Kickoff Weekend | March 6-7, 2021

"There is not a moment in which God does not present Himself under the cover of some pain to be endured, of some consolation to be enjoyed, or of some duty to be performed. All that takes place within us, around us, or through us, contains and conceals His divine action."

Jean-Pierre de Caussade
Abandonment to Divine Providence

YEAR OF SAINT JOSEPH

"Each of us can discover in Joseph - the man who goes unnoticed, a daily, discreet and hidden presence - an intercessor, a support and a guide in times of trouble."

Inspiration for the Week

by Rev. Mark Suslenko

With our world in such constant turmoil and conflict, it makes such good sense to return to the simple directives given in the Ten Commandments. God's unassuming guidelines provide the perfect recipe for ordering our relationships with God, others, and even ourselves. But yet, we are so quick to glance beyond them and even remove them from public view because we foolishly believe we can create something better. Arrogance runs far deeper in the members of our society than we can ever imagine. Lent is a perfect time to call ourselves back to our foundations and the basic relationships that comprise our lives. It is also a time to remember that Jesus is the true sign of God's presence. Everything he says and does, including his suffering and death, is a sign of the God who sent him. The anger we witness when Jesus exhorts those in the temple to stop making his Father's house a marketplace can equally be seen in his anger and frustration over humanity's constant mission to turn God's creation into a secular world. We have a lot of work to do for sure.

Kickoff Weekend: 2021 Archbishop's Annual Appeal

This weekend marks the start of the 2021 Archbishop's Annual Appeal. If you did not receive the Annual Appeal request mailing please pick up a packet as you leave church today. As Catholics in the Archdiocese of Hartford we have a profound impact on our local communities not only in the spiritual real, but intimately connected to it, the realm of social services and many charities and outreach services performed by, or with help from, our Church.

For the fifth year in a row, in 2020, the Archbishop's Annual Appeal Vicariate Outreach Program provided over $1,000,000 to over 200 local organizations in Hartford, Litchfield and New Haven counties.

Organizations such as (St. Vincent DePaul Society, Glastonbury) right here in our ow town received funding that makes a difference in serving our neighbors.

All funds contributed to the Archbishop's Annual Appeal are used exclusively for the purposes outlined in the Appeal literature, which can be found at https://archdioceseof Hartford.org/appeal/. *No Appeal funds are ever used for legal fees or settlements.*

Please view the kickoff video that tells the stories of some of the beneficiaries of your kind donations in years past: https://youtu.be/pnsusVVO0GI.

CHANGE YOUR CLOCK

CHANGE YOUR BATTERIES

Many prefer a "create as you go" approach to life where laws and protocols primarily exist to secure and protect liberties rather than dictate and outline proper and right behavior. There are no real benchmarks for acceptable ethical and moral behavior, with a "you can't tell me what to do" attitude prevailing. Parents are even limited in what they can request of their children, and dealing with threatening behaviors, especially from adults, are a challenge as well. Acceptable and expected conduct seems to amount to safeguarding each other's space rather than increasing awareness of necessary relationships that require a more refined and higher response.

We have lost our axis to the world of "anything goes" and no longer see the Ten Commandments as practical and wise guideposts to effective living. We live on "relativism island" where only a possible suggestion to "love and do not harm" may be the only standard able to be preached. While Jesus most certainly emphasized love above anything else, it was never about warm fuzzy feelings or halfhearted humanitarian efforts. The love of which Jesus spoke establishes an intimate connection with God, neighbor, self, and creation. Because this love, who is God Himself, is at the foundational core of our lives, it demands actions and attitudes that serve to build up, increase, and free up those relationships. Love requires proper conduct. Preserving and enhancing these love centered relationships is at the heart of the Ten Commandments (and the Beatitudes) and the reason for Jesus' display of anger in the temple.

The Ten Commandments can save the world from turmoil and conflict by instilling basic moral and relational principles within us. They also hold a healthy sense of sin in balance and always remind us of our relationship with God and the freedom God offers. Our faith preserves these jewels of truth that we often look beyond, dismiss altogether, or seek to remove from public view. Human beings can be so arrogant at times. Our Lenten journey, especially when embarked upon with sincerity and resolve, can restore all of our essential relationships. When we get absorbed in life's preoccupations and demands, things can quickly get distorted and we can find ourselves way off track. In short, we find ourselves in sin. Humanity is losing a sense of both grace and sin. We need both to understand what is real and true. Until we do, the oppressive systems and ideologies that hurt so many will never change. We will never change. We are grateful for those courageous souls who willingly embrace the conversion and hard work Lent demands and stand against antiquated systems and ideologies. They give us hope that all is not lost.

CONNECTICUT CATHOLIC Public Affairs CONFERENCE

Help Stop State Sponsored Suicide in Connecticut

The Connecticut General Assembly is considering legalizing a form of suicide commonly referred to as "aid-in-dying" or "physician-assisted suicide". The legislation is House Bill 6425 "An Act Concerning Aid in Dying for Terminally Ill Patients".

Modern hospice care and the proper use of pain medications render suicide unnecessary, and we need to be mindful of the threat that a suicide mentality poses to vulnerable people and to people with disabilities.

Many people believe that a physician is deeply involved in this process. This not true. The physician orders the mixture of medications, the patient must then orally consume the deadly cocktail of drugs without assistance, many times without even a physician or nurse present.

We should never allow legislators to establish suicide as a solution to medical issues.

Catholic teaching condemns physician-assisted suicide because it, like murder, involves taking an innocent human life.

TAKE ACTION: Read more on the issue at **ctstopsuicide.org**, then sign the petition to stop the legalization of assisted suicide in Connecticut.

PODCAST:

"How is your Lent Going?"

"For many folks, Lent becomes a task; a task of doing certain things, whether it's removing things from their life that they consider creature comforts or stumbling blocks, or putting something else in, but only for that 40-day period. But for others, Lent is about a journey of transformation, of attitudes and thoughts."

Lenten Giving Program 2021: for Immaculate Conception Shelter Mar. 13-14

Next weekend, Mar. 13-14, the Lenten Giving Program 2021 will be collecting for Immaculate Conception Shelter and Housing (ImmaCare) which provides a safe haven for men who are homeless in the Hartford area.

- Shaving cream
- Soap
- Deodorant
- Shampoo
- Toothpaste, toothbrushes
- Disposable razors
- Kitchen items
- Towels
- Sheets
- Blankets
- Pillows
- Tote bags
- Backpacks
- Men's clothing
  - Shoes
  - Socks
  - Underwear
  - Gloves
- Non-perishable food, etc.

Please be generous and place your donation at the back of the south wing (St Paul Church).
Thank you.

Thank You very much to everyone who donated items to the Outreach program in February. Your generosity is greatly appreciated. This is an additional ImmaCare program which supplements the hot food that our parish provides to the shelter each month.

The Outreach Program helps to provide nourishment five days each week to the homeless living on the street, in abandoned buildings or wherever shelter can be found. Donations from SS. Isidore and Maria supplement the sandwiches which are distributed each day. Since there is virtually no funding for this program, an acute need exists for food and water.

There are a few different ways to make donations for the Outreach program.

- Send a check to ImmaCare and put in the memo line a notation that the check is for the **OUTREACH PROGRAM.**
- Order items from Amazon, Walmart, and Target for direct shipment to ImmaCare
- Leave donated items at either St. Augustine Church (in the hallway) or St. Paul Church (in the box in the South Wing marked "ImmaCare Outreach.").

We are hopeful that these steps will increase donations for this important ImmaCare ministry. For more information on what's needed - and how you might be able to volunteer - visit the ImmaCare page on the parish website: http://ow.ly/Ezey50DGWiM

This Day in History

March 13, 2013

The 2013 papal conclave elects Pope Francis as the 266th Pope of the Catholic Church.

March 11, 1893

Danish-born American ice cream vendor **Christian Kent Nelson**, born this day. He patented the first ice cream bar (1922). He originally sold them as "I-Scream-Bars", but later partnered with local chocolate producer Russell C. Stover to mass-produce them under the name "Eskimo Pie".
Nelson received the inspiration for his invention when a boy in his store was unable to decide whether to buy ice cream or a chocolate bar, so he ventured forth to find a way to combine the two.

So Oliver, we say "Congratulations" to Pope Francis on his anniversary!

I wonder if Pope Francis likes ice cream? Fr. Mark loves ice cream (only a little) but he won't give us any. He always says something about a "pooper scooper".
