Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. ©LPi

During this Year of Saint Joseph, the Church has made a plenary indulgence available to all the faithful who satisfy the usual conditions (confession, Eucharist, prayer for the intentions of the Holy Father, a spirit of detachment from sin, and the intention to gain the indulgence for one's self or someone in purgatory), as well as perform one of the prescribed works, as follows:

- Meditate for at least 30 minutes on the Lord's Prayer, or take part in a spiritual retreat of at least one day that includes a meditation on St. Joseph
- Following St. Joseph's example, perform a spiritual or corporal work of mercy
- Recite the Holy Rosary with your family or your fiancé
- Entrust your daily activity to the protection of St. Joseph
- Pray through the intercession of St. Joseph that those seeking work can find dignifying work
- Recite the Litany of St. Joseph for Christians who suffer all forms of persecution
- Recite any prayer or act of piety legitimately approved in honor of St. Joseph, in particular on March 19, May 1, on the 19th of any month, and every Wednesday

This gift of a plenary indulgence extends particularly to the elderly, the sick, the dying, and all those who, for legitimate reasons, are unable to leave their homes, if, detached from all sin and with the intention of fulfilling, as soon as possible, the usual conditions, recite an act of piety in honor of St. Joseph, comfort of the sick and patron of a good death, offering with confidence to God the pains and trials of their life.

The Solemnity of St. Joseph

On March 19th, we celebrate the holiness in the midst of unpredictable fatherhood. We first meet Joseph when he discovers his betrothed is pregnant...and not by him! St. Joseph does not know who the father is (yet), but he knows the punishment for adultery is death. He decides to divorce Mary quietly, and thus save her life. When an angel appears to reveal that Mary is pregnant by the Holy Spirit, St. Joseph trusts his dream and marries her. As a new foster father, Joseph must help his wife give birth in a stable. Later, he needs to escape the threats to his son's life by immigrating with his family to a foreign land. We know that St. Joseph is faithful, brave, and willing to sacrifice for those he loves. On the solemnity of St. Joseph, we don't merely celebrate a carpenter. We celebrate a hero!
