Parish News-English

My friends, going back to St Mary of the Crown's mission statement, "you are the light of the world; a city set on a hill cannot be hidden...." here is insightful reflection by St John Paul II from World Youth Day in Toronto in 2002.

" For those who first heard Jesus, as for us, the symbol of light evokes the desire for truth and the thirst for the fullness of knowledge which are imprinted deep within every human being.

When the light fades or vanishes altogether, we no longer see things as they really are. In the heart of the night we can feel frightened and insecure, and we impatiently await the coming of the light of dawn. Dear young people, it is up to you to be the watchmen of the morning (cf. Is 21:11-12) who announce the coming of the sun who is the Risen Christ!

The light which Jesus speaks of in the Gospel is the light of faith, God's free gift, which enlightens the heart and clarifies the mind. "It is the God who said, 'Let light shine out of darkness', who has shone in our hearts to give the light of the knowledge of the glory of God on the face of Christ" (2 Cor 4:6). That is why the words of Jesus explaining his identity and his mission are so important: "I am the light of the world; whoever follows me will not walk in darkness, but will have the light of life" (Jn 8:12).

Our personal encounter with Christ bathes life in new light, sets us on the right path, and sends us out to be his witnesses. This new way of looking at the world and at people, which comes to us from him, leads us more deeply into the mystery of faith, which is not just a collection of theoretical assertions to be accepted and approved by the mind, but an experience to be had, a truth to be lived, the salt and light of all reality (cf. Veritatis Splendor, 88)

Noticias de Nuestra Parroquia-Espanol

Amigos míos, volviendo a la declaración de misión de Santa María de la Corona, "ustedes son la luz del mundo; una ciudad asentada sobre una colina no se puede esconder ..." aquí está la profunda reflexión de San Juan Pablo II de la Jornada Mundial de la Juventud. en Toronto en 2002.

"Vosotros sois la luz del mundo....". Para todos aquellos que al principio escucharon a Jesús, al igual que para nosotros, el símbolo de la luz evoca el deseo de verdad y la sed de llegar a la plenitud del conocimiento que están impresos en lo más íntimo de cada ser humano.

Cuando la luz va menguando o desaparece completamente, ya no se consigue distinguir la realidad que nos rodea. En el corazón de la noche podemos sentir temor e inseguridad, esperando sólo con impaciencia la llegada de la luz de la aurora. Queridos jóvenes, ¡a vosotros os corresponde ser los centinela de la mañana (cf. Is 21, 11-12) que anuncian la llegada del sol que es Cristo resucitado!

La luz de la cual Jesús nos habla en el Evangelio es la de la fe, don gratuito de Dios, que viene a iluminar el corazón y a dar claridad a la inteligencia: "Pues el mismo Dios que dijo: 'De las tinieblas brille la luz', ha hecho brillar la luz en nuestros corazones, para irradiar el conocimiento de la gloria de Dios que está en la faz de Cristo" (2 Co 4, 6). Por eso adquieren un relieve especial las palabras de Jesús cuando explica su identidad y su misión: "Yo soy la luz del mundo; el que me siga no caminará en la oscuridad, sino que tendrá la luz de la vida" (Jn 8, 12).

El encuentro personal con Cristo ilumina la vida con una nueva luz, nos conduce por el buen camino y nos compromete a ser sus testigos. Con el nuevo modo que Él nos proporciona de ver el mundo y las personas, nos hace penetrar más profundamente en el misterio de la fe, que no es sólo acoger y ratificar con la inteligencia un conjunto de enunciados teóricos, sino asimilar una experiencia, vivir una verdad; es la sal y la luz de toda la realidad (cf. Veritatis splendor, 88)."
