Advancing Our Mission

Construction Update

You will notice that a lot has happened in the last couple of weeks in front of the school, as the ground has been leveled in preparation for the new building. As fences, building materials, and machines temporarily limit some of our usual parking and spaces, we ask for your continued patience and caution so we can have a safe and successful construction season!

More information on our AOM campaign, including a video of the groundbreaking ceremony can be found at www.olgparish.org/aom. Please contact Jon Cassady, Director of Advancement, at joncassady@olgparish.org, or 952-999-9054 if you have any questions.

Annual Stewardship Giving

As stewards of the gifts God gives us, we are asked to not only accept these gifts with grateful hearts, but also to develop and share them with others in a spirit of generosity. The gifts we have received are not limited to merely our finances. When we choose to share what we have (our talents, ideas, resources, etc.), we are giving something of ourselves, an intimate sharing of "who we are" for the good of others. Through your personal prayer, service, and tithing, you share in our mission of making Jesus Christ known and loved. Thank you!

You should have received our OLG 2019-2020 Financial Report in the mail. Included in that report is a summary of our parish stewardship giving for the 2019-2020 fiscal year. As you will see, we have a very generous community here at OLG. In the 2019-20 FY, your Stewardship giving exceeded over $2.6 Million! Thank you for your incredible generosity. To see the full report, please visit our website at www.olgparish.org/stewardship.

Eternal Life

We remember Dolores Harrington and Charles Perrine, extending our prayerful condolences to their families and friends.

FORMATION

Do You Not Yet Have Faith?

A storm rages, and yet Jesus sleeps. He was likely exhausted after just spending a long day teaching the crowds. His disciples awaken him, calling him "teacher"—and *teaching* is exactly what he was doing.

Jesus isn't just some intellectual teacher. His pedagogy and syllabus is love. He wants his lessons rooted deeply in the hearts of his followers. "Storms" often reveal what is in our hearts, and if we are ruled by fear and anxiety, these will likely truncate our efforts to trust in God. Jesus wants us to be free from everything that holds us back from faith in the God who loves us.

His words to the disciples may seem harsh, but Jesus is just getting their attention. If they *did* have faith, they would not be so shaken. Rather than chastising them, he is simply naming the lesson. *Faith.* Faith is why he can sleep while, by contrast, they are agitated and distressed.

Jesus is a good teacher and does not just *tell* his disciples to have faith. Instead, he provides real opportunities for them to see and experience faith (or lack thereof) in a tangible way. His sermon was like the "lecture" of the lesson, and the boat was the "lab," providing a hands-on learning experience.

When we are tempted to be discouraged by our lack of faith, let's have hope: God does not accuse or shame us for failing, but rather patiently walks with us, using each of these moments to teach us and to bring us to deeper faith. We can trade our self-criticism for curiosity, asking God what He might be teaching us. Over time, our faith *will* grow.

Synod Small Groups

In August 2020, Archbishop Hebda announced focus areas for the Archdiocesan Synod. Your prayer, conversation and feedback on priorities within these focus areas will inform the topics selected for the Synod Assembly in June 2022. How? Through Synod small groups right here at OLG this fall. Make plans now to join us in this momentous process! Visit www.olgparish.org to learn more.

SOMETHING TO THINK ABOUT

We've been fortunate in our church leadership during the pandemic. Archbishop Hebda and his brother bishops granted a dispensation allowing Catholics to miss Mass. Father Kevin made it a high priority to find ways to allow our parishioners to continue to have access to Mass, despite being physically separated from one another. We livestreamed Mass, drive-thru imposition of ashes on Ash Wednesday, and drive-up Eucharist on Holy Thursday. In addition, Beryl Schewe, our Director of Pastoral Care, initiated Senior Connect, where volunteers called our seniors once a week during the early pandemic – and in some cases continuing for months afterward.

We did these things in order to continue to gather as a community of faith, a people of God. For as important as our individual relationship with Jesus Christ is, Scripture constantly reminds us that it is not good for humans to be alone. God created us to be in relationship with Him and one another. That's clear from the Gospels, where Jesus responds to questions by telling the people that the most important commandment is to love God and next is to love your neighbor as yourself.

I've been so blessed to be able to participate in the Eucharistic ministry at senior living facilities, experiencing the joy in residents' faces and voices as they're able to return gathering together after over a year. So I invite you to give thanks to God for Masses opening up again, and for the sheer joy of being able to gather as a community of faith. As Father Kevin would say: "ALLELUIA!"

Learn about Christ in the City

Saturday, June 19 - Sunday, June 20

Madeleine Boehne, a long time OLG parishioner and school alumni, will be speaking about her upcoming year with Christ in the City in Denver, CO next weekend. Christ in the City is a Catholic non-profit dedicated to forming young adults, volunteers, and the greater community to be lifelong missionaries and, to know, love, and serve the poor. It is a homeless ministry of encountering another person as Christ and walking with them toward healing. This ministry allows missionaries to see the face of Jesus in all of humanity while upholding each person's dignity. Madeleine will talk about what she will be doing and how this helps make Jesus known and loved.

PARISH NEWS & EVENTS

Hello From Our Newest Staff Member

Hello OLG Community! My name is Tyler McCollum and I am excited to be here at OLG! A little about me: I attended Saint John's University from 2014-2018, where after a very short-lived football career, I shifted my focus to my academics, majoring in accounting. After graduating, I began an auditing career with Ernst and Young. During this time, I found OLG and started getting involved with the high school youth ministry and young professional small groups. It was then that I felt the Lord's love so strongly and clearly that if I would have kept it to myself, I think my heart would have burst. This led me to apply and serve with NET Ministries – a Catholic Organization which sends out missionaries ages 18-28 into the world of middle and high school youth. After an incredible nine months with NET, I am now joining OLG staff as an Associate for Mission, working in particular with young professionals. What a great mission and adventure to be a part of! If you see me around, please say, "Hi", because I would love to get to know you!

Veronica Whelan Update

As many of you know Veronica Whelan, our High School Youth Minister, has been on medical leave since April 1st. She was expected to return June 1st, but her leave has been extended until July 31st. Please continue to pray for Veronica's health and healing! High School Youth Ministry events are still happening, thanks to the generosity of our HSYM Core Team. Specifics about these events will be coming soon.

Mass Obligation Resumes July 1

The COVID-19 pandemic has been a painful time of separation that necessitated, for a short while, suspension of public Masses and the dispensation from the Sunday obligation to attend Mass. Nonetheless, since May 2020, Minnesota's bishops have made available the public celebration of Mass to those who wished to attend. Parishes have done an amazing job creating safe spaces for worship and the sacraments during the past year. Now, as the pandemic subsides, and public gathering restrictions and safety protocols are lifted, it is time to gather as the Body of Christ once again. Therefore, the bishops and diocesan administrators of the Minnesota Catholic Conference have decided to reinstate the obligation to attend Mass on Sundays and Holy Days of Obligation beginning the weekend of July 3-4, 2021.

Now that we can gather again, we're excited to invite you and your friends to attend again in person. Come help us make this year another success! A great way to share this beautiful mission is to host a table for 10. We have a limited quantity of tables available, so make sure to reserve your spot!
