MISSION STATEMENT

We the faith community of Sacred Heart Parish, are a beacon of hope, reaching out and welcoming people of all ages and cultures. We worship and minister in the heart of Waterloo, offering our gifts of acceptance, care, and formation in the Catholic Faith.

FROM FR. PAUL'S DESK: "Lord, to whom shall we go? You have the message of eternal life, and we believe; we have come to know that You are the Holy One of God." John 6:68-69

Christian life is a series of daily choices for God or against God, as we choose to live out or reject the truths. Life is full of choices. The fundamental choice we make determines how we live our lives. Joshua challenges the Israelites to decide Whom they will serve as their God: the gods of their fathers, the gods of the Amorites in whose country they were then dwelling or the God of Israelites who has done so much for them. We need to love and value the choice we made. St. Paul challenges us to make the right choice in life and build Christian marriages on mutual respect and love, accepting each other's rights and dignity. It is important to remember that by the Sacrament of Matrimony husband and wife become one flesh. It has been four weeks since we have been listening and contemplating Jesus' long Eucharistic discourse. Jesus challenges His followers and later His Apostles, to make their choice: to accept Him as the true Bread from Heaven who gives them His Body and Blood as their Heavenly Food or to join those who have lost their Faith in Jesus and left Him, expressing their confusion and doubt about His claims. Many of the disciples leave because they cannot accept Jesus's teaching and do not believe in His words, but the Apostles freely choose to stay with Jesus because they believe that Jesus has the message of eternal life and He is the Holy One of God. Today we are challenged to make a decision, profess and live our Faith in God. So, let us make our choice for Christ and live it. The Heavenly Bread and the Holy Spirit will give us the courage to accept the Church's teachings and to face many visible and invisible difficulties. Let our Yes be Yes forever in choosing to be with the Holy One of God who has the message of eternal life.

Pope Francis' prayer in a time of pandemic

O Mary, you always shine on our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who at the cross took part in Jesus' pain, keeping your faith firm. You, Salvation of the Roman People, know what we need, and we are sure you will provide so that, as in Cana of Galilee, we may return to joy and to feasting after this time of trial.
Help us, Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who has taken umpon himself our sufferings and carried our sorrows to lead us, through the cross, to the joy of the resurrection.
Amen.

A message from our Holy Father Francis.

In a brotherly spirit, I join in this message of hope for a brighter future. Thanks to God and to the work of many, we now have vaccines to protect us from COVID-19. They grant us the hope of ending the pandemic, but only if they are available to all and if we work together.

Being vaccinated with vaccines authorized by the competent authorities is an act of love. And contributing to ensure the majority of people are vaccinated is an act of love. Love for oneself, love for one's family and friends, love for all people. Love is also social and political, there is social love and political love; it is universal, always overflowing with small gestures of personal charity capable of transforming and improving societies (cf. Laudato si', no. 231, cf. Fratelli tutti, 184).

Vaccination is a simple but profound way of promoting the common good and caring for each other, especially the most vulnerable. I pray to God that everyone may contribute their own small grain of sand, their own small gesture of love; no matter how small, love is always great. Contribute with these small gestures for a better future.

God bless you, and thank you.

Sacred Heart is a Lombard Romanesque architecture. If looking from above, it is a cruciform (In the form of a cross). The vertical arm goes from the high altar (the reredos) to the back; the horizontal arm goes from side to side in the transept area (stained glass window to window). Our Church was the first in this part of the country to be constructed in this style. It was the largest Church in the city at that time.

In researching this style of architecture, we found the following: Lombard Romanesque architecture typically had lots of arches in the design; Sacred Heart has arches in the ceiling, doorways, pew ends, windows, and more! See if you can find all the arches!

In 1908 the Catholic families in West Waterloo felt they should have a church of their own. At that time they were worshiping at St. Mary's and St. Joseph's on the east side of town. Their petition to build Sacred Heart Church was approved in January 1909, by the Most Reverend James J. Keane, Archbishop of Dubuque.
