Health Ministry Leader

We are looking for someone to coordinate our Health Ministry. This volunteer should have a health professional background. They are responsible for coordinating the blood pressure screening once they are restarted, hopefully soon. They are also responsible for our AED devices. This includes regular testing of the devices and the certifications for the users. This is an important ministry for the safety and well-being of our parishioners so we are hoping that someone will step forward and donate their time and talent to the ministry. If you would like more details or are interested in joining the ministry, please contact David Byrne, Volunteer Coordinator, at stanthonyvc@gmail.com or call 203-758-4056, ext. 17.

Ushers

Now that our parishioners are returning to Mass on the weekends we need to re-establish the Usher Ministry. Ushers welcome and assist attendees before Mass and are responsible for the collection of offerings during Mass and properly securing them after Mass. Occasionally there are special feast days that require additional assistance. If you have previously been an usher or are willing to participate in this active ministry, please contact David Byrne, Volunteer Coordinator, at stanthonyvc@gmail.com or call 203-758-4056, ext. 17.

Thank you to Brendan Poudrier for choosing to make the stand to hold a plaque commemorating the place where our old church stood, as well as a stand to hold the updated plaque by the Meditation Garden. Both are part of his Eagle Scout Project.

Thank you also to the parishioners who donated benches.

Take a few moments this summer to stop by this special place to sit and reflect.

OFFICE OF
THE ARCHBISHOP

Modification of Safety Practices Regarding COVID-19
Effective Wednesday, June 9, 2021

As the situation continues to develop, the time has come to modify somewhat the directives that the churches of the Archdiocese of Hartford have been operating under as concerns COVID-19. Effective Wednesday, June 9, 2021, for those who are vaccinated, wearing masks will now be optional while at Mass, at other liturgies, and at any indoor or outdoor events held at our churches. Those who remain unvaccinated should continue to wear masks with particular attention being given to the safety of young, unvaccinated children.

Also, for now, ministers who are distributing Holy Communion should continue to follow the directives that have been previously issued, included wearing a mask and sanitizing prior to distribution.

Bingo is back! Monday nights at 7:00. If you would like to volunteer one night a month to help with bingo, please call the office.

Thanks to Dave Bosco and his helpers, Jeff Guerrette, Mark Bobbi, and John Riley, for your part in getting the bingo games going again. Dave and his helpers spent countless hours getting the proper equipment, cleaning, planning, wiring, hanging TVs and meeting with volunteers.

****Volunteers Needed****

Do you like working outdoors? Then we have the perfect opportunity for you to help with some chores.

We need everyday weeders and experienced pruners to assist this time of year when things just grow like crazy and so many of our plants, shrubs, and even trees really need attention.

If you can help, please call the office at 203-758-4056.

Father's Day Prayer

God our Father, you govern and protect your people and shepherd them with a father's love. You place a father in a family as a sign of your love, care, and constant protection. May fathers everywhere be faithful to the example shown in the Scriptures: steadfast in love, forgiving transgressions, sustaining the family, caring for those in need. Give your wisdom to fathers that they may encourage and guide their children. Keep them healthy so they may support a family. Guide every father with the Spirit of your love that they may grow in holiness and draw their family ever closer to you. *Amen.*

Thank You!

Thank you to everyone who helped to make our St. Anthony Feast Day a memorable day. We appreciate the volunteers, parishioners, and guests who attended the Mass, participated in the procession, and came to the reception. Many complimented on the beautiful day we were able to share together.

The Knights of Columbus paid for the burgers, hotdogs, buns, chips and condiments and did the cooking.
The Ladies Guild and Baking Committee made the desserts and leftovers were given to those attending bingo.
Jill, Trudy, and Annamarie filled the bags with the St. Anthony bread that was later blessed and distributed.
Billy was our young St. Anthony of Padua in the procession.
Joe Gomez and Jean Beard represented those who have been here at St. Anthony Church since the first Church was built.
Stella, for being behind the camera to capture these special moments.
Coca Cola Company donated the drinks, thanks to John & Tricia.
Check out the photos on our website!

A special thank you to Diana for planting Father Gregory's garden this year! It is most appreciated.

Urgent Action Needed!
President Biden's budget proposes forcing taxpayers to fund abortion on demand!

On Friday, May 28th, President Biden released his Fiscal Year 2022 budget in which he proposes to eliminate the Hyde Amendment and some related pro-life provisions. Calling for elimination of Hyde in a president's budget is ***unprecedented***. The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for **45 years**. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century. Billions of taxpayer dollars could be used to pay for abortion. The Hyde Amendment has been part of every appropriations bill since 1976, with strong bipartisan support. Now the President and Democratic leaders want to exclude the amendment from all future spending bills.

The United States Conference of Catholic Bishops (USCCB) is urging all Catholics to take action to preserve the Hyde Amendment by signing a petition and contacting their U.S. Senators and Representatives. See the links below to learn more and take action.

