PRAYING ON PENNACOOK STREET

One of the early abortion appointments on Wednesday morning was a woman being dropped off by her mother. Before she left, the driver was kind enough to stop and have a conversation with the people holding signs. She said her daughter has one baby that she cannot take care of, and said, "I am not going to raise another grandchild." She said her daughter has problems and is starting to do better. She was adamant that her daughter have the abortion and asked the sidewalk counselors not to speak to her if she left Planned Parenthood. Her daughter did not come out until several hours later and a man was waiting to pick her up.
Once again the volunteer holding a "Pregnant? We will help you" sign at the corner of Elm and Pennacook Streets was able to provide information. A man making a delivery to Rite Aid saw her sign and asked to learn more for a friend who is pregnant. He heard about all the free baby supplies available one block away at Pennacook Pregnancy Center. He was very thankful and was heard calling his friend to tell her all about it. For more information about the life-affirming Pennacook Pregnancy Center, visit www.pennacookpregnancy.org and facebook.com/nhpregnancyhelp

EXCERPTS FROM BISHOP LIBASCI'S LETTER

For more than one year, you have faced difficult challenges personally in the midst of a pandemic. And as a Church, as we struggled to keep safe all entrusted to our care, some also have faced extended times separated from the Eucharist, the source and summit of our lives as Christians. After reading "the signs of the times" regarding the benefit of our collective efforts for the reduction of contagion, in light of the positive developments we have seen in New Hampshire, and the changes in guidance from public health authorities, it is with great joy that I can now announce that effective today, June 6, 2021, the Solemnity of the Most Holy Body and Blood of Christ, the COVID-19 restrictions and procedures which we have had in place for Masses in this Diocese will no longer be in effect.

Except for the bringing up of the Gifts, the exchange of the Sign of Peace, and the Distribution of the Precious Blood (all of which shall remain suspended for the time being), the Liturgy will be celebrated as before the pandemic. While a positive trend is very much anticipated to continue in New Hampshire, directives may be reinstated if there is a change of circumstances. Our continued care for the most vulnerable will help to keep us on a positive track.

The wearing or not wearing of a mask at Mass will now be at the option of the individual. In making a decision whether to wear a mask, those who have not been vaccinated must be mindful of the need to take other safeguards for the care of self and others, as recommended by public health authorities. In any event, let us not shame or admonish other people whatever course of action they decide to take.

As was the case before the pandemic, those who are sick should not attend Mass. This would include those who recently have been exposed to COVID or any other communicable illness. These individuals are excused but of course, should not be attending other events that would pose the same concerns. A mother's words ring true: "If you're too sick to go to church, you're too sick to go out and play."

Gospel: MK 4:26-34

Jesus said to the crowds:
"This is how it is with the kingdom of God; it is as if a man were to scatter seed on the land and would sleep and rise night and day and through it all the seed would sprout and grow, he knows not how. Of its own accord the land yields fruit, first the blade, then the ear, then the full grain in the ear. And when the grain is ripe, he wields the sickle at once, for the harvest has come." He said, "To what shall we compare the kingdom of God, or what parable can we use for it? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants and puts forth large branches, so that the birds of the sky can dwell in its shade."
With many such parables he spoke the word to them as they were able to understand it. Without parables he did not speak to them, but to his own disciples he explained everything in private.
