He bent down and saw the burial cloths there, but did not go in. When Simon Peter arrived after him, he went into the tomb and saw the burial cloths there, and the cloth that had covered his head, not with the burial cloths but rolled up in a separate place. - Jn 20:5-7

THE HEAVENS DETERMINE THE DATE FOR EASTER!

Easter Sunday is the first Sunday after the coming of the first full moon after the vernal equinox. This is why Easter is not always on the same calendar date, but Easter is always on a Sunday – the day of the Lord's resurrection.

The Three Days of the Sacred Triduum begins at the Evening Mass of the Lord's Supper on Holy Thursday and it concludes with Evening Prayer (Vespers) on Easter Sunday. This seems like four days rather than three! But, we measure the three days of the Triduum from sundown to sundown, as the Jewish people do.

A MESSAGE FROM FR. JOHN

Easter Blessings and Joy!! Recently our school librarian was reading a story to the four year old's about a fear most of us had when we were young: what happens when you swallow a watermelon seed. The main character in the story, an alligator, swallows a watermelon seed and wonders whether the seed will start to grow in his gut and vines grow out of his ears. As the children were debating whether this could happen, one student pointed out that it could not since there is no light in our stomachs. Another student quickly corrected him by saying there is a light inside of us, Jesus is inside of us and Jesus is the light. (Our four year old's know their faith well!)

Last year at Easter we talked a lot about the light – Jesus – overcoming the darkness. Many of us had a feeling as if something were growing in our gut. None us knew exactly where the year would take us, but there was a sense of impending darkness. It was an important message then and is an important message today; it has been for generations before and will be important for generations to come: the light will always outshine the darkness, life will conquer death, and goodness will prevail over evil.

This is the universal message of Easter: Christ has risen, death has power no more. All this is easy to say, but as we know life does not always unfold the way we think it will – in fact it seldom does. We have unrealized hopes and dreams, which we can actually appreciate in retrospect that they didn't materialize. There are those things we never expected which brought us great joy and happiness. Of course there are those for whom we grieve. The common thread through this is that God sees us through it all. He desires to journey with us, and if we are willing to bring Him into the journey, the best is yet to come!

This is how the book I Heard God Laugh, a short book by popular Catholic author and evangelist Matthew Kelly, begins. The premise of the book is to teach us how to tend our souls. On the back of the book is written the question: "IS YOUR LIFE WORKING?" It goes on to say, *"Most of us are trying to put together the jigsaw puzzle we call life without a very important piece. Over time this becomes incredibly frustrating. In this extraordinary book, Matthew Kelly powerfully demonstrates that we cannot live the life we have imagined, or experience the joy we yearn for, unless we learn to tend the soul."*

Beginning on Easter Sunday and the four ensuing weeks we will be looking at this book in the homilies, each week tying together a chapter from the book and the weekend scripture readings. I also pose the challenge for all of us to commit to reading the book and dedicating a minimum of ten minutes a day to prayer during the fifty days of the Easter Season. Everyone will be invited to take a copy of their own book if they wish. On Easter Sunday we will hand out books to those who drive up to receive Communion and we will get books to the senior living facilities. If you are not in church on Easter Sunday you will be able to stop by and pick up a book during the week.

We have never done something like this – read one book as a parish and spend the homily time talking about it. I am excited to make this resource available to you and for us to unite in reading it together. I am also excited to experience the fruits we will experience by all the added prayer time. Don't be intimidated, we are only calling for ten minutes a day. That is .00694% of our day. I can think of several things I spend more time doing each day. Be excited to give it a try. As it also says on the back of the book: "*When our bodies are hungry, our stomachs growl. When our souls are hungry we become irritable, restless, confused, overwhelmed, exhausted, anxious, discontent, and tend to focus on the things that matter least and neglect the things that matter most.*" Just maybe the book has something to offer us that we have been missing and can help us complete the *"jigsaw puzzle we call life."*

Monday, May 3, 2021 from 1:00-7:00 PM Saint Patrick's will host a Red Cross Blood Drive.

If interested in donating blood please go to **www.redcrossblood.org** and find Saint Patrick drive or call Becky at 715-441-6541 to schedule your appointment.

We are also in need of some volunteers to help out with the drive. If you are available that day and able and willing to help please call Becky at 715-441-6541.
Thanks for the continued support of this great cause.
