St. Joseph, Our Silent Saint

St. Joseph has two feast days on the liturgical calendar. The first is March 19: Joseph, the Husband of Mary. The second is May 1: Joseph, the Worker. The feast of St. Joseph the Worker was established by Pope Pius XII in 1955.
St. Joseph is presented as the model and protector for Christian families. It is eminently fitting that St. Joseph, a working man who became the foster father of Christ and patron of the universal Church, should be honored on this day. In Saint Joseph we have the marvelous example of sincerity, hard work and faithfulness.

The liturgy for this feast vindicates the right to work, and this is a message that needs to be heard and heeded in our modern society. There is a special dignity and value to the work done in caring for the family. The Second Vatican document on the modern world says, "Where men and women, in course of gaining a livelihood for themselves and their families, offer appropriate service to society, they can be confident that their personal efforts promote the work of the creator, confer benefits on their fellow people and help to realize God's plan in history."

We all certainly work, but let us not forget for whom and for what we work. We should appreciate the meaning and value of work and respect the dignity of human labor. In the creative plan of God, we all have the duty to work for the betterment of ourselves and our world. By our work we shall be sanctifying ourselves and contributing to the welfare of the community.

"Saint Joseph is a man of great spirit. He is great in faith, because he listens to the words of the Living God. He listens in silence. And his heart ceaselessly perseveres in the readiness to accept the Truth". We can see from his actions in Scripture that Joseph was a compassionate man, and obedient to the will of God. He also loved Mary and Jesus and wanted to protect and provide for them. St. Joseph is the patron of many things, including the universal Church, fathers, the dying and social justice. St. Joseph, pray for us!

The Knights of Columbus, Yavapai Council 1032,
will be hosting a Fraternal Benefits Seminar
on Saturday, May 15th at 2:00 pm
in the Saint Teresa room and the Forum.
A representative from the Arizona Knights of Columbus
will be leading the presentation.
During the seminar there will be a brief history of the
Knights of Columbus and a description of the
Fraternal Benefits that come with membership.
The discussion will cover a variety of ways you can protect
your family through permanent life insurance,
term life insurance, disability insurance, long-term care
insurance and retirement annuities.
We will be observing the Diocese requirement for
face masks and distancing.

Can we talk?

My mom chose Life because someone cared enough to help her when she needed help most. Mother's Day weekend, May 8, & May 9, 2021 the Knights of Columbus will be passing out Baby bottles to support Life Connections annual **Change for Life Baby Bottle Drive.** Please stop by their table after Mass and pick up a bottle to fill with your spare change, bills or checks (or take a bottle to work) and get them filled with spare change or you may donate on line to lifeconnectionsrr.com. Then, on Father's Day weekend the Knights of Columbus will be back to collect the bottles filled with your generous donations. This is one of the very special ways people help Life Connections Pregnancy Center raise money to support the work they do. I can't think of a single thing more worthwhile for you to do with your spare change. On behalf of all the moms and babies, thank you.

Fifth Sunday of Easter

"He had spoken out boldly in the name of Jesus." How will you manifest your discipleship? Consider living the Lord's new commandment of love as a priest, deacon, sister or brother. Contact the Vocation Office at:

St. Vincent de Paul

In the Gospel today, Jesus says "Whoever remains in me and I in him will bear much fruit, because without me you can do nothing." Indeed, by helping the poor we can "bear much fruit" and we find that with Jesus we can do everything.
Your gift to the Society of St. Vincent de Paul will show that you are indeed the disciple of Jesus as it will bring your love to those who live in fear and doubt, loneliness and dread.
Thank you for all that you do for the poor of our community. Without your help and prayers, we would not be able to reach out to those in need.

This represents 74.5% of our parish goal of $138,000.
May God continue to bless you for your generosity!

Prayer to St. Joseph For Workers

Joseph, by the work of your hands
and the sweat of your brow,
you supported Jesus and Mary,
and had the Son of God as your fellow worker.
Teach me to work as you did,
with patience and perseverance, for God and
for those whom God has given me to support.
Teach me to see in my fellow workers
the Christ who desires to be in them,
that I may always be charitable and forbearing
towards all.
Grant me to look upon work
with the eyes of faith,
so that I shall recognize in it
my share in God's own creative activity
and in Christ's work of our redemption,
and so take pride in it.
When it is pleasant and productive,
remind me to give thanks to God for it.
And when it is burdensome,
teach me to offer it to God,
in reparation for my sins
and the sins of the world.

(Note: This prayer was taken from the booklet "Devotions to Saint Joseph" by Brian Moore, S.J., printed and published by the Society of St. Paul.)

Eucharistic Adoration Can Transform Our Church

"The truth is that sitting in silence with the Lord is necessary for a fruitful Catholic life. I want all Catholics to know that we don't need to be afraid to spend time in silence with Jesus — that He's waiting to love us and transform our hearts and lives."
—Bishop James D Conley, Lincoln, Neb.

Sacred Heart Parish – Revised Covid Guidelines
Effective May 1, 2021

In coordination with the Diocese of Phoenix initiative – *Rising with Christ – Come to the Feast of the Lord*, Sacred Heart Parish is revising some of the Covid-19 restrictions effective on May 1 and in effect until future notice. These revisions are being made after reflecting more deeply on the great gift of the Mass and Holy Eucharist. We want to offer our parishioners an opportunity to take advantage of these great gifts in person while still feeling safe.

