3RD SUNDAY OF LENT

Since the Passover of the Jews was near, Jesus went up to Jerusalem. He found in the temple area those who sold oxen, sheep, and doves, as well as the money changers seated there. He made a whip out of cords and drove them all out of the temple area. - Jn 2:13b-15a

LADIES GUILD

Thank you to everyone who provided pies for the first fish fry. The total pie sale came to $480.00 so our pies were a huge success.

If you wish to donate pie for the March 12 fish fry, and you do not have email or Facebook, you can call the St. Elizabeth Seton Office at 515 989-0659. We will need around 30 pies and rather than a sign-up sheet at church, we will keep track through email, fb, and the office. We ask that you pick up carry-out containers and cut your pie into 8 pieces and deliver them to the church in the containers before **4:00 pm on Friday, March 12.** The containers are in the kitchen and can be picked up after mass or during office hours.

Thanks again for your donations and to everyone who helped!

Dear Good People,

I hope this letter finds you well. It is hard to believe that it is already the third week of Lent. It is always a good time to get back on track if we have been slacking with our Lenten commitments or start a new one. It is a good time to take stock and see how we have grown and see the ways in which we still need to.

Secondly this week of March is the kick off to the Annual Diocesan Appeal. I think that there can be some misunderstanding regarding the appeal. In the past this was called the *Cathedraticum*. Every parish was basically "taxed" and money was sent to the diocese or Bishop to fund diocesan operations. Now there is a formula based on income, building projects, schools, and investments. The diocese gives each parish a goal. If a parish is unable to meet this goal then the difference must be paid by the individual church out of their operating budget.

Just a few words on the ADA. I am very grateful for all the support because without it the seminarians would have to fund their own education. This would not be a good situation because if the man had crippling debt he would not be free to choose priesthood. Also, I would say that we have many dedicated people who work at the diocese. Most have a servant's heart and they truly care about the people in the diocese and the ADA help's pay these people's salaries. I would just ask that you take some time and prayerfully consider giving to the diocesan appeal this year. Please let me know if you have any questions as I would be happy to answer them to the best of my ability.

A.M.D.G.

Rev. Ross A. Parker
