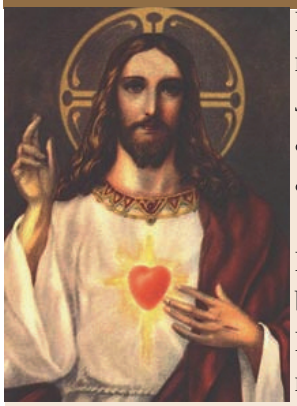
Religious Education News:



Did you know that June is the month of the Most Sacred Heart of Jesus? The heart of Jesus is viewed as a symbol of "God's boundless and passionate love for mankind".

Devotion to the Sacred Heart goes back to the 11th century. St. Margaret Mary Alacoque had multiple visions of the Sacred Heart between 1673 and 1675. In one of her vision in 1674, she said, Jesus asked to be honored under the figure of His Heart of Flesh and asked for a devotion of love — frequent Communion, Communion on the first Friday of each month and the observance of Holy Hours. She also stated that Christ made twelve promises to those who have a devotion to His Sacred Heart. The history of the Most Sacred Heart of Jesus through the centuries is fascinating; you might want to explore using Catholic sites on the web.

During the month of June might be a good time for parents to introduce the devotion to the Sacred Heart of Jesus to their children and to reiterate the great love Christ has for all of us. Finding the right image of the Sacred Heart of Jesus to display at home could be a family activity. Honoring Christ in this visual way is special and often inspiring to give our love back to Christ. “Sacred Heart devotion is not magic or some automatic ticket to heaven; it is a sacred way for us to encounter the fullness of the Gospel, the good news of God’s saving love poured out for us in Jesus Christ. As we steadily progress in our knowledge and communion with the Lord, we will fall ever more deeply in love with Jesus and live out that transforming and redemptive relationship in every detail of our lives. This devotion unites our minds, hearts and wills in one great act of oblation — a total gift of the self to the One who has first offered himself completely to and for us.” Comment of Bishop Donald J. Hying

More information on the Sacred Heart of Christ will be shared during June. Do you have an image of or special devotion to the Sacred Heart you would like to share in the Parish bulletin? Please forward to:
