Mary: The Model of Motherhood

By Meghan Hathaway, Director of Communications

When my son was just a year old, he had surgery for a kidney condition. After the procedure was completed, my husband and I waited anxiously for the surgeon to come get us. Finally, they took us to him, and we learned that he was having a hard time waking up from the anesthesia. His vitals were shaky and unstable. They placed him in my arms, and he immediately relaxed. Soon, his body began to stabilize.

The role of a mother is to be a safe place, a nurturer, and a caretaker. As a mother fulfills her role, her children grow and learn with confidence in who they are and how they fit into the world around them. In my son's case, waking up from surgery was confusing, unfamiliar, and scary. But when I held him in my arms, he found peace and comfort in my embrace.

Our Blessed Mother Mary holds a similar role in our spiritual lives. While sometimes we don't understand why certain things are happening or how to navigate specific situations, she hears us and understands our deepest wounds, fears, and joys. She experienced suffering alongside her own Son, watching Him suffer and die, with nothing she could do to "fix it" for Him. How many times, as mothers, do we wish we could take on the sickness, hurt, or emotional pain of our children?

Mary relates to each of us as mothers and has special graces to share with us throughout our journey of motherhood. She never tires of interceding for us, for by interceding for us, she draws us closer to Jesus. While we, as mothers, can sometimes become impatient or discouraged, Mary, as our perfect mother, never tires. She is always there to offer our prayers to the Lord when we call on her.

As a mother, one of my greatest fears is leaving this world while my children still need me. And those of us without mothers may also feel the void and loss of that important person in our lives. However, the Lord gave us a beautiful gift when He gave us the Blessed Virgin Mary as our mother — the most perfect mother. Even in loss, we have Mother Mary to love us and turn to. She will always be there. What a comfort it is to know that the One who loves us and our children even more than we do has given us the most perfect mother to care for us and our families throughout our earthly lives. One of the most beautiful gifts we can give our children and families is a relationship with Mary, who wants to be our safe haven, to comfort us in our sorrows, and rejoice with us in our triumphs.

This May, as we celebrate the month of Mary, I encourage you to find a way to honor Mary in a special way and reflect on her example of humility, obedience, and unwavering faith. Here are some ideas for prayers and actions to grow closer to Jesus through Mary this month:

Prayers

- Rosary: A traditional prayer based on Scripture that involves meditating on the "mysteries" of the life of Jesus and Mary.
- Hail Mary: A traditional Catholic prayer that addresses Mary, the mother of Jesus.
- Litany of the Blessed Virgin Mary: A litany that seeks the intercession of Mary through her various titles.
- Angelus (or Regina Coeli during the Easter season): A Catholic devotion commemorating the incarnation of Christ. It is traditionally recited at 6:00 AM, 12:00 PM, and 6:00 PM.
- Memorare: A Catholic prayer seeking the intercession of the Blessed Virgin Mary, often used for help and protection.
- Novena to Our Lady: A devotion involving nine days of prayer, seeking Mary's intercession.
- Prayer of Consecration to Jesus through the Immaculate Heart of Mary: A prayer in which individuals dedicate themselves to Mary, acknowledging her as their mother and seeking her intercession and protection.

Other Ways to Honor Mary

- Read a book about Mary.
- Learn about a new Marian devotion.
- Share the Miraculous Medal.
- Flower your Mary statue.

"To succeed in your intentions, entrust yourselves to the Blessed Virgin Mary always, but especially in moments of difficulty and darkness. From Mary we learn to surrender to God's will in all things. From Mary we learn to trust, even when all hope seems gone. From Mary we learn to love Christ, her Son and the Son of God. Learn from her to be always faithful, to trust that God's Word to you will be fulfilled, and that nothing is impossible with God."
— St. John Paul II

SoulCore: Connect with Mary through Movement

By Andrea Krautkramer, Small Group Coordinator

If I'm being honest, I'm always looking for ways to do more in less (or equal) time. Can I fold my laundry and talk to my mom at the same time? Can I take a walk and listen to that podcast from *Abiding Together*? If I get up a little earlier, how many things can I accomplish before my first meeting?

Lately, I've also been focused on two deeper goals. How can I incorporate God more into my everyday moments and learn more about our faith? How can I truly feel His presence more deeply?

One thing I've recently discovered is SoulCore. I know it may seem like a weird or obscure name, and it might intimidate some. However, SoulCore is really just about moving your body while praying the Rosary, helping you connect your mind, soul, and body to our Blessed Mother and Jesus.

About two years ago, I was first introduced to SoulCore, and I believe it was one of the best Rosaries I've ever prayed. I think it's because it allowed me to stretch, make decisions on movements that I could offer up to the Lord, and focus more deeply on the Rosary. I was captivated and felt peace after spending time with the Blessed Mother, her Son, our community, and my movement. I was able to stop and slow down for about an hour, channeling all my distractions into prayer, reflection, and movement.

Recently, St. Hubert supported me in obtaining my SoulCore certification with the goal of making it accessible to everyone. (SoulCore is for everyone – even guys!) It is entirely different from the way I teach group fitness classes, which are fast, loud, full of sweat, weights, and more. SoulCore, on the other hand, involves a combination of core-strengthening, stretching, and functional movement. We begin with basic stretches to warm up the body and recite the Apostle's Creed. Each Mystery starts with a scripture verse and a reflection, offering a time of rest. You're invited to do push-ups or an alternative during each of the Our Father prayers. Movements will vary for each Hail Mary. A position of surrender is offered during the Glory Be.

The movements are invitations only. You can sit in a chair, get on the floor, or simply rest. My only job is to invite and serve as a vessel to help you make a stronger connection to the Blessed Mother, Jesus's life, and the virtues of each decade. What an honor and gift I've been given.

