The Parish of the Transfiguration is a welcoming community of faith in the Roman Catholic tradition that service the greater Manchester area.

Our mission is to promote spiritual growth as the Body of Christ by proclaiming the Word of God, celebrating the Sacraments and transforming our faith into action and outreach.

As God further revealed Himself in the Transfiguration, we ask Him to help us make His presence known to all of God's children. We commit ourselves to be faithful followers of Jesus Christ and witnesses to the Gospel.

RECOGNIZING GOD IN ORDINARY MOMENTS

THE LOOK

Have you ever made the mistake of telling your spouse that you're out of something — only to see them respond with The Look? Then you realize it: of course, he or she knows you're out of butter. They knew it before a butter shortage was even a blip on your radar.

We might go to the fridge and lament the complete lack of ketchup. Then someone moves a couple items and show us the ketchup that so savagely eluded us just moments before.

Sometimes, we all have "the look" when dealing with God. We tell Him our stores are empty. "I'm out, God! I can't do any more! Can't give any more. Can't take any more. It's all gone." But we forget: God is the keeper of our stores. He is the one who fills them, and the one who watches as they empty.

See, we don't know how much we are capable of loving. We don't know how much we are capable of serving. We don't know how much we are capable of hoping. We see everything with spouse eyes. Only our Creator truly knows the limits of His creation.

Do you ever make the mistake of telling God "I'm done"? Be careful the next time you do. Chances are, He's far from finished working.

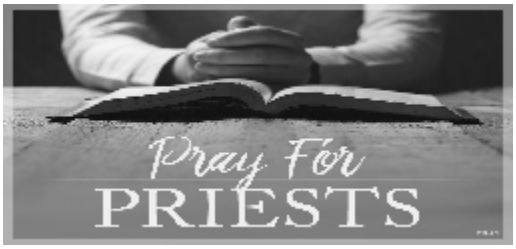
VOCATION AWARENESS WEEK

During the week of November 7-13, 2021, the nation and our diocese will once again celebrate Vocation Awareness Week. The theme of the diocesan celebration this year is "Sent by the Spirit." The Church began with a group of disciples on lockdown, locked in an upper room in a chaotic world, too afraid to encounter anyone, and then the Holy Spirit showed up to make them the Church and to send them out with the good news of God's love that changes the world.

Parishes can visit:

www.catholicnh.org/vocationweek

for resources.



Prayer for Vocations

God our Father, we thank you for calling men and women to serve in your Son's Kingdom as priests, deacons, and consecrated persons. Send your Holy Spirit to help others to respond generously and courageously to your call.

May our community of faith support vocations of sacrificial love in our youth and young adults.

Through our Lord Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever.

Hello to all our friends who join us via livestreaming of our

WEEKEND MASSES

SAINT OF THE WEEK

St. Frances Xavier Cabrini
Feast Day November 13
1850 – 1917

You may recognize the name St. Frances Xavier Cabrini as the first United States citizen to become a saint. Known for her deep trust in God, she was a courageous woman doing the work of Christ.

Her life of service began when she was first refused admission to the religious order which had educated her to be a teacher. Not one to take things face value, she instead focused her charitable work at the House of Providence Orphanage in Cadogno, Italy, and in 1877, professed vows there and took the religious habit.

When the bishop closed the orphanage in 1880, he named St. Frances Xavier Cabrini prioress of the Missionary Sisters of the Sacred Heart. However, she had a dream she was determined to fulfill. Since her early childhood, she had dreamed of being a missionary in China. Pope Leo XIII, however, urged her to see the need in the west. She traveled with six of her fellow religious sisters to New York City, where they worked with the thousands of Italian immigrants residing there.

Although she experienced many disappointments during this time, she persevered. When she arrived in New York, the house intended to be her first orphanage in the United States was not available. Rather than come back to Italy and the order she oversaw, she instead found a way to establish that orphanage elsewhere — plus a few more. Throughout her life, she is known for founding 67 institutions dedicated to caring for the poor, the abandoned, the uneducated, and the sick. She died of malaria in her own Columbus Hospital in Chicago in 1917.
