NFP RESOURCES

Last week was NFP Awareness Week. Natural Family Planning (NFP) is a general title for ethical, natural, safe and effective methods for both achieving and avoiding pregnancy in marriage.

NFP methods teach couples how to observe and interpret the wife's signs of fertility and infertility. In the words of the Catechism of the Catholic Church, NFP methods "respect the bodies of the spouses, encourage tenderness between them and favor the education of an authentic freedom." (CCC, no. 2370)

The Catholic Church invites all the faithful to embrace God's plan for married love.

©USCCB

Learn more about NFP by scanning the QR code!

WHAT PARISHIONERS ARE SAYING...

I have found so much joy by growing in my understanding of how perfectly, intricately and uniquely God created the female body. *We've been given the gift of capable minds with the ability to read the language of our bodies to determine if it is physically and mentally the right time for God, man and wife to create life.*

Nicki Labrador

Once we understood the "why" NFP truly led us to become "one body" and "one flesh" and express our love to each other wholeheartedly. *We wish we took the time to understand NFP sooner as it has drawn us closer to each other and has helped us grow in our faith journey.*

Manuel and Melanie Hinojosa

Our children are gifts from God and a blessing to our marriage. *We believe in being open to life to receive God's blessings. NFP allows us to put our faith and love in action through regular dialogue, respect for one another, sacrifice, and shared responsibility.*

Tim and Sara Haverly

Learning and practicing NFP has been the catalyst that led to a much deeper understanding of the Sacraments. We've grown from viewing marriage as a one time Sacrament to an ongoing sacramental sign of the free, total, faithful and fruitful love of God. This has developed into a deeper love and respect for each other and our faith.

SE NECESITA PADRINOS PARA RICA

PADRINOS PARA RICA… ¿Estás listo?

"Vayan pues y hagan que todos los pueblos, sean mis discípulos. Bautícenlos en el nombre del Padre y del Hijo y del Espíritu Santo, y enséñenles a cumplir todo lo que yo le he encomendado a ustedes. Yo estoy con ustedes todos los días hasta el fin de la historia". Mateo 28: 19-20

¿Estás listo para este llamado, ser Padrino y llevar tu discipulado a través de un candidato que será tu futuro hermano en Cristo?

Nuestros candidatos necesitan de RICA y necesitan un compañero de su viaje a integrarse a la Iglesia Católica.

RECURSOS DE PFN

La semana pasada fue la Semana de Concientización sobre la PFN. La planificación familiar natural (PFN) es un título general para los métodos éticos, naturales, seguros y efectivos para lograr y evitar el embarazo en el matrimonio.

Los métodos de PFN enseñan a las parejas cómo observar e interpretar los signos de fertilidad e infertilidad de la esposa. En palabras del Catecismo de la Iglesia Católica, los métodos de la PFN "respetan el cuerpo de los esposos, fomentan la ternura entre ellos y favorecen la educación de una auténtica libertad". (CCC, no. 2370)

La Iglesia Católica invita a todos los fieles a abrazar el plan de Dios para el amor matrimonial.