Pope Francis' Prayer Intention for June

Universal Intention: ***The beauty of marriage.*** Let us pray for young people who are preparing for marriage with the support of a Christian community: may they grow in love with generosity, faithfulness, and patience.

GOSPEL MEDITATION

As we look at our lives and world events, do we ever find ourselves wondering if God is sleeping? After all, maybe God's patient, unconditional love has run its course and He is finally fed up with humanity's reluctance to accept the truth about who we are. God really can't be that patient! All throughout human history, many have prayed to God for intervention or for particular needs. Because their prayers were not answered in the way they wanted or anticipated, they felt that God may have abandoned them. Were they right? It seems that we are continuing, at a rapid rate, down a path of destruction. Do you not care, God, that we may be perishing? When the boats of our lives are rocking and the seas tumultuous, we want to know that we have God's attention. Even more so, we want God's intervention.

Maybe the storms and the waves are necessary. If we listen, they can teach us valuable lessons. Without them, we would never learn that we have the strength to endure, understand the uselessness of fear and worry, or develop the ability to really trust. If God immediately rushed in and simply calmed things down before they got difficult, what good would that really be? We would miss opportunities to learn how to drink more deeply of life, treasure its complexity, irony, and beauty and fully engage ourselves in surrendering to the love of our Creator. It is easy to walk on the surface of life without immersing ourselves in its messiness. Life has to burn its way through us in order to bring us to a place of secure trust. It's unfortunate that some prefer a shallower journey.

That's the balancing act that comes with faith. It is not God's job to prevent us from encountering the torrential rains and winds of life. Many believe that if faith is done the right way, that God will provide for smooth sailing. That's not how it works. God permits us to ride out the difficult stuff knowing that the storm will eventually be calmed. Do we not have faith that God will do this? True faith trusts in the steadfastness of God's love when the seas are calm and when they are choppy. God's unconditional loving presence shines through all of it and endures forever. Knowing this allows us to put our boats out into unchartered waters without hesitation. Knowing that we prefer the comfort and safety of what we know to be still waters, how do we feel when Jesus says, "Let us cross to the other side"? ©LPi

Questions of the Week

First Reading: Much of the book of Job addresses the mystery of suffering and God's role in human affairs. Today we hear part of God's response to Job's questioning with images of the sea and raging waters, representing God's power and omniscience. What helps remind you it is God who governs the universe with purpose and fidelity?

Second Reading: Paul encouraged the Corinthians to have the conviction of faith that since Christ died for all, believers should now live for him. In doing so, we become a "new creation." How have you seen this happen in your life as a person of faith?

Gospel: Early in their following of Jesus, the disciples' witness of the miracle of Jesus calming the storm at sea led them to ask: "Who then is this whom even wind and sea obey?" How would you explain to others who wonder about the divinity of Jesus? ©LPi

LIVE THE LITURGY

Do we trust that God will take care of us and has things under control? When life gets difficult, shaky or painful, we may find ourselves wondering what we may have done to deserve this fate. Often, we go to great lengths to explain suffering away, as if it has no purpose and ought not to exist. In an attempt to get God on our side in our battle against suffering, our prayer can mirror a question asked by the disciples: do you not care that we are perishing? As we are asking that question of God, God is asking of us: do you not yet have faith? It is for certain that God does not intentionally inflict pain upon us. God has no sinister plot to test our faith or trip us up. Rather, the unconditional, restorative and rejuvenating power of God's love can bring light out of the greatest darkness and gives hope in the midst of deep despair. We have to be patient and ride out the storm. It is our task to deepen our faith that God will calm the wind and draw meaning out of that which seems senseless. ©LPi

Everyday Stewardship
Recognize God in your Ordinary Moments
Waking God

A show of hands, ladies and gentlemen. Have any of you been given the silent treatment and had absolutely no idea why?

On the flipside, have any of you have sworn you're not going to demean yourself by explaining, for the thousandth time, that you need extra help with the kids before soccer practice, or that you feel ignored when your spouse doesn't ask how your day went?

But sadly, love doesn't give you the ability to read minds. And in the end, we learn the lesson again and again, we have to verbalize our feelings, our needs, our wants. Expecting your partner to anticipate your needs is guaranteed to end badly.

It's the same with God, even though, oddly enough, He *does* have the ability to read minds. But He still desires us to explain ourselves to Him, doesn't He? "I'm feeling scared of this." "I'm really worried about that." "God, I think I need x, y and z. Help me. Please."

Jesus slept on that boat, as it was tossed and turned by the waves, until his disciples woke him. "Why were you sleeping?" they ask. Well, geniuses, he was sleeping because they hadn't woken him up yet. They had wasted time cowering in fear, waiting for him to act. They gave him the silent treatment and they didn't even know it.

God doesn't desire us to verbalize our needs as a way of keeping us submissive. He's not that petty. What He desires is the communication — that's what really counts. That act of opening yourself up, of becoming vulnerable, of relying on Him, trusting Him. If it feels like God is asleep in your life, ask yourself this, have you tried waking Him up? — *Tracy Earl Welliver, MTS*
