LIVING OUR FAITH

FIRST READING:
Then the Lord said to Moses, "I will now rain down bread from heaven for you. Each day the people are to go out and gather their daily portion; Thus I will test them, to see whether they follow my instructions or not." (Ex16:4)
REFLECTION:
Early in their Exodus journey, the Israelites expressed fear and frustration to Moses. God heard and responded to their "grumbling" by sending bread from heaven. When have you experienced God answering your plea for help?

SECOND READING:
...be renewed in the spirit of your minds, and put on the new self, created in God's way in righteousness and holiness of truth. 4:23-24)
REFLECTION:
Paul told the Ephesians that as believers in Christ you should "put away" the bad parts of "your former way of life." How have you done this in your life as a believer in Christ?

GOSPEL:
"I am the bread of life; whoever comes to me will never hunger, and whoever believes in me will never thirst." (Jn 6:35)
REFLECTION:
We hear today the introduction of Jesus' extended "bread of life" discourse. In referring back to the ancient Israelites who ate "manna" (bread) in the desert. Jesus tells the crowds: "I am the bread of life." How would you explain to someone how Jesus sustains you?

INSPIRATION FOR THE WEEK:
When we lose our ability to trust, we become afraid. When we are afraid, we may begin to grumble and question whether where we are is where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so important to our success on our journey. Often, the road of our lives can become a bit treacherous. We may find ourselves feeling more unsettled than comfortable and less fulfilled than we would like to be. As much as we try, the pieces of our puzzle don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in the mess we call life. God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is for us to trust in this truth, even when we may be lacking in some of life's essentials. The God who gives life is the same God who sustains it. He is also the same God who assures us that we will not perish.

Thank you!

Recently, 16 of our St. Philip High School Youth Group lead by their advisor, Betty Sledge and assisted by several parents, provided a community service at the Dallas Cemetery.
This community service consisted of a clean sweep of decaying flowers and other decorations that were placed on graves by families on Memorial Day.

This was especially important this year because of recent retirements at the Dallas Cemetery, they were short handed.

REMINDER: Placing and Removal of grave decorations is the responsibility of the families of the deceased. Thank You!
