PASTORAL REFLECTIONS

Summer is now officially over. As we watch the leaves falling to the ground, we are reminded that nature's cycles are reflected in our lives. We should look at Autumn as a time for letting go and releasing things that have been a burden. All the religious traditions pay tribute to such acts of letting go. Fall is the best time of the year to practice getting out of the way and letting the Holy Spirit take charge of our lives.

Autumn reminds us that there is nothing permanent in our lives. We experience the budding of life in spring and the flowerings and the abundance of summer. The leaves have fallen and bare branches are a reminder of the fleeting nature of things. When we think about fall's changes, we can learn to appreciate all the beauty in this world.

The poet Wallace Stevens once wrote, *"Death is the mother of beauty."* What I think Wallace Stevens was trying to convey is that we cherish the beauty of a sunrise, of a New England autumn, of a relationship, of a child's hug, mainly because things will not be around forever and neither will we be around to enjoy them.

A prayer from the Notre Dame Book of Prayer:

God of all creation, you give us the gift of seasons to mark our journey through time. The season of autumn, with its change of colors and falling leaves, reminds us that sometimes things must die and fall away for new life to arise. Such is the message of the cross—that through death to self we find life in all its richness. In those moments when we experience setbacks for failures, help us to remember that you are with us always, and that there is no failure or sin your love cannot heal. Help us to trust in you and in your promise of new life. Amen.

Think about it.

God bless you.

REFLEXIONES PASTORALES

El verano ha terminado oficialmente. Al observar las hojas caer al suelo, se nos recuerda que los ciclos de la naturaleza se reflejan en nuestras vidas. Deberíamos ver el otoño como un momento para dejar ir y liberar cosas que han sido una carga. Todas las tradiciones religiosas rinden homenaje a tales actos de dejar ir. El otoño es la mejor época del año para practicar salir del camino y dejar que el Espíritu Santo se haga cargo de nuestras vidas.

El otoño nos recuerda que no hay nada permanente en nuestras vidas. Experimentamos el florecimiento de la vida en primavera y las floraciones y la abundancia del verano. Las hojas han caído y las ramas desnudas son un recordatorio de la naturaleza fugaz de las cosas. Cuando pensamos en los cambios del otoño, podemos aprender a apreciar toda la belleza de este mundo.

El poeta Wallace Stevens escribió una vez: "La muerte es la madre de la belleza". Lo que creo que Wallace Stevens estaba tratando de transmitir es que apreciamos la belleza de un amanecer, de un otoño de Nueva Inglaterra, de una relación, del abrazo de un niño, principalmente porque las cosas no estarán ahí para siempre y tampoco estaremos cerca para disfrutarlas.

Una oración del Libro de Oración de Notre Dame:

Dios de toda la creación, nos das el don de las estaciones para marcar nuestro viaje a través del tiempo. La estación del otoño, con su cambio de colores y hojas que caen, nos recuerda que a veces las cosas deben morir y desaparecer para que surja una nueva vida. Tal es el mensaje de la cruz: que a través de la muerte a uno mismo encontramos la vida en toda su riqueza. En esos momentos en que experimentamos reveses por fracasos, ayúdanos a recordar que estás con nosotros siempre, y que no hay fracaso o pecado que tu amor no pueda sanar. Ayúdanos a confiar en ti y en tu promesa de una nueva vida. Amén.

Piénsalo.

Que dios te bendiga.

On **Sunday, October 10, 2021, at 2:00pm**, the annual Archdiocesan Mass will be celebrated at the **Cathedral of Saint Joseph** in Hartford for married couples who have observed or will be observing 25th, 50th, 60th, and other special wedding anniversaries **in 2020 or 2021**.

While typically only those celebrating special anniversaries in a given year are invited to this celebration, couples who had special anniversaries in 2020 are also invited this year in the hopes of recognizing those who could not be celebrated last year when the pandemic led to the cancellation of this annual Mass. Therefore, all married couples from parishes in the Archdiocese of Hartford who are celebrating such anniversaries either in 2020 or 2021 are invited to participate in this liturgy.

The liturgy will include a renewal of Marriage vows followed by an opportunity for couples to have a photograph taken with Archbishop Blair.

Couples can register to attend online at bit.ly/aohmarriagemass. If you need help contact the office 860-289-7916 or Fr. Matthew Gworek 860-541-6491 or at fr.gworek@aohct.org.

Help Stop Extreme Abortion Bill

SIGN THE PETITION

Tell Congress not to take innocent lives!

Congress is about to vote on the most radical abortion bill of all time. The ongoing push to force taxpayer-funded abortion in the budget process is terrible. The so -called "Women's Health Protection Act" is much worse. In addition to forcing taxpayer dollars to fund abortion, this bill would mean...

- Abortion on demand at any stage of pregnancy would be imposed nationwide, even in states that don't want it.
- Pro-life laws would be on the chopping block at every level of government (federal, state, and local). This includes laws on parental notification for minor girls, informed consent, and health or safety protections for abortion facilities.
- Health care professionals like doctors and nurses would likely be forced to perform, assist in, and/or refer for abortion against their deeply-held beliefs.
- Employers and insurers would be forced to cover or pay for abortion. We need to tell the House of Representatives that this horrible bill must never be enacted. Please - can you spare just a moment to email Congress now?

To sign the petition go to: notaxpayerabortion.com
