Do Something Beautiful for God

The Essential Teachings of Mother Teresa

Everything we do each day is a means to put our love for Christ into living loving action. It is so beautiful that we complete each other. What we are doing in the slums, maybe you cannot do. What you are doing in the slums, maybe you cannot do. What you are doing where you are called-in your family, in your life at college, in your work– we cannot do. But you and we together are doing something beautiful for God.

Our parish is blessed with wonderful catechists who give so much of their time to teach our young members while preparing them for the Sacraments of First Holy Communion and Confirmation. Thank you to Tina Lesho, Brandy Stewart and Jason Miller for allowing God to use your gifts to help our children in their faith formation.