Sacred Heart is taking a conservative, phased approach toward moving back to 100% church capacity. This approach considers the availability of the Covid vaccine for those who wish to receive it and we believe that the procedures below represent a safe and sensible way to move forward.

The following procedures are **in effect starting May 1**:

- The use of face coverings will continue to be recommended in accordance with CDC guidelines and advice from the medical community.
- The ribbons and tape will be removed from the three front sections closest to the sanctuary. All other ribbons will remain in place for now. This open section can accommodate those who are more comfortable sitting closer to other people, including those who have received the vaccine.
- The dispensation from attending Mass remains in place, and those who are ill with any symptoms or are more vulnerable are encouraged to stay at home. Daily Mass and 9:00am Sunday Mass will continue to be live-streamed.
- The celebrants will resume processing into the church from the Gathering Place. The prayer with the liturgical ministers before the Mass will occur in the Gathering Place.
- We will continue to suspend the use of altar servers at Mass for now.
- Holy Water will not yet be returned to the fonts.
- Missalettes and song books will be available for use in all open pews. Missalettes will also be available for those seated in the Gathering Place and should be returned to the receptacle provided in the Gathering Place after Mass.
- Distribution of Holy Communion on the tongue will now take place during Communion instead of after Mass. There will be one station only for distribution on the tongue (station H3).
- Extraordinary ministers may once again come with a pyx after Communion to obtain consecrated Hosts for distribution to those unable to come to Mass.
- The distribution of Precious Blood will continue to be suspended.
- All Confessions (Monday mornings, Wednesday evenings and Saturday afternoons) will now take place in the Sacred Heart Room (and adjoining kitchen if there is more than one priest). Confessions will no longer be held outside or in the sacristy. Use of confessionals continues to be suspended.
- The Sacrament of the Anointing of the Sick will take place for all those requesting it, including patients that may be suffering from Covid. Precautions will be taken according to the requirements of the facility.
- Mass will once again be celebrated at nursing homes, extended care facilities, etc. when allowed by the facility.

Thank you all for your understanding and adaptability during these difficult times. As we continue this journey, may our Eucharistic Lord provide us the grace and strength needed to share the Gospel to the ends of the Earth!

Join the Tree of Life

Heaven has no limits, nor does our **Tree of Life!**

We want our **Tree of Life** to reach the heavens and be filled with leaves of love!

Sacred Heart Parish is *the oldest* parish in the Diocese of Phoenix. We have much to be grateful for and many reasons and ways to say "Thank You" to our loving God. Please consider letting others also acknowledge those special people and events in your life.

Share your gratitude, thoughts and memories on the Tree of Life.

The **Tree of Life** is permanently mounted on the north wall inside the foyer of the main entrance of the church. Each leaf you sponsor will be printed with your acknowledgement.

By placing a leaf on our **Tree of Life**, you are helping our mission of evangelization. Your support helps over 100 active Sacred Heart ministries. Our ministries are involved in the lives of hundreds of people throughout our Sacred Heart and Prescott communities. We help with Eucharist to the Homebound, Funeral Ministries and Homeless Suppers, just to name a few.

You can make a difference in our community! Let's fill the canopy on the Tree of Life!

Prayerfully choose to be part of the Tree of Life!

SAY "YES" TO COMMUNITY IN TWO WAYS:

1) Your memorial becomes a part of the Sacred Heart Parish community. It becomes something that all others can prayerfully acknowledge.
2) Your financial contribution makes possible the work of our parish ministries. Your support impacts our immediate community and the community of the greater Prescott area.

PEOPLE OF ACTION BELIEF IN PRAYER

Our beautiful Tree of Life will display more than 200 leaves that are 1.5" x 4". The number of characters and lines available for each leaf is limited only to how simple or complex you want the printing to be. You will need to indicate the type of leaf you wish to have, along with the inscription on the order form.

Proceeds from the **Tree of Life** go toward the stewardship efforts of our Sacred Heart Parish Ministries.

Brochures are available in the Church Office and on the table in the Gathering Place.

"Gardening is an active participation in the deepest mysteries of the universe."
Wendell Berry,
environmental activist and farmer

Sacred Heart School has started a Community Garden!!!! After a yearlong delay, the spinach and peas, kale and lots of lettuces are happily thriving with the care of the 4th and 5th grade classes. It all started last Spring with a vision. Patti Indelicato and Jovita Fine are lifelong gardeners and wanted to pass their love for the Earth to youth. The principal and teachers enthusiastically supported the idea. And when the Knights of Columbus were approached to help, they generously donated funds and labor to create a 10' x 4' raised bed to house the garden, and all the supplies that a project like this calls for - the concrete blocks, the soil and organic additives, the all-important fence, and watering cans.

Fast forward one year. In late March, the 4th and 5th graders finally got to start the garden by preparing the soil and planting the seeds. The classes come alternately to learn about gardening on Wednesday mornings and they are responsible for weeding and watering the garden daily. Ms. Indelicato and Ms. Fine water on the weekends and when school is not in session. At the end of the school year, there will be a "salad day" so the students can taste and celebrate the bounty they nurtured. And the leftover harvest will be sent home with the students!

Youth-based community gardens are important because they offer the opportunity for childhood discovery, learning and experience through doing. Our faith calls us to care for our common home, and this school garden provides a beautiful way to teach our children to dig in and get to know Mother Earth from the ground up!

Congratulations to everyone involved, especially Patti and Jovita for bringing their vision to life - literally!
