Reflexión

29 de Agosto de 2021

22º Domingo del Tiempo Ordinario

Estamos viviendo un contexto social muy difícil, muchas personas, a estas alturas del año, todavía no tienen trabajo y su salud es muy precaria. Las injusticias están a la orden del día. Gracias a la Palabra de Dios que nos guía, nuestro corazón se fortalece en la esperanza. Litúrgicamente, hoy regresamos al Evangelio de Marcos, ciclo B, después de haber escuchado el capítulo 6 de San Juan, donde se da el discurso del Pan de Vida. Iniciamos la lectura de Santiago, después de haber escuchado la de los Efesios. Hoy las lecturas apuntan a una misma dirección. ¡Hacia la coherencia en la propia vida! Hacer y vivir lo que decimos es una tarea de todos los días. Seguir los mandamientos con fidelidad es lo que pide el Señor. La enseñanza de Dios de vivir moralmente es el objetivo desde la creación del mundo.

"Y ahora, Israel, escucha las normas y los mandamientos que yo te enseño, para que los pongas en práctica" (Deuteronomio 4:1). La Carta de Santiago lo describe de la siguiente forma: *"Hermanos muy queridos, no se equivoquen: son las cosas buenas y los dones perfectos lo que proceden de lo alto" (Santiago 1:16).* Y en el Evangelio, Jesús lo pone más claro todavía explicando la manera de ser coherentes: *"Ninguna cosa que de fuera entra en la persona puede hacerla impura; lo que hace impura a una persona es lo que sale de ella" (Marcos 7:15-16).* Jesús habla un lenguaje desconocido para la gente de su tiempo, muchos de ellos eran muy apegados a la ley. Por lo tanto, no podían comprender lo que es la verdadera pureza. ¿Tú lo comprendes? ¡Vivir como Dios manda es lo ideal!

In A Message To Americans, Pope Francis Says Getting Vaccinated Is 'An Act Of Love'

VATICAN CITY — Pope Francis is adding his voice to a campaign to overcome vaccine skepticism, issuing a public service announcement insisting that vaccines are safe, effective and an "act of love."

The video message released Wednesday is aimed at a global audience but directed particularly at the Americas. It features six cardinals and archbishops from North, Central and South America as well as the Argentine-born pope. It was produced by the Vatican and the Ad Council, which has produced a series of pro-vaccine ads in a bid to get more people vaccinated.

In his comments, Francis said: "Being vaccinated with vaccines authorized by the competent authorities is an act of love. And contributing to ensure the majority of people are vaccinated is an act of love."

He added: "Vaccination is a simple but profound way of promoting the common good and caring for each other, especially the most vulnerable."

Francis had emphasized at the start of the pandemic the need to ensure equal access to the vaccine, especially for the poor. But faced with increasing skepticism about vaccines especially among religious conservatives, the Vatican has vowed an all-out effort to overcome hesitancy and encourage widespread vaccination.
