A NOTE FROM OUR PASTOR

Dear Parishioners of St. Martin,

Last Saturday's Oktoberfest 'fun-raiser' was *WUNDERBAR*, as they would say in Germany. We had nearly 200 people – young and old – mostly all parishioners and their guests. From what I've seen and heard those who attended had a good evening with good friends, food, music, and dancing. There was a slight drizzle of rain toward the end of the night, but it didn't dampen the spirits of those in the biergarten, pavilion, or parish hall.

A word of thanks and heartfelt gratitude to the dozen or so volunteers who helped to make the evening a success. And a special word of thanks and recognition to Joan Weigel and Colene Conley who did all the decorating, Gene Schaefer who supplied the bier, Bonny Funk and the Baking Angels for all the desserts, the band, the caterers, the deputies, and Hans.

This month of October is dedicated to the Blessed Mother, Our Lady of the Rosary. One person volunteered to lead the rosary before our weekend Masses. So, we will not pray the rosary in church. However, I ask that families please make a special time to pray this devotion. The late Fr. Patrick Peyton, who inspired many people by his devotion to the Virgin Mary, would encourage families to pray the rosary often. He is known for saying: "The family that prays together, stays together". I don't know how it could fail.

Also, this month the Church reflects on our Christian calling to respect God's greatest gift: LIFE. "By the power and working of the Holy Spirit you give life to all things and make them holy" is prayed in the Eucharistic Prayer III at Mass. The Fall Season is an excellent time of the year to enjoy the beauty of God's creation. The changing seasons of nature, like the changing stages of human life, deserves our awe and respect. We pray for a deeper reverence for all human lives that begin with conception in the womb and end naturally with our dying into eternal life.

This coming week I will be away on retreat with other priests of the diocese. Mass on Monday at 5:00pm and Wednesday at 8:30am are canceled. The Mass intentions requested will be offered by me while at the retreat house. Mass will be offered here on Friday, the 15th, at 8:30am.

The Knights of Columbus are having a raffle. Please see members in the Gathering Area for more information and an opportunity to enter this annual Fall raffle. The Knights have been generous to our parish, please support their charitable works through their annual raffle.

Tomorrow is Columbus Day. It is a federal holiday; however, the parish office will be open tomorrow at its regular hours: 9:00am – 4:30pm.

Also, a reminder that the parish office has reopened on Sundays from 9:00am – Noon. Our parish secretaries, Cheryl Lasch or Joan Weigel, will be available to assist you.

Next weekend, October 16th and 17th, we are happy to have with us Fr. Dismas Byarugaba, AJ, who will be our Missionary speaker for this year. He is a priest with the Apostles of Jesus (AJ) Missionaries, headquartered in Kenya. Father is originally from Uganda and has been a priest for nearly 18 years. For almost 12 years he has served in our Diocese as the Catholic chaplain at Akron Summa City Hospital. Recently he was named the pastor of two parishes in Akron where he was assisting the now retired pastor.

Besides the United States, the Apostles of Jesus Missionaries also serve in many nations in Africa, Europe, and in Australia. Besides the pastoral care he provided in Akron, Father almost single-handedly built and opened a medical clinic back in his hometown. His compassion and care for the sick stretches far and wide.

Father Dismas is no stranger to us here at St. Martin Parish. At my first Chicken Dinner with you all, I was surprised to find Fr. Dismas in line with his meal ticket and some friends. He'd been a regular at that summer event long before I ever heard of Valley City. So, please give Father a warm welcome when you see him next weekend. He is a well-respected and hard -working Apostle of Jesus, and, for Jesus.

And from my list of paraprosdokians: "If I agreed with you, we'd both be wrong!" "Change is inevitable, except from a vending machine." "Nostalgia isn't what it used to be." And, "I used to be indecisive, but now I'm not sure!" Fr. Dan

GOSPEL MEDITATION
ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

October 10, 2021 ~ 28th Sunday in Ordinary Time

If we are truly in love with God, then the basics are not going to be enough. That love is going to want to be expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing, and in following a voice other than our own. St. Teresa of Calcutta rightly instructs us that for "love to be real, it must cost, it must hurt, it must empty us of self." Being in love with God requires more than just checking the boxes of the commandments. It requires a sincere and unconditional self-investment. Desiring God with our whole heart, mind, and soul means that I must also desire a relationship with my neighbor with that same degree of fervor.

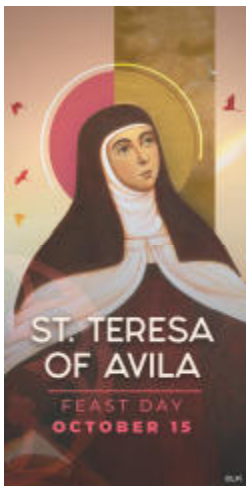
Biases and prejudices usually occur when people are kept at a distance and treated as objects. We cannot truly know our neighbors, especially if they are different than us, if we keep them in boxes and do not listen to their stories. When we open ourselves to listen to another person's story, we begin to realize more how similar we are than dissimilar. Being overly attached to our possessions, ideologies, agendas, lifestyles, and personal needs are absolute barriers to achieving the type of personal investment love demands. This is why following Christ can be difficult. It is less a matter of intellect and more a matter of heart and soul. It requires that we transfer our treasure from an investment in tangible secular things and move it into the Kingdom of God. It is only the gift of wisdom and discernment that can help us decide what to do and how to do it.

Contemporaries of Jesus would know that a camel could not enter through the portal of a city weighed down with the baggage it was carrying. In order to enter, the baggage must be removed so that the animal could fit through the entry way. The same is true for us. We carry a lot of excessive baggage around with us that keeps us tethered to our past histories, wounds, myopic world views, prejudices, fears, and suspicions. To invest ourselves in the Kingdom of God, do God's work and live out our love relationship with God, we need to shed the extra weight. While it may seem that a lot of that stuff is necessary, it really is not. We are much more than the things that we think define us and more secure than we think. The more there is to hold on to and the more that we carry with us, the harder it will be to leave it all behind. Many choose not to and walk away sad because they are not ready to trust. ©LPi

SAINT OF THE WEEK – EXAMPLES OF OUR FAITH

St. Teresa of Ávila | Feast Day October 15

St. Teresa of Ávila (1515-1582) was a Spanish Carmelite nun who lived in the 16th century. She was a mystic and author of spiritual writings and poems. The originator of the Carmelite Reform, she founded numerous convents throughout Spain and restored a contemplative life to the order. She became well known for the mystical experiences, many of which she described in her autobiography.



The first of only four women to be named a Doctor of the Church, St. Teresa's ascetic doctrine and Carmelite reforms shaped Roman Catholic contemplative life, and her writings on the Christian soul's journey to God are considered works of art. Her writings, especially the "Way of Perfection" and "The Interior Castle," have helped generations of believers.

St. Teresa of Avila died on Oct. 15, 1582. She was canonized on March 22, 1622, along with three of her greatest contemporaries: St. Ignatius Loyola, St. Francis Xavier, and St. Philip Neri. ©LPi
