The Jesus Kids Children's Ministry Summer Blast-Off and Waves of Fun in the SON event!!!!

With games and activities we dis-covered how to live Jesus' teaching more faithfully: We created aliens to understand sometimes people will think we're from another planet when we love as God does, the team with the least points is the real winner because the "first will be last and last will be first", we are challenged to stay connected and work together so we need to make time to come to Mass, "Rejoice always" in the ups AND the downs because God uses everything to bring Good to us, and we are to take the lowest seat!
