23RD SUNDAY IN ORDINARY TIME

And people brought to him a deaf man who had a speech impediment and begged him to lay his hand on him. He took him off by himself away from the crowd. He put his finger into the man's ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him, "Ephphatha!"—that is, "Be opened!" - Mk 7:32-34

Witness to Love Marriage Preparation

Witness to Love's unique methodology transforms existing models of Marriage Formation into a process that not only prepares couples for the Sacrament of Matrimony but also enriches existing marriages among mentors chosen by the engaged. This two for one evangelization process is founded upon classical principles of relational virtues in a way that truly renews trust among young Catholic couples and families as well as the parishes that become their new home of faith.
Witness to Love provides this process through leadership formation as well as through sacramental preparation and enrichment ultimately leading to parish renewal. The focus is to create an environment platform through the Marriage Mentors that draw couples closer together to Christ and the Parish. For more information, contact:
