the tree and decorations until closer to Christmas. Establish new family rituals, customs and prayers that help remind everyone that we are preparing to celebrate the birth of Jesus. Fasting, daily Mass, a special celebration of reconciliation, reaching out to those alienated from family or society, and visiting the homebound manifest the love of the Christ Child and the Holy Family. Resist the temptation to rush the season. In his own time and in his own way, God will come. Our task is simply to be watchful and ready. ©LPi
