Daily Devotional Prayers Every Catholic Should Say

The Angelus

The Angelus is a prayer of devotion for the incarnation. Traditionally, the Angelus has been said three times daily: 6am, 12noon, and 6pm. However, it can also be said at any time. Some churches have the Angelus bell. This prayer is said during season of Advent, Christmas, Lent, and Ordinary Time. **Regina Caeli** (O Queen of Heaven) is said during Easter season.

V/. The Angel of the Lord declared unto Mary,
R/. And she conceived of the Holy Spirit.
Hail Mary…
V/. Behold the handmaid of the Lord,
R/. Be it done unto me according to your Word.
Hail Mary…
V/. And the Word was made flesh,
R/. And dwelt among us.
Hail Mary…
V/. Pray for us, O holy Mother of God,
R/. That we may be made worthy of the promises of Christ.
Let us pray. Pour forth, we beseech you, O Lord, your grace into our hearts: that we, to whom the Incarnation of Christ your Son was made known by the message of an Angel, may by his Passion and Cross be brought to the glory of his Resurrection. Through the same Christ our Lord. Amen.

The Regina Caeli

V. Queen of Heaven, rejoice, alleluia.
R. For He whom you did merit to bear, alleluia.
V. Has risen, as he said, alleluia.
R. Pray for us to God, alleluia.
V. Rejoice and be glad, O Virgin Mary, alleluia.
R. For the Lord has truly risen, alleluia.
Let us pray. O God, who gave joy to the world through the resurrection of Thy Son, our Lord Jesus Christ, grant we beseech Thee, that through the intercession of the Virgin Mary, His Mother, we may obtain the joys of everlasting life. Through the same Christ our Lord. Amen.

From the United States Conference of Catholic Bishops: On The Johnson and Johnson Vaccine

U.S. Bishop Chairmen for Doctrine and for Pro-Life Address the Use of the Johnson & Johnson Covid-19 Vaccine

March 2, 2021

WASHINGTON– On March 2, Bishop Kevin C. Rhoades of Fort Wayne-South Bend, chairman of the U.S. Conference of Catholic Bishops' (USCCB) Committee on Doctrine, and Archbishop Joseph F. Naumann of Kansas City in Kansas, chairman of the USCCB's Committee on Pro-Life Activities, issued a statement on the Johnson & Johnson COVID-19 vaccine recently approved for use in the United States.

"The approval of Johnson & Johnson's COVID-19 vaccine for use in the United States again raises questions about the moral permissibility of using vaccines developed, tested, and/or produced with the help of abortion-derived cell lines.

"Pfizer and Moderna's vaccines raised concerns because an abortion-derived cell line was used for testing them, but not in their production. The Johnson & Johnson vaccine, however, was developed, tested and is produced with abortion-derived cell lines raising additional moral concerns. The Congregation for the Doctrine of the Faith has judged that 'when ethically irreproachable Covid-19 vaccines are not available … *it is morally acceptable to receive Covid-19 vaccines that have used cell lines from aborted fetuses in their research and production process.*'[1] However, if one can choose among equally safe and effective COVID-19 vaccines, the vaccine with the least connection to abortion-derived cell lines should be chosen. Therefore, if one has the ability to choose a vaccine, Pfizer or Moderna's vaccines should be chosen over Johnson & Johnson's.

"While we should continue to insist that pharmaceutical companies stop using abortion-derived cell lines, given the world-wide suffering that this pandemic is causing, we affirm again that being vaccinated can be an act of charity that serves the common good."
