3rd Sunday of Easter

As we continue to see the positive effects of social distancing and new covid numbers decreasing due to vaccinations being made readily available, the Archbishop has decided that it is time that we can and should role back some of the regulations put into effect during the pandemic. As of April 24th, that is next Sunday, the dispensation that was given for the obligation of Sunday worship will be lifted. This means, that unless a worthy cause, as prescribed prior to the pandemic is present, that all the Baptized are now obligated to attend liturgies again in person on the weekends.

The Archbishop has also lifted many of the gathering restrictions, effective immediately. Churches may now be at 100% capacity, receptions may now be held at 100% capacity (though food distribution should still be served rather than a "cafeteria type line"), and live streaming may continue, but as soon as the Mass is ended the streaming is to end and the video to be taken down so as to assist in parishioner participation during the ascribed time of worship. The mask mandate, however, remains in place for the foreseeable future.

As we continue to see improvements with numbers decreasing, I have no doubt that we will begin to see a semblance of normalcy return in the days ahead! As always, we will strive to spread the Gospel in as many avenues as possible, while doing the best we can to do so in a safe and healthy way! God Bless, and Happy Easter season to you all!
