STEWARDSHIP REFLECTION

"Therefore, stay awake, for you know neither the day nor the hour." - Matthew 25:13

Many of us have put off doing something because we think we are too busy.We've all said, "I'll do it later when I have time." Unfortunately, too many of us apply this attitude to our Faith. Jesus' call is urgent, in the here and now, in your current circumstances. How is God calling you to use your gifts today? Don't delay. None of us is guaranteed tomorrow.

FORMED.org

During the month of November, we celebrate those who have gone before us. We all have very real question about death. What happens when we die? What does Scripture tell us? How do we prepare for the life to come? "Eternal Rest: The Art of Dying" is a series of 4 half hour videos that examine the origin of death, the afterlife and the powerful reality around the sacrament that ushers us into eternal life. It hopes to present the Church's teaching about death and God's response to it with wisdom and truth, gentleness and compassion, so we can think about and prepare for death in the light of Jesus Christ, the author of all life.

If you have not already signed up for your free membership to to FORMED.org courtesy of OLL, simply follow these simple steps:

1. 1. Go to FORMED.org/signup
2. Select your parish (use zip code)
3. Choose "I am a parishioner"
4. Register with name and email

CATHOLIC TRIVIA

Q: What is the cathedral for the Diocese of Rome?

A: The Cathedral of the Most Holy Savior and Saints John the Baptism and the Evangelist, commonly know as St. John Lateran is the seat of the bishop of Rome, the Pope.

From the Pastor's Desk

As hard as it is to imagine, weddings in first-century Israel were quite different that we experience here in this metropolitan area. The groom would process from his home to the bride's house. The couple would be lead in a nighttime procession back to his home by 10 virgins who acted as torchbearers. Their traditional duty was to wait with their lamps burning to welcome the bridegroom upon his arrival and then escort them by lighting the pathway in the dark. In our Gospel passage this weekend, Jesus presents a powerful teaching where half of these torch-bearers were prepared with extra oil for their lamps, while the others did not and were unprepared for the grooms unexpected delay. The parable gives us a lesson about the essence of our faith and the importance of spiritual readiness.

The extra oil carried by these wise women serves as a symbol of our faith, good works and the necessity to live a life in accordance with the teachings of God. It is not enough to merely believe, but that we must possess an active and prepared faith that can help us deal with the uncertainties of ordinary life. As individuals, we are called to responsibly nurture and sustain our faith. We cannot "borrow" faith from others, rather, it requires ongoing effort and commitment. We need to make sure that our personal and individual relationship with God is always in a state of spiritual readiness. In our Catholic faith, the sacraments, prayer and good works are essential elements that nourish and sustain our spiritual lives. Regular participation in the sacraments, especially the Eucharist and Reconciliation, are the crucial oil that keeps our spiritual lamps burning brightly.

Our faith must be lived intentionally. When we strive to align our lives with Jesus' teachings, we ensure that it is not something merely professed, but actively lived out. This preparation is an ongoing process which readies us for the moment when we encounter Christ, the bridegroom, whether in the course of our ordinary lives or at the end of time. We are challenged to reflect on the depth of our faith and the constant need for spiritual preparation. It calls us to live with a faith that goes beyond words because it is active, intention and always ready. Jesus clearly told them that no ones knows the day nor the hour when He would come again, but that they should always be prepared. Let us all strive to emulate the wise virgins by ensuring that our lamps are filled with the oil of vibrant, enduring and active faith so that we are ready to greet Him when He come agina.

OLL SCHOOL NEWS

What a joyful start to November at Our Lady of the Lake School! Our Halloween parade was a big success, with students from our littlest PreK pumpkins to our 8th grade Lakers marching proudly in their creative, colorful costumes. Our Lakers are also putting gratitude into action through the Student Council's Homerooms for Heroes fundraiser, which benefits Community Hope. This local nonprofit helps veterans and their families facing homelessness. We warmly invite our parish and alumni communities to join us for these upcoming moments in the life of our school:

Veterans Day Assembly–On Wednesday, 11/11, our school community will gather to honor those who have served our country. We would love to welcome veterans to share their stories with our students, helping them better understand service, courage, and sacrifice. If you or a family member has served and would like to join us, please contact our Office Manager, Ms. Garcia, at jgarcia@myoll.org.

Annual Gala–Join us for City of Lights: Masquerade Ball on Friday evening, 11/20, from 6-11 at The Highlawn in West Orange. Enjoy a cocktail reception overlooking the NYC skyline, along with a Tricky Tray, silent auction, and 50/50 raffle. Last year's Gala sold out, so invite your family and friends! For tickets and details, contact the Main Office of visit myoll.org/fundraising.

