GOSPEL REFLECTION

As our world faces so much turmoil and change, it is now more important than ever to remember who God is, who we are and where we are going. It is easy to get distracted and lose focus, especially when we are being pulled in so many directions. We can not only lose sight of God but one another. Maintaining our well developed and mature relationships with God and one another is essential to continuing to live, healthy, happy, and focused lives. In a message to young people, Pope Benedict XVI said, "the happiness you are seeking, the happiness you have a right to enjoy has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist." What is true for those who are younger is even truer for those who are older. Regardless of how the particulars of life change over time, human beings are still hard-wired to seek the fullness of life and happiness. How we embark on this journey and what we choose along the way will indicate whether we meet success. There is so much brokenness and pain in our world. Many people are lost, feeling lonely, anxious, marginalized, victimized, isolated, oppressed, and abused. Every time we receive the Body of Christ, we have an opportunity to become what we eat. The power and presence of Christ in the Eucharist becomes present in us and effects change in ourselves and in the lives of those we meet. We are given the grace to become temples of justice and peace, carrying God's sacred Presence within us wherever we go. Our faith community is ignited with the fire of God's love and stands out as a beacon of hope in a world that is lost. This is the only way we can discover peace-filled resolutions to violence and create innovative solutions to what is fueling its need in the first place. True happiness, for the young and old alike, becomes an obtainable goal.

St. John Maria Vianney says it so well. "There is nothing so great as the Eucharist. If God had something more precious, he would have given it to us." Only the Eucharist has the ability to connect, sustain, strengthen, and properly orient us, not only on the road of this life but the road to life eternal. Knowing this, when life gets challenging, unsettling, and difficult, we can rely on and cling to this gift we have in the Real Presence of Christ. This actual encounter with God celebrates God's unconditional love for us and grounds us to the truth of who we are in a way nothing else is able to do. Because through the Eucharist we really do become the Body of Christ, we are also bonded together in a most perfect way to one another as that Body. Nourished, united, and strengthened by the Eucharist, let us individually and collectively, bring this wonderful gift to all we meet, especially the poor with whom we have a special connection.

MASS SCHEDULE

Saturday: 5:30 p.m.
Sunday: 7:15, 9:00, 10:45 a.m.
12:30, 5:30 p.m.

Monday to Friday:
7:30 and 9:00 a.m.
Saturday: 7:30 a.m.

LATEST UPDATES ON COVID PROTOCOLS

1. The following Sunday Masses have moved back to the Church:

5:30 p.m. Saturday | 7:15 a.m. | 12:30 p.m. | 5:30 p.m. Sunday

This change is possible because social distancing has been reduced to three feet between individuals of different households and we believe the new capacity can accommodate the Mass attendance we have seen at these Masses. The Bishop has asked that each parish continue to offer outdoor Mass options. The 9:00 and 10:45 a.m. Masses are the most highly attended, which could exceed the current capacity limitations for the church, so these two Masses will remain in the Holy Family Center for the time being, with both indoor and outdoor seating options, to meet the Bishop's request. All daily Masses remain in the Church.

2. Please take note of the following protocol for the Church:

- All ropes have been removed from the pews, please use common sense to maintain three feet of social distance between individuals of different households; be aware of those around you; follow the guidance of ushers
- Masks are still required
- Singing inside and outside is permitted and encouraged; all Mass parts that are normally sung will return to their usual format in the liturgy
- Reception of the Body of Christ remains in the hand only, per the direction of the Bishop; resuming cups for the Precious Blood is not yet permitted
- The Offertory has resumed its normal procedure; ushers pass the baskets
- The Cry Room and Blessed Sacrament Chapel cannot yet reopen due to capacity limitations and the recirculated air systems
- The Sign of Peace remains no-contact
- Missalettes and hymnals will not yet be returned to the Church
- Temperature checks at the door are no longer required

3. Confessions are located on the outdoor Church patio in front of the Parish Office from 4:00 to 5:00 p.m. Saturdays. Please follow the signs.

4. The Church is open for private prayer all day from 7:00 a.m. to 3:00 p.m. Monday to Friday. Disinfecting of the Church takes place in the afternoons.

5. Tuesday Marian Devotions have resumed in the Church.

Stay tuned to Flocknote e-mail for information about further changes as they become available.

SPECIAL THANKS TO E-GIVERS

St. Michael's would like to thank all the families who currently give electronically. Each month our parish receives a steady and predictable stream of income from those parishioners who have made the commitment to give to God first by having a designated contribution automatically transferred to our parish through our Online Giving Program.

This saves the Parish Staff time and resources by making your donation online through St. Michael's website. It is easy to set up a one-time donation OR set up a monthly automatic donation. If you would like to learn more about this easy, safe, and secure way of giving, please contact Cindy Keane at (858) 487-4755 Ext. 3135 or check out our website at www.smpoway.org and click on the "GIVE ONLINE" link.

Please be advised: if you are already a regular online giver who is set up for automatic contributions, you will no longer receive printed envelopes for special collections. In an effort to go green, save paper, and reduce costs, we will no longer ship these pre-printed envelopes. Thanks for your cooperation and understanding.

If you or someone you love has suffered such a loss, our ministry is here to support you during this difficult time. Our goal is to walk beside you and let you know that you *are not* alone. We have a team of women who understand the pain, because we, too, have suffered it. We are here to help! Conversations can be part of the healing process, contact us to talk, text, or e-mail with someone who has gone through this pain. Commemorate your child by placing a remembrance stone in our Garden of Angels. For more info, contact Alice Beas at aliceb@smpoway.org or (858) 487-4755 Ext. 3154. WHY DO WE DO THAT? — CATHOLIC LIFE EXPLAINED

***Question:** Why are some saints honored as "patron saints"?*

Answer: Each person is unique and each of us has different gifts, interests, talents, and, yes, even struggles and areas where we need to grow. This is no less true of those holy women, men, and children who have been canonized or beatified. Because we believe that the saints are both models of faith and intercessors, Christians have looked to certain holy people as role models and heavenly protectors for occupations, spiritual charisms, and even places. Although the Church sometimes names a person as a patron saint (e.g. St. Philip Neri as the patron of Rome, St. Clare of Assisi as the patroness of television, or St. Aloysius Gonzaga as the patron of youth and young adults), more often it is popular devotion that inspires lay Christians to turn to a particular saint or blessed for heavenly help and support. This is how, for example, St. Cecilia came to be honored as the patroness of musicians, St. Toribio Romo as patron of migrants coming into the United States, and St. Gertrude of Nivelles as patroness of cat lovers. Although there are official and unofficial lists of patron saints, we should always feel free to ask any and all the saints to give us their patronage and protection in whatever it is that we need. ©LPi
