MESSAGE OF HIS HOLINESS POPE FRANCIS FOR THE SECOND WORLD DAY FOR GRANDPARENTS AND THE ELDERLY
24 July 2022

"In old age they will still bear fruit" (Ps 92:15).

These words of the Psalmist are glad tidings, a true "gospel" that we can proclaim to all on this second World Day for Grandparents and the Elderly. They run counter to what the world thinks about this stage of life, but also to the attitude of grim resignation shown by some of us elderly people, who harbour few expectations for the future. The Most Holy Trinity
by Pope Benedict XVI

Today we contemplate the Most Holy Trinity as Jesus introduced us to it. He revealed to us that God is love "not in the oneness of a single Person, but in the Trinity of one substance" (Preface). He is the Creator and merciful Father; he is the Only-Begotten Son, eternal Wisdom incarnate, who died and rose for us; he is the Holy Spirit who moves all things, cosmos and history, toward their final, full recapitulation. Three Persons who are one God because the Father is love, the Son is love, the Spirit is love. God is wholly and only love, the purest, infinite and eternal love. He does not live in splendid solitude but rather is an inexhaustible source of life that is ceaselessly given and communicated. To a certain extent we can perceive this by observing both the macro-universe: our earth, the planets, the stars, the galaxies; and the micro-universe: cells, atoms, elementary particles. The "name" of the Blessed Trinity is, in a certain sense, imprinted upon all things because all that exists, down to the last particle, is in relation; in this way we catch a glimpse of God as relationship and ultimately, Creator Love. All things derive from love, aspire to love and move impelled by love, though naturally with varying degrees of awareness and freedom. "O Lord, our Lord, how majestic is your name in all the earth!" (Ps 8: 1) the Psalmist exclaims. In speaking of the "name", the Bible refers to God himself, his truest identity. It is an identity that shines upon the whole of Creation, in which all beings for the very fact that they exist and because of the "fabric" of which they are made point to a transcendent Principle, to eternal and infinite Life which is given, in a word, to Love. "In him we live and move and have our being", St Paul said at the Areopagus of Athens (Acts 17: 28). The strongest proof that we are made in the image of the Trinity is this: love alone makes us happy because we live in a relationship, and we live to love and to be loved. Borrowing an analogy from biology, we could say that imprinted upon his "genome", the human being bears a profound mark of the Trinity, of God as Love.