School Mass–Our school community will celebrate the Solemnity of the Immaculate Conception of the Blessed Virgin Mary at Mass on Tuesday morning, 12/8, at 8:30. We would be blessed to have parishioners join us in prayer.

Thank you for your continue support of Our Lady of the Lake School! Please keep our students and staff in your prayers as we will do the same for you.

HELPING OTHERS

As we approach the holiday season, please keep in mind our Verona families who could use our assistance. We are currently accepting donations for our neighbors and friends who are in need of some assistance during the holiday season. Your generous donation will allow these families to have an enjoyable, blessed holiday season. All donations will go directly to the Verona Children's Fund. Many of our Verona families have been affected by financial hardship.

You can make all checks out to Our Lady of the Lake and please note on the memo line Verona families. Donations can be either dropped off or mailed to the Parish office. Please give what you can. Thank you for all your assistance in helping our neighbors in need.

FAMILY FAITH

Last weekend we completed the SEEK section of our Family Faith experience. Next weekend at our sessions we start the ROOT section of the program. We start by exploring the theme entitled "Time is Holy". Often, we think holiness only happens at church or in the Mass or even when we read the Bible. The truth? How we spend our time matters and we matter to God all the time. His holiness is all around us in the midst of our everyday life. Time is finite, we all need to decide how we want to spend it.

What families are saying: *"The sessions are going really well, I feel as if we are creating community within our parish and for myself, I am reevaluating and making Mass with my family a priority"*

SAFE ENVIRONMENT

The United States Conference of Catholic Bishops (USCCB) renewed its National Catholic Mental Heath Campaign last month encouraging all to eliminate stigmas around mental illness and help those who struggle with it. Parishes are encouraged to support awareness, prayer and local engagement around mental health. You can find resource information at: USCCB.org/mental-health-sunday.

Anyone with knowledge of an act of sexual misconduct is asked to inform us so that we may take appropriate action to protect others and to provide support to victims of sexual abuse. Call the Coordinator of the Office of Accompaniment in the Archdiocesan Department for the Protection of the Faithful at 201-407-3256.

OLL SPIRIT

Are you looking for a way to stay warm and show your Our Lady of the Lake spirit at the same time? We've got you covered – literally! OLL sweatshirts are perfect for chilly mornings, casual days and showing everyone where your parish pride belongs. Don't let the cold leave you out in the cold! Grab a sweatshirt for yourself, surprise a family member, or get one for a friend. They would make great Christmas gifts, too! We have some sizes left in stock, but you can place an order. Hoodies are $40, Crew sweatshirts are $30 and to complete your outfit, we have Our Lady of the Lake bags for your shopping convenience at a great price of $5. So, stay warm, look good and wear your faith with pride! For ordering information, please contact the parish office.

COAT DRIVE

It was amazing to see all the donations of coats, scarves, gloves and hats piling up in the vestibule! The folks from Franciscan Charities came to pick them up and then on Saturday, a group of our Young Adults went down to help sort through all the donations to get them ready for distribution. Thank you for your generous support of this great cause!

CALENDAR RAFFLE

For the last several years we have held a Calendar Raffle here at Our Lady of the Lake. Because of the timing of our New Jersey Legalized Games of Chance License, we can only run the 2027 raffle for 7 months. On the 15th of each month, January - July, one ticket is drawn and the winner collects $700. That winning ticket is then returned so that it is possible for one ticket to win each month for a total of $4,900! Tickets cost $70 each and you can purchase them at the parish office. We will also be mailing forms to every registered household. These forms can be placed in the regular collection basket along with the payment. Only 300 tickets will be sold. They can make a great Christmas present for that special someone who already has everything they need! Because of NJ regulations, tickets can only be purchased with cash or check. Remember, you've got to be in it to win it

OFFERING ENVELOPES

Parishes keep track of the donations that families make so that an end-of-year statement can be provided for tax purposes. There are two ways that we can do that. The traditional way is through parish envelope systems. Recently our provider, Cathedral Corporation, had problems getting the envelopes in a timely matter and many of us found that frustrating. We have done some research and are in the process of moving to a new company. Next month, we will be transitioning to National Church Solutions (NCS). This company has been providing offertory envelopes for 111 years and comes highly recommended for reliable, beautiful envelopes. NCS has been providing offertory envelopes for several parishes in the Archdiocese of Newark as well as St. Patrick's Cathedral in NYC. Envelopes for December and January will arrive toward the end of this month. If you are not on the envelope mailing list, but would like to receive envelopes, please contact the parish office.