Another thing we focus on is the Genesis — or the beginning — of movements. All movements start with a tall spine, stretching up to the heavens, vertebra by vertebra. The collarbones widen with your breath through your nose, and as you exhale, you contract your core muscles and ribcage (like when you laugh). And my favorite part: the dropping down of your shoulder blades into your back pockets. My guess is you probably just sat up a little straighter! In fact, your body just became a symbol of the cross, with your elongated spine and open collarbones serving as the two wooden crossbars.

I often get asked, "Is this Yoga?" It isn't. The entire movement is based on the Rosary alone and your prayer. While I'm not a yoga expert, I believe SoulCore is a beautiful option that brings you closer to God, rather than focusing on movements stemming from other religious beliefs and gods.

I also get asked, "What if I don't know all the prayers of the Rosary?" We are all learning, myself included. I can't recite all of the prayers by heart, I skip a Hail Mary once in a while, I can't rattle off all the mysteries on demand, I get distracted, and I'm still trying to figure out what a virtue is. And that's okay.

The Lord is stirring in your heart, and He reminds us in Philippians 4:6: "Do not be anxious about anything, but in everything, by prayer and supplication, with thanksgiving, let your requests be made known to God."

As a leader, I recite the first part of each prayer out loud, and the second part of every prayer is said in silence. This gives

you the opportunity to reflect on the prayers and meditate more deeply on the life and word of Christ.

So, SoulCore IS for everyone — younger, older, kids, pregnant, flexible, non-flexible, teenagers, those having "a good day" or "a bad day" — an invitation and an opportunity to say the Rosary in a different way that may help you too. I invite you to try it and join us, or I can come to your event or small group! May the Blessed Mother pour out her love on your Rosary journey.

Rest in the Presence of Mary

By CeCe Smith, Parishioner

Nestled next to the Adoration Chapel on the west side of the church building is the Mary Garden. The Mary Garden is a special place where people can gather, pray, meditate or simply be in the presence of Mary and the beauty of nature.

In order to create this beautiful space, there are several volunteers called "The Gardening Angels" and St. Hubert's grounds crew who care for the garden through spring cleaning, planting flowers and shrubs, watering and weeding, turning the garden over for fall and then putting it to bed for the winter.

For me, I enjoy being part of a community of volunteers working with a purpose. That purpose changes from season to season requiring a variety of skills and people. I have so many fond memories of working beside other volunteers and simply sharing our faith, and our lives while reaping the joys of gardening.

Volunteers range in age from preschoolers to the young at heart. There are individuals, couples, families, and groups that volunteer. One of the Gardening Angels, Gail Diedrick, commented that she wanted to get more involved at St. Hubert and being a Gardening Angel was a good fit for her because she enjoys being outside and helping create something beautiful while meeting other parishioners. Gail has a fond memory of having someone take a picture of her, her husband and her mother in the Mary Garden just before her mother passed away.

Another Gardening Angel, Shelly Cook, brings her grandson Owen to volunteer with her. She said, "Owen and I volunteer because we want to support St. Hubert and we enjoy working outside to plant and maintain the gardens. Owen also earns service hours for Holy Family Honor Society."

Many parishioners enjoy the Mary Garden as well. Numerous photos ranging from First Communion to wedding "first look" photos have been taken in the Mary Garden. Do you ever spend time in the Mary Garden? If yes, please continue to enjoy it. If you have not, I encourage you to come by and visit our Blessed

Mother in an environment that celebrates her in a natural setting where you can gather with others, pray, meditate or simply be in the presence of Mary.

First Holy Communion

MAY 10-11
MAY 17-18

St. Hubert has 111 children receiving their First Communion this year. Reception of the Holy Eucharist is one of the greatest gifts God has given to us. Through the gift of Holy Communion, we are able to share a deep intimacy with Jesus. Let us commit to continue journeying with our young ones, and by our words and deeds, be examples for them to follow. May this milestone for them be a moment for us to remember our first encounter with Jesus in the Holy Eucharist; and for us to more deeply appreciate the gift Jesus extends to us every time we are gathered at the Sacred Banquet.

PRAYER FOR FIRST COMMUNICANTS

Dear Lord, we thank You and praise You for the most precious gift of the Holy Eucharist. We ask You to bless all those who are preparing to receive Your Body and Blood for the first time. You have provided for us richly through the gift of Your Body and Blood. Receiving the Holy Eucharist is a tremendous blessing, and we ask You to help all who are preparing to make their First Holy Communion. Help them to grow in love for You each day of our lives. Help them to always appreciate the great gifts You have given us for our salvation.

Sacrament of Confirmation

MAY 20

St. Hubert has 105 youth who will receive the Sacrament of Confirmation at the Cathedral of St. Paul this year. The Sacrament of Confirmation completes the grace of the Sacraments of Initiation (Baptism & Eucharist) by a special outpouring of the gifts of the Holy Spirit, which seal, or "confirm," the baptized in union with Christ and equip them for full, active participation in the worship of the Church. As we accompany our youth, may we be reminded of the Gifts of the Holy Spirit received in our own Confirmation and use those gifts to help us go out and be missionary disciples in our families and in the world.

PRAYER FOR CONFIRMANDI

Lord, You send out Your Spirit to touch the hearts of all people, so that they may believe in You and in Jesus whom You sent. Look kindly on all candidates for Confirmation as they listen to Your voice. Open their hearts to Your Spirit and bring to fulfillment the good work that You have begun in them. As we prepare these youth for Confirmation, make each of us an instrument of Your love. Teach us to appreciate what is holy in others, and to be patient with what we do not understand. Deepen our faith in the Gospel and help us to pass it on by our example. We pray that You will continue to guide us and sustain us. Through Christ our Lord, Amen.