PARISH DATABASE

And the winner is – Ministry Platform by ACS Technologies. Our Lady of the Lake has decided to start using Ministry Platform.We reviewed and tested several database platforms but decided that Ministry Platform has the most functionality that will serve our purpose well. MP is a cloud-based church management software and customizable data platform for large churches, dioceses and Catholic parishes. MP offers a centralized database which unifies families, groups and sacramental or demographic records. It will allow us to track events and Family Faith Formation sign-ups. We will be able to centralize messaging via email, or text. This system will also give our parishioners the ability to manage their own profiles, update their contact info and view contribution statements. Ministry Platform also offers an electronic giving platform which allows donors to log in, view live giving history, and manage accounts.Parishioners can create one-time gifts and set up recurring gift schedules. Further information on parishioner sign-ups will be sent shortly.The new electronic giving platform will begin sometime in January, 2027.

UNDERSTANDING LITURGY

It is a good idea to review a few important points about what we celebrate as Catholics and how we do it through the liturgy. If you have any questions about the liturgy or the Church that you would like addressed, please send them to Fr. Peter at Pastor@OLLVerona.org.

WHY DO CATHOLICS PRACTICE INFANT BAPTISM?

Fundamentalists often criticize the Catholic Church's practice of baptizing infants. According to them, baptism is for adults and older children, because it is to be administered only after one has undergone a "born again" experience—that is, after one has "accepted Jesus Christ as his personal Lord and Savior." At the instant of acceptance, when he is "born again," the adult becomes a Christian, and his salvation is assured forever. Baptism follows, though it has no actual salvific value. In fact, one who dies before being baptized, but after "being saved," goes to heaven anyway. For them, baptism is not a sacrament, nor does it convey any grace. It is merely a public manifestation of a person's conversion.

The Catholic Church has always understood baptism in a very different manner. This first Sacrament of Initiation frees the individual from both original sin and actual sin in the case of adults. In the case of infants who are incapable of actualy, it removes the stain of original sin. In the Acts of the Apostles, St. Peter explained what happens at baptism when he said: "Repent, and be baptized, every one of you in the name of Jesus Christ for the forgiveness of your sins; and you shall receive the gift of the Holy Spirit. For the promise is to you and to your children and to all that are far off, every one whom the Lord our God calls to Him" (Acts 2:38-39) In the Gospel Jesus said that "no one can enter heaven unless he has been born again of water and the Holy Spirit." (John 3:5) A baby doesn't understand what love is intellectually, but their parents can love them from the very first moment that they are born. Similarly, Catholic believe that God can give His grace to an infant even through the child cannot understand faith. The parents and godparents make promises on the child's behalf and commit themselves to raising the child in Christianity until the child can personally embrace the faith, Catholics see baptism primarily as something that God does for us, rather than something we do to demonstrate our faith. That's why we don't think that a baby needs to understand Christianity before being baptized.

SUPPORT THE PARISH

Did you know you can help support Our Lady of the Lake simply by purchasing groceries? We all need to visit the grocery store. Through our Grocery Voucher Fundraiser, you purchase grocery vouchers to use toward your regular shopping, and a portion of each purchase goes toward supporting our parish. It's an easy way to make your everyday shopping do a little extra good! You buy groceries as usual, and our parish benefits from your participation. There's no extra shopping, no special trip, and no change to your grocery routine. The next time you shop, remember: your groceries can help Our Lady of the Lake grow! You can purchase the grocery vouchers at the Parish office. We have vouchers for Shop-Rite and Fresh Grocer in denominations of $50 or $100. Thank you for supporting our parish through this simple but meaningful fundraiser. Every voucher makes a difference!

THANKSGIVING DINNER

The Justice, Peace and Integrity of Creation Committee of our Lady of the Holy Angels Church in Little Falls is once again hosting their Annual Thanksgiving dinner in their parish hall. It is intended fo those who find themselves alone that day and would like to have a home-cooked hot meal, fellowship and hopefully make a new friend or two. The dinner will be served at 1:00pm on Thanksgiving Day. You need to RSVP to Agnes Czaplinski by 11/22. Please email aczaplinsk@aol.com and put Thanksgiving 2027 as the message title.

TO DO LIST

One of the projects that we are currently working on involves the doors in the stairwells of the Lakeside school building. They have been present for a very long time and are made of wood and glass. The current fire code requires that they be constructed in such a way as to keep fire from spreading. The school is working with an architect to help us find the best solution.

There are also 2 locations where the retaining wall between the school playground and the Pastoral Center parking lot are failing. A mason will be addressing this in the near future.

One of the bathrooms in the rectory has been experiencing plumbing issues for quite a while. The fixtures are all still original to the building which was constructed in 1954. Due to the lack of parts to fix the problem, it was decided that it needs to be redone. This will not only fix the plumbing issues, but also update the electrical work to bring it up to current standards. The work will begin at the end of this month.

There are 2 additional bathrooms that will probably need similar attention in the near future as they are of the same vintage. These are on the back burner so that we can take care of more pressing issues.
